Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Vaughn Next Century Learning Center (Vaughn), a California nonprofit public benefit corporation, which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Vaughn as of June 30, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Vaughn Next Century Learning Center and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Vaughn's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Vaughn's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Vaughn's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on Vaughn’s financial statements as a whole. The K-12, Preschool, and Elimination columns in the statements of financial position, activities, functional expenses, and cash flows as well as the supplementary information (as identified in the table of contents), and the accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and, except for the portion marked “unaudited”, was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole. The Local Education Agency Organization Structure, which is marked “unaudited”, has not be subjected to the auditing procedures applied in the audit of the financial statements. Accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated December 13, 2023 on our consideration of Vaughn’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness on Vaughn’s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Vaughn’s internal control over financial reporting and compliance.

**VAUGHN NEXT CENTURY LEARNING CENTER
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Vaughn Next Century Learning Center (Vaughn) provides preschool, elementary, middle school, and high school education offering improved learning facilities for underprivileged children in an impoverished, overcrowded neighborhood in the city of Los Angeles. Vaughn receives most of its support from the federal and state governments through the state of California and Los Angeles Unified School District (LAUSD). As a charter school under LAUSD authorization, Vaughn is considered to be part of LAUSD but it is independent from the district in that all decisions, including those regarding management and the use of funds, are made at the school level.

Vaughn accounts for its financial transactions in accordance with the policies and procedures of the California Department of Education's California School Accounting Manual. The accounting policies of Vaughn conform to accounting principles generally accepted in the United States of America as applicable to nonprofit organizations.

The following summary of significant accounting policies of Vaughn is provided to assist the reader in interpreting the basic financial statements presented in this section. These policies, as presented, should be viewed as an integral part of the accompanying financial statements.

Reporting Entity

Vaughn is authorized by Los Angeles Unified School District (LAUSD) to operate as a charter school starting July 1, 1993. Vaughn operated as an unincorporated public educational agency until May 2, 2011 when it was incorporated in the state of California as a California Nonprofit Public Benefit Corporation. The incorporation and amendment of bylaws were approved by the Board of Education of the City of Los Angeles (LAUSD governing board) and Vaughn's governing board. Vaughn has received a tax exemption status under Internal Revenue Code Section 501(c)(3) and California Revenue & Taxation Code Section 23701(d).

Vaughn is presenting its financial reporting in accordance with the Financial Accounting Standard Board, standards set forth for nonprofit entities.

Basis of Accounting

The financial statements have been prepared on the accrual method of accounting and accordingly reflect all significant receivables and liabilities.

Basis of Presentation

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America as prescribed by the Financial Accounting Standards Board.

**VAUGHN NEXT CENTURY LEARNING CENTER
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expenses

Costs of providing Vaughn's programs and other activities have been presented in the statement of functional expenses. During the year, such costs are accumulated into separate groupings as either direct or indirect. Indirect or shared costs are allocated among program and support services by a method that best measures the relative degree of benefit. The expenses that are allocated include salaries and wages, other employee benefits, payroll taxes, occupancy, and depreciation which are allocated on the basis of estimates of time and effort.

Cash and Cash Equivalents

Vaughn defines its cash and cash equivalents to include only cash on hand, demand deposits, and liquid investments with original maturities of three months or less.

Net Asset Classes

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor- or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve and other approved purposes.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as restricted revenue when received and released from restrictions when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Accounts Receivable

Accounts receivable primarily represent amounts due from federal and state governments as of June 30, 2023. Management believes that all receivables are fully collectible, therefore no provisions for uncollectible accounts were recorded.

**VAUGHN NEXT CENTURY LEARNING CENTER
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investments

Investments are reported at fair value in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820. Earnings from investments are recorded as other local income in these financial statements. Interest income is recognized when earned. Dividend income is recorded on the ex-dividend date. All realized and unrealized gains or losses on investments are reported as increase or decrease in net assets without donor restrictions and classified as operating activities.

Capital Assets

Capital assets purchased or acquired with an original cost of \$5,000 or more are reported at historical cost or estimated historical cost. Contributed assets are reported at fair market value as of the date received. Additions, improvements, and other capital expenditure that significantly extend the useful life of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred. Any gain or loss on the sale of land, buildings, and other property is reported as other revenues on the financial statement of activities. Depreciation on all assets is calculated on the straight-line basis over the various estimated useful lives ranging from 5 to 39.

Buildings	39 Years
Improvements	15 Years
Furniture and Equipment	7 Years
Library Materials	5 Years

Revenue Recognition

Amounts received from the California Department of Education are conditional and recognized as revenue by Vaughn based on the average daily attendance (ADA) of students. Revenue that is restricted is recorded as an increase in net assets without donor restriction, if the restriction expires in the reporting period in which the revenue is recognized. All other restricted revenues are reported as increases in net assets with donor restriction.

