Issue 8 – 2 February 2024

Y8 – Y9 Girls into Engineering Residential, 13-15 August

Do you love the idea of using science and maths to make a positive impact on the world, or are you a natural problem-solver with a creative flair? This residential at Loughborough University run by The Smallpeice Trust, might be for you.

You will enjoy an immersive experience working alongside industry experts, testing your technical and team skills. There will be fun, action-packed days filled with hands-on activities and exciting challenges. In the evenings, there will be a carefully crafted programme of social activities, led by The Smallpeice Trust's experienced youth delivery experts and supervisors - a perfect blend of education and entertainment.

Find out more and sign up here. [Girls Into Engineering 2024 \(residential\) \(smallpeicetrust.org.uk\)](https://smallpeicetrust.org.uk) There is a charge.

Pilot Careers Live, 20 April, London

If you would like to find out more about a career as a professional pilot, head down to Pilot Careers Live at London Heathrow. Students will get the answers to key questions such as understanding the selection process, costs, salaries and opportunities. Register here - [UK - London - Pilot Career News](#) :

[Pilot Career News](#) There is a charge for this event.

Y9 – Y10 Virtual Routes into STEM, February half term

Do you enjoy Science, Technology, Engineering and Maths based subjects? Would you like to know more about a career in STEM?

Join this virtual programme over half term and join in projects and

activities which will enhance your problem-solving, critical thinking, creativity and innovation skills. Projects include a Biopharm challenge from GSK, a Design challenge from Balfour Beatty and a Royal Society of Chemistry challenge.

You will also gain the Bronze Industrial Cadets Award. For more information and to register, click here - [Routes into STEM | EDT \(etrust.org.uk\)](#) There is a charge.

Unifrog Apprenticeship Fair 2024, 7 Feb, 4.30pm – 7pm

Are you thinking of an apprenticeship? Join the Unifrog virtual fair to learn all about the world of apprenticeships. Explore the latest apprenticeship opportunities, attend live sessions with top employers including BBC, British Army, KPMG, Lloyds Banking Group and Unilever. Network one-to-one to get top tips on how to find and apply for your dream apprenticeship.

Sign up on your Unifrog Homepage

Y7 – Y13 National Apprenticeship Week, 5 Feb

To celebrate National Apprenticeship Week, Careers LIVE are hosting an array of broadcasts that celebrate and showcase apprenticeship programs and the remarkable achievements of apprentices. Companies such as M Group Services, National Nuclear Laboratory, Arnold Clark, Weightmans, ABP Beef, BT, and many more will be joining each day. They will be discussing the stereotypes surrounding apprenticeships and highlighting the incredible opportunities they offer within their organisations, including degree apprenticeships. This is a fantastic chance to hear directly from current apprentices about their own experiences.

You can register for NAW 2024 LIVE by clicking on the following link [Channel - Careers Live \(careersliveuk.com\)](https://careersliveuk.com)

Y11 – Y12 PwC Virtual Insight Programme

Are you thinking of a career in Audit, Consulting, Tax or Technology? Join this PwC Virtual Insight programme, a 3-day experience designed to give you an insight into PwC: their lines of service, their culture, the work they do and how you can join them as a school leaver. PwC offer some amazing school leaver opportunities but they are highly competitive. Joining one of these programmes can be a great way to get your name known and get ahead.

Further information and application link can be found in the job description [here](#)

Y10 – Y12, Medicine/Vet/Dentistry, Apprenticeships, Oxbridge, Studying Overseas talks, 6 February

Applications in all of these areas are highly competitive. Join us on Tuesday evening for online talks hosted by relevant staff members. We will look at each area in detail to enable you to prepare a strong application. Details have been sent home.

Do you want to know more?? Read, Watch, Listen

Do you want to know more about a particular subject? Do you want to expand your knowledge? Take a look at the Read, Watch, Listen tile on your Unifrog Homepage to find some really interesting things that you can read (e.g. books, magazines), watch (e.g. films) and listen to (e.g. podcasts, TED talks). This will be great for you and great to talk about in your university application. Take a look...
