## Scrapheads (HMS Robotics) Visit Missouri Veterans Home

As part of the FIRST (FTC) Robotics League, students participate in a yearly outreach of their choice to promote Robotics and FIRST's "gracious professionalism." On Thursday, January 26, the ScrapHeads visited the Missouri Veterans Home in Warrensburg to show how their robot works, how they've programmed it for competition, their role on the team and shared why they enjoy Robotics. The team also sponsored a BINGO game for the veterans and enjoyed a pizza lunch with them after their presentation. They did an amazing job representing their Robotics Team and Holden Middle School!