Contributions

All contributions are considered to be available for use unless specifically restricted by the donor. Amounts received that are restricted to specific use or future periods are reported as contributions with donor restrictions. Unconditional promises to give expected to be received in one year or less are recorded at net realizable value. Unconditional promises to give expected to be received in more than one year are recorded at fair value at the date of the promise. Conditional promises to give (those with a measurable performance or other barrier and a right of return) are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.

**VAUGHN NEXT CENTURY LEARNING CENTER
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Conditional Grants

Grants and contracts that are conditioned upon the performance of certain requirements or the incurrence of allowable qualifying expenses (barriers) are recognized as revenues in the period in which the conditions are met. Amounts received are recognized as revenue when Vaughn has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as deferred revenues in the statement of financial position. As of June 30, 2023, Vaughn has conditional grants of \$27,464,073 of which \$17,902,198 is recognized as deferred revenue in the statement of financial position.

Property Taxes

Secured property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on September 1 and are payable in two installments on or before November 1 and February 1. Unsecured property taxes are not a lien against real property and are payable in one installment on or before August 31. The County bills and collects property taxes for all taxing agencies within the County and distributes these collections to the various agencies. The sponsor agency of Vaughn is required by law to provide in-lieu property tax payments on a monthly basis, from August through July. The amount paid per month is based upon an allocation per student, with a specific percentage to be paid each month.

Compensated Absences

Vaughn employees earn sick days based on the amount of time worked annually. Unused sick days for full-time employees is cumulative from year to year and can be accrued. Unused sick days cannot be converted to cash. Vaughn's policy is to record the use of sick days and substitute payment as an operating expense in the period taken. Thus, sick days are not recognized as a liability.

Income Taxes

Vaughn is a nonprofit entity exempt from the payment of income taxes under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Accordingly, no provision has been made for income taxes. Management has determined that all income tax positions are more likely than not of being sustained upon potential audit or examination; therefore, no disclosures of uncertain income tax positions are required. Vaughn files an exempt organization return in the U.S. federal jurisdiction and with the California Franchise Tax Board.

Leases

Vaughn leases certain equipment and determines if an arrangement is a lease at inception. Operating leases are included in operating lease right-of-use (ROU) assets, and operating lease liabilities on the statement of financial position. Finance leases are included in financing ROU assets, and lease liabilities – financing on the statement of financial position.

VAUGHN NEXT CENTURY LEARNING CENTER
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Leases (Continued)

ROU assets represent Vaughn's right to use an underlying asset for the lease term and lease liabilities represent Vaughn's obligation to make lease payments arising from the lease. ROU assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. As most of leases do not provide an implicit rate, Vaughn uses a risk-free rate based on the information available at commencement date in determining the present value of lease payments. The operating lease ROU asset also includes any lease payments made and excludes lease incentives. The lease terms may include options to extend or terminate the lease when it is reasonably certain that Vaughn will exercise that option. Vaughn has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases are not included as lease liabilities or ROU assets on the statement of financial position.

Vaughn has elected not to separate nonlease components from lease components and instead accounts for each separate lease component and the nonlease component as a single lease component.

Vaughn's lease agreements do not contain any material residual value guarantees or material restrictive covenants.

In evaluating contracts to determine if they qualify as a lease, Vaughn considers factors such as if Vaughn has obtained substantially all of the rights to the underlying asset through exclusivity, if Vaughn can direct the use of the asset by making decisions about how and for what purpose the asset will be used and if the lessor has substantive substitution rights. This evaluation may require significant judgment.

Subsequent Events

Vaughn has evaluated subsequent events through December 13, 2023, the date these financial statements were available to be issued.

NOTE 2 LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure are those without donor or other restrictions limiting their use within one year of the statement of financial position date, comprise of the following:

Cash and Cash Equivalents	\$ 42,880,511
Accounts Receivable	7,136,289
Less: Net Assets With Donor Restrictions	<u>(3,076,193)</u>
Total	<u><u>\$ 46,940,607</u></u>

As part of its liquidity management plan, Vaughn monitors liquidity required and cash flows to meet operating needs on a monthly basis. Vaughn structures its financial assets to be available as general expenditures, liabilities and other obligations come due.

**VAUGHN NEXT CENTURY LEARNING CENTER
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023**

NOTE 3 CASH AND INVESTMENTS

Cash and investments as of June 30, 2023 are classified in the accompanying financial statements as follows:

Cash in County Treasury	\$ 35,136,648
Cash with Financial Institutions	7,743,863
Long-Term Investments	64,288,245

Cash in County Treasury

In accordance with Education Code 41001, Vaughn maintains substantial amount of its cash in the Los Angeles County Treasury as part of the common investment pool. The fair value of Vaughn's deposits as of June 30, 2023 as provided by the pool sponsor was \$35,136,648. The County is authorized to deposit cash and invest funds by California Government Code Section 53648 et. seq. The County is restricted by Government Code Section 53635 pursuant to Section 53601 to invest in time deposits, U.S. government securities, state registered warrants, notes or bonds, State Treasurer's investment pool, bankers' acceptances, commercial paper, negotiable certificates of deposit, and repurchase or reverse repurchase agreements. The funds maintained by the County are either secured by federal depository insurance or are collateralized. Interest earned is deposited quarterly into participating funds. Any investment losses are proportionately shared by all funds in the pool.

