2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

ATLAS Learning Academy serves K-12 students using a hybrid teaching model designed to provide customized and active learning emphasizing Achievement Through Leadership Adventure and Service. We believe in creating an experience between students, teachers, and parents to develop a connected and committed professional learning environment to develop:

1. An understanding of one's own strength, talents, and skills as well as appreciation for others in the pursuit of excellence.
2. The inclination, desire, academics, and technological skills necessary to expand one's own abilities and knowledge base.
3. A realistic self-confidence.
4. The ability to harness knowledge to work cooperatively and independently to solve unexpected problems, think creatively and critically, and persuasively convey ideas.
5. A new balance between the fast-paced technological world and the natural world.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X			Gas systems and pipes appear safe, functional, and free of leaks. There is no odor that would indicate a gas leak. Gas pipes are not broken and appear to be in good working order. Heating, ventilations, and air conditioning systems (HVAC) as applicable are functional and unobstructed. The HVAC system is operable. Sewer line stoppage is not evident. there

School Facility Conditions and Planned Improvements

			are no obvious signs of flooding caused by sewer line back-up in the facilities or on the school grounds.
Interior: Interior Surfaces		X	Room 10: Carpet seam visible Interior surfaces appear to be clean, safe, and functional.
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	X		School grounds, buildings, common areas, and individual rooms appear to have been cleaned regularly. Pest or vermin infestation are not evident. there is not evidence of major pest or vermin infestation.
Electrical	X		There is no evidence that any portion of the school has a power failure. There are no exposed electrical wires. Electrical equipment is properly covered and secured from pupil access. Lighting appears to be adequate and working properly, including exterior lights.
Restrooms/Fountains: Restrooms, Sinks/ Fountains		X	Restrooms in the vicinity of the area being evaluated appear to be accessible during school hours, clean, functional and in compliance with SB 892 (EC Section 35292.5). Drinking fountains appear to be accessible and functioning as intended.
Safety: Fire Safety, Hazardous Materials	X		The fire equipment and emergency systems appear to be functioning properly. The fire sprinklers appear to be in working order (e.g. there are no missing or damaged sprinkler heads). Emergency alarms appear to be functional. Emergency exit signs function as designed, exits are unobstructed. There does not appear to be evidence of hazardous materials that may pose a threat to pupils or staff. Hazardous chemicals, chemical waste, and flammable materials are stored properly(e.g. locked and labeled properly).
Structural: Structural Damage, Roofs		X	Room 9: Dry rot evident on exterior siding There does not appear to be structural damage that has created or could create hazardous or uninhabitable conditions. Severe cracks are not evident. Ceilings and floors are not sloping or sagging beyond their intended design. Posts, beams, supports for portable classrooms, ramps, and other structural building members appear to be intact, secure and functional as designed. There is no visible evidence of severe cracks, dry rot, mold or damage that undermines the structural components. Roof systems appear to be functioning properly.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	X		the playground equipment and school grounds in the vicinity of the area being evaluated appear to be clean, safe, and functional. Conditions that pose a safety and/or security risk are not evident. There is no exposed broken glass accessible to pupils and staff. exterior doors and gates are functioning and do not pose a security risk.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Prior to enrollment, parents and students meet individually with the coordinator to review the expectations of the school and current credit status. Parents are encouraged to attend weekly academic meetings with their child and the teacher. Parents are also encouraged to visit school during instructional hours but will be asked to follow visitor guidelines by signing in at the front office. The staff and the principal maintain an open door policy. A "Remind App" is used to communicate with parents by text. A parent representative sits on the School Site Council. The school hosts various events to encourage parents and other supportive adults to come tour campus and meet staff.

C. Engagement

State Priority: Pupil Engagement

2023-24 School Safety Plan

Goal:

To create and facilitate a positive and caring learning environment in which all students feel safe, experience success, and build self-esteem.

Objectives:

To provide and facilitate an engaging learning environment that is free of distractions, with the discipline policy applied fairly, consistently, and timely; and allows for personal growth.

Related activities:

- a. Consistently enforce the discipline policy and model appropriate classroom behaviors.
- b. Explain the District's attendance policies, procedures, expectations and consequences with students during intake meeting.
- c. PHS Period Schedule: students assigned to content area classrooms each period.
- d. Counselor on campus Monday - Friday.
- e. Develop and implement outdoor education experiences that help facilitate student success.
- e. Celebrate students academic, attendance and citizenship successes

ATLAS participates with Phoenix High School in developing a comprehensive safety plan. This plan was revised and updated in January, 2024. The school safety plan is comprised of district protocols, policies, and procedures for emergencies. Our updated school safety plan is designed based on the Standard Response Protocol (SRP) system, that includes different levels of response including Lockout, Lockdown, Evacuate, and Shelter. Drills for each response are practiced multiple times each year, based on state law and district office directives.
