School Board Filing

The Board of Education term's of Tonyea Inglis, Ray Briscoe, & Alex Haun are expiring this spring. Elected school board members serve a term of three years. Four individuals have filed to run for the three open seats:

- Tonyea Inglis (incumbent)
- Alex Haun (incumbent)
- Aaron Hynds
- Matt Ferguson

The election is April 4.

Court/Mat Warming

A "Winter Wonderland"-themed dance will be held for high school students on Friday, January 27, 2023, from 8:00pm until 10:00pm in the high school gym. The courtwarming game will be played January 31, 2023. Both the girls and boys basketball teams will host Carrollton at Holden High School with tip-off at 5:00pm. This night will also serve as Senior Night for the boys team. Royalty crowning will take place after the girls varsity game and before the boys varsity play. The mat warming match will be a varsity triangular for the girls and boys wrestling teams who will host Knob Noster & Richmond at Holden Middle School, also on January 31, 2023, beginning at 5:30pm. Royalty will be crowned before the matches begin at 5:00pm.

HHS Classes Reverse Engineer Engines

Students in Mr. Black's Ag Construction and Intro to Mechanics classes and Mr. Littrell's Intro to Engineering class got the opportunity to gain hands-on experience with machinery due to a generous donation of Briggs & Stratton motors from Husqvarna. Briggs & Stratton, the world's largest manufacturer of small air-cooled engines, donates Basic Training Kits once a year upon request by a qualifying school program; however, this donation went above and beyond by not only supplying one engine and kit, but a whole pallet of small engines! More engines means multiple students are personally able to methodically disassemble and investigate the engineering of the motors.