Cash with Financial Institutions

Vaughn also maintains cash balances held in banks and revolving funds which are insured up to \$250,000 by the Federal Depository Insurance Corporation (FDIC). At times, cash in these accounts exceeds the insured amounts. Vaughn has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on its cash and cash equivalents.

Long-Term Investments by Vanguard Asset Management Services

Investments are held by Vanguard Asset Management Services in the following managed investment accounts:

1. Endowment Account
2. Employee Incentive Account
3. Capital Project Fund Account; and
4. LockBox Account

The target allocation of the Endowment and Employee Incentive accounts is 70% equity and 30% fixed-income or bonds. In October 2018, a separate, fourth account named "Lockbox" was established for the approximately \$10 million of assets in the Endowment account that had been set aside in April 2018 to preserve the substantial amount of capital gains realized over the past 10 years. The Lockbox account consists of two conservative bond funds (i.e., 100% fixed income or bonds). The target allocation of the Capital Projects Fund account is 60% equity and 40% bonds.

VAUGHN NEXT CENTURY LEARNING CENTER
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

NOTE 3 CASH AND INVESTMENTS (CONTINUED)

For the first three accounts listed above, the Vanguard manager uses a mix of Vanguard actively managed and Vanguard index funds encompassing small, medium, and large capitalization U.S. stocks. The Vanguard manager uses Vanguard index funds as the investment vehicles for international stocks and bonds, as well as a mix of Vanguard bond funds encompassing a range of duration (from short term to long-term) and credit quality (U.S. government bonds to high-yield corporate bonds). For the Lockbox account, the Vanguard manager uses a mix of Vanguard actively managed funds that consist of high- and medium-quality, investment-grade and government bonds with short-term maturities.

All investments are subject to risks. Equities are subject to market risk, with small and medium capitalization stocks historically having been more volatile than large capitalization stocks. Foreign investing involves additional risks including currency fluctuations and political uncertainty. Stocks of companies in emerging markets are generally riskier than stocks of companies in developing countries. Investments in bond funds are subject to credit, interest rate, and inflation risk.

Due to the level of uncertainty related to changes in interest rates, market volatility and credit risks, it is at least reasonably possible that changes in these risks could materially affect the estimated fair value of investments reported in the statement of financial position as of June 30, 2023. However, the diversification of Vaughn's invested assets among these various asset classes should mitigate the impact of any dramatic change on any one asset class.

In the third quarter of 2019, Vaughn adopted a more index-centric equity and longer duration bond approach and directed the Vanguard manager to transfer investments that had been held in actively managed funds such as Vanguard's Explorer, U.S. Growth, and Windsor II funds to index funds and investments held in short-term bond funds to long-term bond funds. In the first quarter of 2020, Vaughn directed the Vanguard manager to reallocate 36% of its equity investments to Vanguard's Global Minimum Volatility fund to reduce portfolio volatility.

NOTE 4 FAIR VALUE MEASUREMENT

Vaughn applies the provisions of FASB ASC 820, *Fair Value Measurements, and Disclosures*, for fair value measurements of investments that are recognized and disclosed at fair value in the financial statements on a recurring basis. FASB ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. Although Vaughn believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**VAUGHN NEXT CENTURY LEARNING CENTER
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023**

NOTE 4 FAIR VALUE MEASUREMENT (CONTINUED)

FASB ASC 820 also establishes a fair value hierarchy that requires Vaughn to maximize the use of observable inputs when measuring fair value. Observable inputs reflect market data obtained from independent sources while unobservable inputs reflect Vaughn's market assumptions. The three levels of the fair value hierarchy are as follows:

Level 1 – Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority,

Level 2 – Inputs consist of observable inputs other than quoted prices for identical assets, and

Level 3 – Inputs are unobservable; supported by little or no market activity and have the lowest priority.

Vaughn uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

Fair Value Measurements

The following are total fair value measurement investments held by Vaughn at June 30, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Fixed Income Funds	\$ 30,471,863	\$ -	\$ -	\$ 30,471,863
Equity Funds	33,816,382	-	-	33,816,382
Total Investments at Fair Value	<u>\$ 64,288,245</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 64,288,245</u>

The following schedule summarizes the composition of investment return for the year ended June 30, 2023:

Dividends and Interest	\$ 2,067,298
Realized Gains	(4,262)
Unrealized Losses	3,543,114
Investment Fees	(62,576)
Total Return on Investments	<u>\$ 5,543,574</u>

**VAUGHN NEXT CENTURY LEARNING CENTER
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023**

NOTE 5 CAPITAL ASSETS

Capital assets in the accompanying financial statements are presented net of accumulated depreciation. Vaughn capitalizes all expenditures for land, buildings, and equipment in excess of \$5,000. Depreciation expense was \$3,997,052 for the year ended June 30, 2023.

