Greenhouse Sale

Each spring, FFA & the Greenhouse classes put on a plant sale at the greenhouse behind Holden High School. Follow Holden FFA on Facebook to see beautiful photos of available plants and flowers! Also, there's a chance to win a FREE Oyster Plant or Philodendron, so make sure you go LIKE & SHARE their post and leave a comment! Can't make it during the sale hours or have a question? Contact Jane Haun at jhaun@holdenschools.org

Distinguished Alumni

Mr. Spencer Gudde has been selected as the Holden High School Distinguished Alumni 2023. This award recognizes and honors alumni who exemplify the values, tradition, and successes of Holden High School. Mr. Gudde, a 1995 graduate of HHS, already knew during his time at HHS that he wanted to be a teacher, proudly holding the title of President for the Future Teachers of America (FTA) club. Before he graduated from UCM he covered as long-term substitute teacher, then was hired as a math teacher immediately after he had earned his degree. Spencer currently serves as the Activity/Athletic Director at Holden R-3 School District. Read more about him on our website at holdenschools.org.

Digital Thank Yous

We are once again doing our Digital Messages of Thanks for Teacher Appreciation Week. Go to holdenschools.org/thankyou and choose a digital postcard to send to a teacher or staff member who you know has gone above and beyond!
