## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

Center Flyers are . . . Learners today, leaders tomorrow!

At Center, we partner with our community, PTA and many other parent groups. Our PTA is an integral part of our educational program and school community plans many great activities and events throughout the school year. We are proud of our PBIS Program, our Playworks Program, our Robotics Program, our partnership with Anchored4Life, and our active Student Council.

### Profile

Center is one of five elementary schools in the Travis Unified School District. The school was built in 1958, and presently has 25 classrooms. The site has a very large playground and also 4 acres of grassed playing field on the top deck. Currently, there are approximately 590 Transitional kindergarten through sixth grade students enrolled.

Community support for the school is strong, especially in support roles. Community members provide direct support to students and teachers by working in the classrooms and the Library Media Center. The Parent Teacher Association has been very active and has provided fund raising activities which have helped support field trips, assemblies, and seasonal events.

### Center Elementary Vision

Learners today, leaders tomorrow

### Center Elementary Mission Statement

The Center Elementary school community is committed to the academic achievement of ALL students. We develop respectful, caring, empowered thinkers who are engaged in their own learning and ready for the challenge of a diverse, ever-changing global society. Our school promotes a safe, respectful, responsible and kind environment that establishes high expectations for student success, provides differentiated support for students and embraces a high level of family involvement.

We are . . . Caring Empowered Noble Thinkers Engaged Respectful

### Travis Unified School District Goals

Focus on instructional and institutional excellence to promote equity for all, close the achievement gap, and improve student learning in preparation for opportunities beyond high school including college and career.

## 2023-24 School Description and Mission Statement

Ensure a safe and productive environment using support systems to maintain calm classrooms focused on learning and to enhance student social and emotional wellness.

Enhance constructive communication within and outside the school community with a special focus on involving parents as active partners in their child's education.

Provide basic services and manage resources responsibly while maintaining the collaborative budget process.

Enhance, create, and modernize facilities that support lifelong educational programs.

PLEASE NOTE: During the 2023-2024 school year, we will be updating this school website location to <http://center.travisusd.org/>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	0.00	0.00
Vacant Positions	0.00	0.00
<b>Total Teachers Without Credentials and Misassignments</b>	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	1.00
Local Assignment Options	0.00	0.00
<b>Total Out-of-Field Teachers</b>	0.00	1.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Travis Unified School District held a public hearing on September 26, 2023 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

## School Facility Conditions and Planned Improvements

Center Elementary is an older school but is in good shape. Our school custodians keep our school clean and the district keeps our site in good repair. New exterior doors were installed in April 2023 which were a significant upgrade to our previous doors. Our playgrounds and surface material under the playgrounds need repairs/replacement.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	46	42	52	48	47	46
<b>Mathematics</b> (grades 3-8 and 11)	40	30	35	36	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2023-24 Opportunities for Parental Involvement

We have a high level of parent engagement and involvement at Center Elementary School. There are numerous opportunities for parent involvement. Parents can volunteer in the classroom, on the playground, on field trips, at special events, or with the PTA. They can also participate on our School Site Council assisting in the budget, School Site Plan and Safety Plan. Parents of English Language Learners have the opportunity to participate on the English Language Learner Advisory Committee or on the district level committee. Fathers, uncles and grandfathers can participate in the Watch Dog Dad's group and volunteer in a variety of ways. The Superintendent's Advisory Committee, The Budget Advisory Group, and the Facility Committee include parent representatives from Center. Our school also benefits from partnerships with local businesses and services in our local community.

##### Contact Information:

Parents who wish to participate in Center Elementary School's leadership teams, school committees, school activities, or become a volunteer may contact the school at (707) 437-4621.

## 2023-24 School Safety Plan

The safety of students and staff is a primary concern of Center Elementary School. The Comprehensive School Site Safety Plan is evaluated and revised annually in the fall by the principal and members of the School Site Council (SSC). The revisions are then shared with the entire staff. This year, the Comprehensive School Safety Plan was reviewed, updated and approved by the School Site Council on November 28, 2023 and was sent to the District for review. The final step is approval of our Comprehensive School Safety Plan by the School Board. Key elements of the Safety Plan are the school's physical environment, social environment, cultural environment, and the Emergency Response Team. Included within the School Site Safety Plan is a disaster preparedness plan which lays out steps that are to be taken to ensure student and staff safety during a disaster. Our Emergency Plan follows the National Emergency System model. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Fire and disaster drills are conducted on a regular basis throughout the school year. Students are supervised before-and-after school and during recess by staff. During lunch, staff and noon duty supervisors monitor students. In addition, we also have traffic supervisors after school to ensure student safety for during dismissal times. All visitors to the school must sign in first at the school office and receive a visitor's badge.

## Fiscal Year 2022-23 Types of Services Funded

Travis Unified receives Local Control Funding Formula (LCFF) funding from the state. Part of this funding is Supplemental Grant Funding (SGF) which is used to meet the needs of low-income students, English learners, foster youth, and homeless children. In addition, we receive Title I funding, which is used at the middle school to provide targeted instruction and other support for struggling students. Title I funding is also used for professional development. We receive Title II funding for professional development, and Title III funding to support English learners. We also receive some funding for Special Education.

With LCFF, districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP) and LCFF Budget Overview for Parents. The LCAP and budget must demonstrate how the district is using funds to address the eight state priority areas and improve outcomes for all students as well as specific student subgroups.

The eight state priority areas are student achievement, implementation of state standards, student engagement (attendance and dropout rates), school climate, parent involvement, basic services, course access, and other locally determined student outcomes.