One of the campuses, the Mainland Elementary School, used by Vaughn is owned by LAUSD. Vaughn has the right to use the property as long as the entity operates as a charter school.

The components of capital assets as of June 30, 2023 are as follows:

Depreciable Assets:	
Building and Improvements	\$ 116,532,502
Equipment	204,324
Furniture	<u>5,414,444</u>
Total Depreciable Assets	122,151,270
Less: Accumulated Depreciation	<u>(37,852,914)</u>
Net Depreciable Assets	84,298,356
Nondepreciable Assets:	
Land	14,604,587
Construction In Progress	<u>18,758,561</u>
Total Nondepreciable Assets	<u>33,363,148</u>
Grand Total Capital Assets	<u><u>\$ 117,661,504</u></u>

NOTE 6 EMPLOYEE RETIREMENT

Multiemployer Defined Benefit Pension Plans

Qualified employees are covered under multiemployer defined benefit pension plans maintained by agencies of the state of California.

The risks of participating in these multiemployer defined benefit pension plans are different from single-employer plans because: (a) assets contributed to the multiemployer plan by one employer may be used to provide benefits to employees of other participating employers, (b) the required member, employer, and state contribution rates are set by the California Legislature, and (c) if the chooses to stop participating in the multiemployer plan, it may be required to pay a withdrawal liability to the plan. Vaughn has no plans to withdraw from this multiemployer plan.

**VAUGHN NEXT CENTURY LEARNING CENTER
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023**

NOTE 6 EMPLOYEE RETIREMENT (CONTINUED)

State Teachers' Retirement System (STRS)

Plan Description

Vaughn contributes to the State Teachers' Retirement System (STRS), a cost-sharing multiemployer public employee retirement system defined benefit pension plan administered by STRS. The plan provides retirement, disability and survivor benefits to beneficiaries. Benefit provisions are established by state statutes, as legislatively amended, within the State Teachers' Retirement Law. According to the most recently available Comprehensive Annual Financial Report and Actuarial Valuation Report for the year ended June 30, 2022, total STRS plan net assets are \$300 billion, the total actuarial present value of accumulated plan benefits is \$434 billion, contributions from all employers totaled \$6.513 billion, and the plan is 74.4% funded. Vaughn did not contribute more than 5% of the total contributions to the plan.

Copies of the STRS annual financial reports may be obtained from STRS, 7667 Folsom Boulevard, Sacramento, CA 95826, and www.calstrs.com.

Funding Policy

Active plan members hired before January 1, 2013 are required to contribute 10.25% of their salary and those hired after are required to contribute 10.21% of their salary. Vaughn is required to contribute an actuarially determined rate. The actuarial methods and assumptions used for determining the rate are those adopted by the STRS Teachers' Retirement Board. The required employer contribution rate for year ended June 30, 2023 was 19.10% of annual payroll. The contribution requirements of the plan members are established and may be amended by state statute.

Vaughn's contributions to STRS for the past three years are as follows:

<u>Year Ended June 30,</u>	<u>Required Contribution</u>	<u>Percent Contributed</u>
2021	\$ 2,527,815	100 %
2022	2,776,665	100
2023	3,022,584	100

Health and Medical Benefits for Retirees

Vaughn provides postemployment health benefits to its contracted, full time, certificated, and permanent employees. To qualify, a staff member must provide continuous years of service at Vaughn immediately prior to retirement without a break in service. Vaughn will follow the Rule of 80 (Years of service credit plus age upon retirement should equal 80 or more) for all eligible employees. Vaughn will accept service credit of former Los Angeles Unified District certificated staff members who began employment at Vaughn before July 1, 1998. The goal is to provide health benefits to eligible staff members (active or retired) up until the age of 65.

VAUGHN NEXT CENTURY LEARNING CENTER
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

NOTE 6 EMPLOYEE RETIREMENT (CONTINUED)

Health and Medical Benefits for Retirees (Continued)

The maximum level of support is not to exceed five years of health coverage and benefits are limited to a lifetime maximum of \$36,000. The spouse or divorced spouse of a retired Vaughn employee is not eligible for Vaughn's post-retirement health benefits. Effective July 1, 2012, this plan is offered to only employees hired before July 1, 2012.

As a result of offering postemployment benefits other than pension (OPEB), Vaughn is required to report the value of such benefits and associated costs according to the accounting requirements of FASB ASC 715-60, *Defined Benefit Plans – Other Post-Retirement (FASB ASC 715-60)*. This standard requires Vaughn to get periodical actuarial reports and disclose the report summary in the financial statements (see Note 9 – OPEB Accounting and Actuarial Information).

