

# Snow Make-up Day Field Trip February 16, 2024

**Registration Dates:** Feb. 1 - Feb. 10, 2024

## Museum of Pop Culture (MoPOP)

Discover the art and science of designing buildings by exploring MoPOP's architecture! MoPOP experts will lead a workshop where students in **grades 6-8** will dive into the cross sectors of art, engineering, and space building. They'll then use that inspiration to solve their own design challenges!

Students will also get an opportunity to further explore the world of pop-culture through a self-guided tour.
