LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: Inspire Charter School - Kern

CDS Code: 15636280134312

Local Control and Accountability Plan (LCAP) Year: 2019-20

LEA contact information: Hollie Smith, Senior Director

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

Budget Overview for the 2019-20 LCAP Year

This chart shows the total general purpose revenue Inspire Charter School - Kern expects to receive in the coming year from all sources.

The total revenue projected for Inspire Charter School - Kern is \$67,532,768, of which \$62,077,262 is Local Control Funding Formula (LCFF), \$5,016,904 is other state funds, \$ is local funds, and \$438,602 is federal funds. Of the \$62,077,262 in LCFF Funds, \$4,529,045 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much Inspire Charter School - Kern plans to spend for 2019-20. It shows how much of the total is tied to planned actions and services in the LCAP.

Inspire Charter School - Kern plans to spend \$67,211,152 for the 2019-20 school year. Of that amount, \$33,217,309 is tied to actions/services in the LCAP and \$33,993,843 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

Classified salaries/benefits, administrator salaries/benefits, instructional materials, operations, professional services, and facility-related costs. The cost of our instructional materials is significant because we offer a variety of educational platforms including online courses, blended models of online course work, enrichment opportunities, and individual tutoring services.

Increased or Improved Services for High Needs Students in 2019-20

In 2019-20, Inspire Charter School - Kern is projecting it will receive \$4,529,045 based on the enrollment of foster youth, English learner, and low-income students. Inspire Charter School - Kern must demonstrate the planned actions and services will increase or improve services for high needs students compared to the services all students receive in proportion to the increased funding it receives for high needs students. In the LCAP, Inspire Charter School - Kern plans to spend \$4,529,045 on actions to meet this requirement.

LCFF Budget Overview for Parents

Update on Increased or Improved Services for High Needs Students in 2018-19

This chart compares what Inspire Charter School - Kern budgeted last year in the LCAP for actions and services that contribute to increasing or improving services for high needs students with what Inspire Charter School - Kern estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

In 2018-19, Inspire Charter School - Kern's LCAP budgeted \$2,277,170 for planned actions to increase or improve services for high needs students. Inspire Charter School - Kern estimates that it will actually spend \$2,277,170 for actions to increase or improve services for high needs students in 2018-19.

2017-20 Plan Summary

The Story

Describe the students and community and how the LEA serves them.

Inspire Charter School - Kern is a tuition-free public charter school offering personalized student learning in grades TK through 12 . We offer multiple educational programs and encourages parents to customize their child's learning experience to help address individual learning needs. Under the direction of caring, appropriately credentialed teachers, students complete an independent study and small group instruction online programs. Students can choose to complete their educational experience completely online, participate in a blended model of online coursework with some direct instruction, complete some offline textbook work, participate in homeschool curriculum, enroll in project-based courses, and enjoy enrichment opportunities.

LCAP Highlights

Identify and briefly summarize the key features of this year's LCAP.

This year, we are adding Actions/Services intended to help improve our high school graduation rates and to increase our student performance including:

- Implement four-year graduation rate needs assessment and root cause analysis including related professional development (Goal 4, Action1)
- Implement Project Recovery for students, particularly for unduplicated students including those who are English Learners, Foster Youth, or have a low socio-economic background. (Goal 4, Action 4); and
- Targeted Professional Development for teachers to support students who are performing below grade level standard on the Smarter Balance Assessment or STAR360 (Goal 2, Action 4)

Review of Performance

Based on a review of performance on the state indicators and local performance indicators included in the California School Dashboard, progress toward LCAP goals, local self-assessment tools, stakeholder input, or other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