Vaughn's post-retirement benefit plans are unfunded. However, Vaughn has designated part of the Employee Incentive investment account to fund a portion of the premiums for retirees' post-retirement benefit. Based on the latest actuarial report and the subsequent contributions made, Vaughn has an estimated liability of \$494,358 as of June 30, 2023. Vaughn will commission an actuarial study every two years.

NOTE 7 NET ASSETS

Net assets without donor restriction represent the net asset portion that is available for all expenses in the next fiscal year.

Vaughn's net assets consist of the following at June 30, 2023:

Net Assets Without Donor Restrictions:	
Invested In Capital Assets, Net of Debt	\$ 117,661,504
Undesignated Net Assets	84,661,524
Total Net Assets Without Donor Restrictions:	<u>\$ 202,323,028</u>
Net Assets With Donor Restrictions:	
Subject to Specific Purpose:	
Child Nutrition Program	\$ 3,076,193
Total Net Assets With Donor Restrictions:	<u>\$ 3,076,193</u>

NOTE 8 RELATED PARTY

Vaughn has established the Vaughn Next Century Foundation (the Foundation), a nonprofit foundation under Internal Revenue Code 501(c)(3) as a supporting organization to the charter school. The Foundation supports some of Vaughn's college preparation programs such as college tours, college scholarships, international student exchange, and testing programs for college readiness.

VAUGHN NEXT CENTURY LEARNING CENTER
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

NOTE 9 OPEB ACCOUNTING AND ACTUARIAL INFORMATION

Vaughn provides postemployment benefits other than pensions (OPEB) to employees who meet certain criteria (discussed in Note 6). As a result of offering such benefits, Vaughn is required to disclose benefit information in accordance with the FASB ASC 715-60.

Vaughn provides health benefits to retirees. Vaughn pays a major portion of the cost of premiums for eligible retirees. All active employees hired before July 1, 2012 who retire directly from Vaughn and meet the eligibility criteria may participate. Vaughn has not contributed any assets to the plan but continue to use “Pay-As-You-Go” method for current retiree’s health benefit expenses.

Although Vaughn has set aside funds for OPEB future obligations, Vaughn has not established a plan or equivalent arrangement that contains an irrevocable transfer of assets dedicated to providing benefits to retirees in accordance with the terms of the plan and that are legally protected from creditors. The information below is for the most recently completed actuarial valuation report for the year ended June 30, 2023.

Actuarial Cost Method

The actuarial valuation of OPEB was prepared using the projected unit credit actuarial cost method. Under this method the actuarial accrued liability is equal to the present value of all benefits actually expected to be paid from the plan multiplied by a fraction, the numerator of which is the number of years of service worked and the denominator of which is the total number of years of service that will be worked when the employee reaches full benefit eligibility age. The service cost is equal to the present value of all benefits actually expected to be paid divided by the total number of years of service that will be worked when the employee reaches full benefit eligibility age. The actuarial accrued liability is called the Accumulated Postretirement Benefit Obligation (APBO) and the present value of all benefits actually expected to be paid is called the Expected Postretirement Benefit Obligation (EPBO).

Actuarial Assumptions

Discount Rate – The rate used to discount liabilities is 4.95%, which was determined under a cash flow matching process and the FTSE Pension Discount Curve as of June 30, 2023.

Trend Rate – Actual premium rates were used for the 2021-2022 and 2022-2023 fiscal years. Going forward, the healthcare trend assumption reflects healthcare cost inflation expected to impact the plan based on forecast information in published papers from industry experts (actuaries, health economists, etc.). This research, combined with Vaughn’s historical premium rate experience, suggests a 5.75% medical cost increase for the 2023-2024 fiscal year, grading down to an ultimate rate of 4.50% for the 2028-2029 fiscal year and beyond. Dental and vision costs are assumed to increase at 4.50% per year.

Morbidity – Based on the June 2013 Society of Actuaries Study entitled “Health Care Costs – From Birth to Death”. Pre-65 morbidity rates were based on the HMO costs.

**VAUGHN NEXT CENTURY LEARNING CENTER
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023**

NOTE 9 OPEB ACCOUNTING AND ACTUARIAL INFORMATION (CONTINUED)

Actuarial Assumptions (Continued)

Spouses – Assumption is not applicable Employee-only benefits are valued.

Salary Scale – There are no liabilities dependent on salary, therefore no salary increase rate is assumed.

Funded Status and Funding Progress

As of June 30, 2023, Vaughn's plan has an Accumulated Postretirement Benefit Obligation of \$494,358, and is unfunded. The plan had zero assets and the net amount of actuarial accrued liability recognized is \$494,358.

