2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

First Street School is located at 1400 First Street in Lincoln, California. The school is one of eight elementary schools in the Western Placer Unified School District. The school serves transitional kindergarten through fifth grades, a county preschool, and some district special programs. The enrollment is 450 with two to three classes at each grade level. The ethnic composition of the student body is 52% Hispanic, 30% Caucasian, and 18% other designations. English and Spanish are the most common languages spoken in the community. The school houses the Elementary Academy which serves the district's 3rd-5th Gifted and Talented Education (GATE) and high achieving elementary students. Support services include a Special Education Resource Program, Speech and Language, an Intervention Service Provider, we are a PBIS school, and we are working towards becoming a school-wide AVID showcase school. At First Street School, students and parents are valued and treated with respect. Our ultimate goal is to collaboratively create an educational atmosphere that is safe and enriching for all students. Parents play a vital role at FSS with their active participation and involvement in the School Site Council (SSC), English Language Advisory Committee (ELAC), the Parent Teacher Club (PTC), annual events, monthly Coffee Chats with the principal, Family Learning Nights, and volunteering at the school and in the classrooms. Activities include but are not limited to an annual FUN RUN, a Harvest Festival, dinner nights at local restaurants, an annual Book Fair, school assemblies, StarStruck and Choir performances and more.

Students are provided with a Common Core curriculum, which has been designed to help each student achieve the best results possible. As mentioned above, we are working towards becoming a school-wide AVID showcase school. Students are challenged and inspired to reach their potential through meaningful and engaging lessons and activities. Students are given the opportunity to learn through cross-curricular and hands-on activities involving STEAM and technology.

Some additional opportunities available include:

- *Science curriculum taught by a science specialist
- *School-wide music program taught by a music specialist
- *After-school choir program for upper grades
- *After-school dance troupe for all grades
- *Student leadership program for 4-5 students
- * Roadrunner Ambassadors program
- * After school enrichments: choir, dance troupe, homework club.
- * Staff trained in GLAD and TESS instructional strategies
- * 1-1 Chromebook to student ratio

2023-24 School Description and Mission Statement

- * Robotics taught during science time for grades 3-5
- * "B.E.E.P." school rules founded on PBIS (Positive Behavior Intervention Supports) and more than half the staff trained in Youth Development Institute principals for school engagement.
- * Physical education opportunities including a circuit training program provided by Sami's Circuit and a dance program/performance taught by StarStruck Showcase.

Mission Statement - "Purpose"

"We are learners."

Vision Statement - "Compelling Future"

"We believe that we are responsible for ensuring that all students learn at high levels by removing barriers to learning, working collaboratively to meet student needs, and using evidence-based practices to provide just-right instruction for every student."

Motto - "We're going places!"

Values - "Collective Commitments"

To achieve our vision, we are committed to working collaboratively to:

Promote the positive in all interactions with students, staff, and community members.

Think positively

Act positively

Be positive

Share data with colleagues to help facilitate intervention/enrichment that is appropriate.

Meet the needs of all students by using assessments on an ongoing basis to adjust our instruction.

Support and encourage all students to use their learning tools to cooperatively aspire to reach their own best abilities and efforts.

Greet and acknowledge students to help foster a sense of belonging.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents play important roles at First Street School through their active participation and involvement in School Site Council (SSC), English Learner Advisory Committee (ELAC), Parent Teachers Club (PTC), Coffee Chats with the principal, Family Learning Nights, annual events and regular volunteering in the classrooms. First Street School is becoming a focal point and community center for students and their parents. We have begun a more extensive process for reviewing school information with staff, district, and community stakeholders. In addition, a parent survey has been conducted the past two years to get some feedback on how the community felt we were doing and where they would like to see some improvements and changes. We communicate extensively through our school website; the "Roadrunner Weekly" newsletter; school App notifications; Parent Square calls and emails; our Facebook page; and Peach Jar flyers.

2023-24 School Safety Plan

Western Placer Unified School District has a full and comprehensive Safe School Plan for all district sites and facilities. A well planned and trained Crisis Response Support Team has been identified to respond to a full array of potential emergencies. Monthly drills are planned and carried out annually, as well as a school-wide evacuation/reunification drill. A new district-wide communication system for emergency use only has been recently installed. A copy of the complete plan is on file at each site. We also continue to enhance our camera system to add better schoolwide surveillance coverage.

A safety plan was also developed for First Street School. A committee composed of administration, certificated and classified personnel, parents, and law enforcement reviews the plan annually and revises it as deemed necessary.

Professional Development

For the last five years, First Street School has participated in staff development opportunities focused on effective first instruction (AVID, TESS, GLAD, ELL, Ready Common Core) and school climate and culture (YDI, PBIS) in addition to the work in the effective implementation of the Common Core State Standards. Currently, we are going through continued AVID training and PLC development. The staff has also engaged in additional training provided by the district, county office of education and the school site. Additionally, many opportunities are available for staff development credit, both during the school day/year and after hours.

This table displays the number of school days dedicated to staff development and continuous improvement.
