

November 2023

Message from the Principal:

This month of November we focus on the “I” of GRRIT which is Integrity. Integrity is doing the right thing when others aren’t watching. What an important life skill we can teach our children! We invite you to partner with us this month in catching your children doing the right thing. Another focus of this month for our staff is finding the positive. As 2023 comes to a close, we want to focus on the great things that are happening in our school and in and out of the classroom. When your children return home from school, ask them what great things happened during the school day. When we turn on the TV or open a newsfeed often it is filled with negativity. Let’s try and change the feeling and the tone this month to positivity and integrity. We want to thank all of you for your participation in Trunk or Treat. Thank you for donating the candy and participating in the event. It was a huge success!! School events are impossible without your support, we are so grateful for your work. We ask you to please consider joining the PTA. The PTA board does amazing work, and we are very grateful for their continued support.

Please consider making a Tax Credit Donation. The funds directly support our school with field trips, support staff, materials and other extra-curricular activities. Couples can donate up to \$400 dollars, and single individuals can donate up to \$200. Invite your friends and family to donate. Scan the QR code below to donate. Thank you for supporting our superheroes!!

Thank you-

Olivia Parry
Principal