The following table presents the net periodic postretirement benefit cost and reconciliation of the funded status as of June 30, 2023.

<u>Net Periodic Postretirement Benefits Cost</u>	<u>June 30, 2023</u>
Service Cost	\$ 32,812
Interest Cost	15,834
Expected Return on Plan Assets	N/A
Amortization of Net (Gain)/Loss	(1,459)
Amortization of Prior Service Cost	-
Amortization of Transition Obligation	5,149
Net Periodic Postretirement Benefits Cost	<u>\$ 52,336</u>
<u>Reconciliation of Funded Status</u>	<u>June 30, 2023</u>
Accumulated Postretirement Benefit Obligation	\$ 494,358
Fair Value of Plan Assets	-
Unfunded Status	<u>494,358</u>
Unrecognized Amounts:	
Actuarial (Gain)/Loss	(66,045)
Transition (Obligation)/Asset	56,643
Accrued Postretirement Benefit Cost	<u>\$ 484,956</u>

The following table presents the reconciliation of accrued benefit cost for the year ended June 30, 2023:

Accrued Postretirement Benefit Cost as of July 1, 2022	\$ 562,113
Net Periodic Postretirement Benefit Cost for Fiscal Year	52,336
Estimated Employer Contributions for Fiscal Year	-
Accrued Postretirement Benefit Cost as of June 30, 2023	<u>\$ 614,449</u>

**VAUGHN NEXT CENTURY LEARNING CENTER
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023**

NOTE 9 OPEB ACCOUNTING AND ACTUARIAL INFORMATION (CONTINUED)

Funded Status and Funding Progress (Continued)

Assumed health care cost trend rates have a significant effect on the amounts reported for the health care plans. A one-percentage point change in assumed health care cost trend rates would have the following effect:

	<u>Change in Medical Trend Rate</u>	
	<u>1% Increase</u>	<u>1% Decrease</u>
Effect on Health Care Component of the:		
Accumulated Postretirement Benefit Obligation	Increase of \$53,976	Decrease of \$51,987
Service Cost Plus Interest Cost	Increase of \$5,513	Decrease of \$5,367

Unrecognized gains and losses, including changes in actuarial assumptions, are amortized over the average remaining lifetime of the active participants, to the extent that they exceed, in absolute value, 10% of the greater of the Fair Value of Plan Assets or the Accumulated Postretirement Benefit Obligation.

The following benefit payments, which reflect expected future service, as appropriate, are expected to be paid as follows:

<u>Fiscal Year Beginning</u>	<u>Amount</u>
7/1/2024	\$ 15,809
7/1/2025	5,947
7/1/2026	10,445
7/1/2027	13,154
7/1/2028	18,461
June 30, 2029 - June 30 2033	151,197

As the OPEB is not funded, there are no plan assets to report.

NOTE 10 LEASES – ASC 842

Vaughn leases equipment for various terms under long-term, non-cancelable lease agreements. The leases expire at various dates through 2028 and provide for renewal options ranging from 1 months to 1 year. In the normal course of business, it is expected that these leases will be renewed or replaced by similar leases.

VAUGHN NEXT CENTURY LEARNING CENTER
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023

NOTE 10 LEASES – ASC 842 (CONTINUED)

The following table provides quantitative information concerning the School's lease for the year ended June 30, 2023:

	<u>Amount</u>
Lease Costs	
Finance Lease Costs:	
Amortization of Right-Of-Use Assets	\$ 71,037
Interest on Lease Liabilities	<u>4,430</u>
Operating Lease Costs	165,444
Total Lease Costs	<u>\$ 240,911</u>
Other Information:	
Operating Cash Flows from Financing Leases	\$ 4,430
Operating Cash Flows from Operating Leases	166,576
Financing Cash Flows from Financing Leases	70,272
Right-Of-Use Assets Obtained in Exchange for New Financing Lease Liabilities	-
Right-Of-Use Assets Obtained in Exchange for New Operating Lease Liabilities	324,127
Weighted-Average Remaining Lease Term - Financing Leases	2.7 Years
Weighted-Average Remaining Lease Term - Operating Leases	3.6 Years
Weighted-Average Discount Rate - Financing	1.90%
Weighted-Average Discount Rate - Operating	2.39%

Vaughn classifies the total undiscounted lease payments that are due in the next 12 months as current. A maturity analysis of annual undiscounted cash flows for lease liabilities as of June 30, 2023, is as follows:

<u>Year Ending June 30,</u>	<u>Operating Leases</u>	<u>Finance Leases</u>	<u>Totals</u>
0	\$ 225,311	\$ 74,702	\$ 300,013
1	200,007	74,702	274,709
2	129,353	56,990	186,343
3	91,348	-	91,348
4	<u>62,487</u>	<u>-</u>	<u>62,487</u>
Total Lease Payments	708,506	206,394	914,900
Less: Interest	<u>(35,708)</u>	<u>(5,189)</u>	<u>(40,897)</u>
Present Value of Lease Liabilities	<u>672,798</u>	<u>201,205</u>	<u>874,003</u>

**VAUGHN NEXT CENTURY LEARNING CENTER
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023**

NOTE 11 COMMITMENTS

Vaughn started construction for its Literary and Nutrition Center project on November 19, 2021. The estimated cost of the project is \$23,677,483 and is expected to be completed by February 28, 2024.

NOTE 12 CONTINGENCIES, RISKS, AND UNCERTAINTIES

Vaughn has received state and federal funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate disallowances under terms of the grants, it is believed that any required reimbursement would not be material.

In the normal course of business, Vaughn is subject to legal claims. After consultation with Vaughn's legal counsel, management is of the opinion that liabilities, if any, arising from such claims would not have a material effect on Vaughn's financial position.

SUPPLEMENTARY INFORMATION

**VAUGHN NEXT CENTURY LEARNING CENTER
LOCAL EDUCATION AGENCY ORGANIZATION STRUCTURE
YEAR ENDED JUNE 30, 2023
(SEE INDEPENDENT AUDITORS' REPORT)
UNAUDITED**

Vaughn Next Century Learning Center (Vaughn) began operations as an independent charter school on July 1, 1993. Vaughn is charter school number 16 in the state of California. Vaughn's current charter was approved by the Los Angeles Unified School District on July 1, 2008 and a new one renewed on July 1, 2018. Vaughn is located at 13330 Vaughn Street, San Fernando, California in the San Fernando Valley of the County of Los Angeles. It serves an attendance area of approximately 12 square miles including the cities of Pacoima, San Fernando, and Sylmar. Vaughn operates 5 campuses: the primary center serving preschool through grade 1; the lower elementary, serving grades 2 and 3; the upper elementary, serving grades 4 and 5; the middle school serving grades 6 through 8; and the high school, serving grades 9 through 12.

The Board of Directors and the Administrators as of June 30, 2023 were as follows:

<u>Member</u>	<u>Board of Directors Office</u>	<u>Term Information</u>

**VAUGHN NEXT CENTURY LEARNING CENTER
NOTES TO SUPPLEMENTARY INFORMATION
JUNE 30, 2023**

PURPOSE OF SCHEDULES

NOTE 1 SCHEDULE OF INSTRUCTIONAL TIME

This schedule presents information on the amount of instructional time offered by Vaughn and whether Vaughn complied with the provisions of California Education Code.

NOTE 2 SCHEDULE OF AVERAGE DAILY ATTENDANCE

Average daily attendance is a measurement of the number of pupils attending classes of Vaughn. The purpose of attendance accounting from a fiscal standpoint is to provide the basis of which apportionments of state funds are made to charter schools. The schedule provides information regarding the attendance of students at various grade levels.

NOTE 3 RECONCILIATION OF ANNUAL FINANCIAL REPORT WITH AUDITED FINANCIAL STATEMENTS

This schedule provides the information necessary to reconcile the net assets of the charter schools as reported on the Annual Financial Report form to the audited financial statements.

NOTE 4 SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of Vaughn under programs of the federal governmental for the year ended June 30, 2023. The information in this Schedule is presented in accordance with the requirements of the Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of operations of Vaughn, it is not intended to and does not present the financial position, changes in net assets, or cash flows of Vaughn.

NOTE 5 INDIRECT COST RATE

Vaughn has elected not to use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors
Vaughn Next Century Learning Center
San Fernando, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Vaughn Next Century Learning Center (Vaughn), a nonprofit California public benefit corporation, which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, the related notes to the financial statements, and have issued our report thereon dated December 13, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Vaughn's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Vaughn's internal control. Accordingly, we do not express an opinion on the effectiveness of Vaughn's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

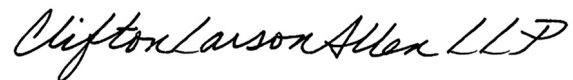

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Vaughn's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

A handwritten signature in cursive script that reads "CliftonLarsonAllen LLP".

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR
FEDERAL PROGRAM, AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE
REQUIRED BY THE UNIFORM GUIDANCE**

Board of Directors
Vaughn Next Century Learning Center
San Fernando, California

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Vaughn Next Century Learning Center (Vaughn)'s compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of Vaughn's major federal programs for the year ended June 30, 2023. Vaughn's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, Vaughn complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Vaughn and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Vaughn's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to Vaughn's federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Vaughn's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Vaughn's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Vaughn's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Vaughn's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Vaughn's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON STATE COMPLIANCE AND REPORT ON INTERNAL CONTROL OVER STATE COMPLIANCE

Board of Directors
Vaughn Next Century Learning Center
San Fernando, California

Report on Compliance **Opinion on State Compliance**

We have audited Vaughn Next Century Learning Center's (Vaughn) compliance with the types of compliance requirements applicable to Vaughn described in the *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, published by the Education Audit Appeals Panel for the year ended June 30, 2023. Vaughn's applicable state compliance requirements are identified in the table below.

In our opinion, Vaughn complied, in all material respects, with the compliance requirements referred to above that are applicable for the year ended June 30, 2023.

Basis for Opinion

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*. Our responsibilities under those standards and *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Vaughn and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion. Our audit does not provide a legal determination of Vaughn's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Vaughn's state programs.

Auditors' Responsibility for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Vaughn's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and *2021-2022 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Vaughn's compliance with the requirements of the government program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Vaughn's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Vaughn 's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* but not for the purpose of expressing an opinion on the effectiveness of Vaughn's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Compliance Requirements Tested

In connection with the audit referred to above, we selected and tested transactions and records to determine Vaughn’s compliance with the laws and regulations applicable to the following items:

Description	Procedures Performed
School Districts, County Offices of Education, and Charter Schools:	
California Clean Energy Jobs Act	Not Applicable ¹
After/Before School Education and Safety Program	Yes
Proper Expenditure of Education Protection Account Funds	Yes
Unduplicated Local Control Funding Formula Pupil Counts	Yes
Local Control and Accountability Plan	Yes
Independent Study-Course Based	Not Applicable ²
Immunizations	Not Applicable ³
Educator Effectiveness	Yes
Expanded Learning Opportunities Grant (ELO-G)	Yes
Career Technical Education Incentive Grant (CTEIG)	Not Applicable ⁴
Transitional Kindergarten	Yes
Charter Schools:	
Attendance	Yes
Mode of Instruction	Yes
Nonclassroom-Based Instruction/Independent Study	Not Applicable ⁵
Determination of Funding for Nonclassroom-Based Instruction	Not Applicable ⁶
Annual Instructional Minutes – Classroom Based	Yes
Charter School Facility Grant Program	Not Applicable ⁷

Not Applicable¹: Vaughn did not have any expenditures for California Clean Energy Jobs Act in the year under audit or a completed project between 12 and 15 months prior to any month in the audit year.

Not Applicable²: Vaughn did not report ADA pursuant to Education Code section 51749.5.

Not Applicable³: Vaughn did not have any charter school subject to audit of immunizations as listed in the California Department of Public Health (CDPH) website as listed in the *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*.

Not Applicable⁴: Vaughn did not receive a CTEIG allocation for the audit year.

Not Applicable⁵: Vaughn did not report ADA to the CDE as generated through nonclassroom-based instruction (independent study).

Not Applicable⁶: The School did not report more than 20% of its ADA as generated through nonclassroom-based instruction (independent study).

Not Applicable⁷: Vaughn did not receive Charter School Facility Grant Program funding for the year audited.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that a material noncompliance with a compliance requirement will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention from those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit, we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the *2022-2023 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*. Accordingly, this report is not suitable for any other purpose.

Our audit did not disclose any matters required to be reported in accordance with *Government Auditing Standards*.

Section III – Findings and Questioned Costs – Major Federal Programs

Our audit did not disclose any matters required to be reported in accordance with 2 CFR 200.516(a).

Findings and Questioned Costs – State Compliance

There were no findings or questioned costs related to state awards for June 30, 2023.

**VAUGHN NEXT CENTURY LEARNING CENTER
SCHEDULE OF PRIOR AUDIT FINDINGS
YEAR ENDED JUNE 30, 2023**

The findings from the prior audit's schedule of findings and questioned costs are discussed below. The findings are numbered consistently with the numbers assigned in the prior year.

FINDINGS – FINANCIAL STATEMENT AUDIT

There were no financial statement findings in the prior year.

FINDINGS – FEDERAL AWARD PROGRAMS AUDITS

There were no federal award program audit findings in the prior year.

FINDINGS – STATE COMPLIANCE

2022-001 Nonclassroom Based Instruction/Independent Study 40000

Criteria: Per Education Code section 51747(c), every written independent study agreement must contain signatures, no later than 30 days after the first day of independent study instruction or October 15, whichever comes later by the pupil, the pupil's parent, legal guardian or caregiver, the certificated employee who was designated as having responsibility for the general supervision of the pupil's independent study, and all other persons, if any, who had direct responsibility for providing assistance to the pupil.

Condition: During nonclassroom-based/independent study pupil testing we found that 1 pupil in eleventh grade, did not sign the independent study master agreement until February 2, 2022 and ADA was claimed as generated through independent study for this pupil starting September 2, 2021.

Effect: Vaughn is not in compliance with Education Code section 51747(c) and over-reported ADA by 0.72.

Cause: Return to in-person instruction from COVID complicated efforts to obtain all required signatures.

Status: Not applicable, Vaughn did not report ADA to the CDE as generated through nonclassroom based instruction (independent study).