Greatest Progress

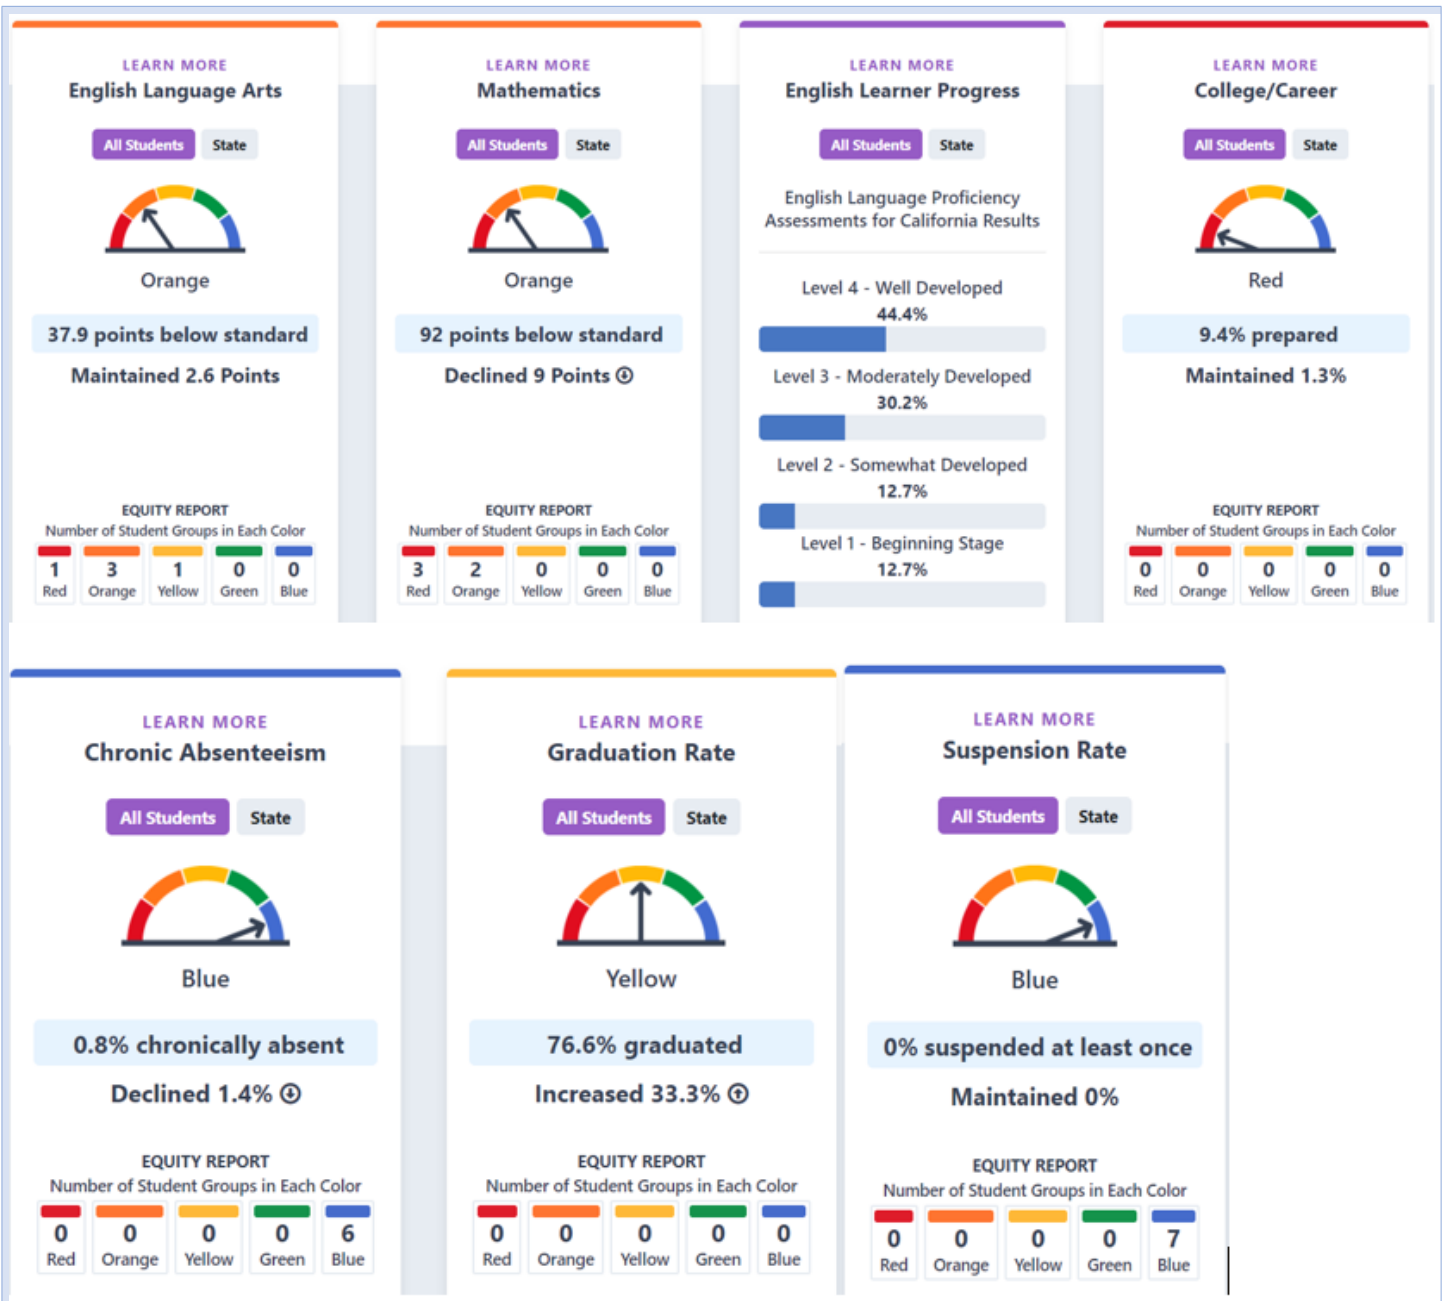

We've implemented an RTI model, English Language Development instructional program, and Specialized Academic Instruction services to support students, as well as wet labs for science classes. Additionally, we are emphasizing a data-informed culture as evidenced by the hiring of a Dean of Academics, Director of Student Achievement and Accountability, and Coordinator of Professional Development. Further, we have implemented a schoolwide benchmark assessment window after which teachers analyze results and create individualized student goals.

A review of the 2018 California Schools Dashboard results demonstrates, our Graduation Rate Indicator score improved by 33.3% (76.6%). Further, Chronic absenteeism declined by 1.4% (0.8%), and received a blue performance color.

Referring to the California School Dashboard, identify any state indicator or local performance indicator for which overall performance was in the "Red" or "Orange" performance category or where the LEA received a "Not Met" or "Not Met for Two or More Years" rating. Additionally, identify any areas that the LEA has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

Greatest Needs

Our College & Career Indicator overall score on the California Schools Dashboard is "Red." Our ELA and Math indicator overall score is "Orange". Our SWD (student with disabilities) group received a score of "Red" for both ELA and Math Indicators. Additionally, our SES (socioeconomic disadvantaged), and Hispanic subgroups received a score of "Red" on the Math Indicator. Our White and two or more races subgroups received an "Orange" performance on the Math Indicator. Also our SES (socioeconomic disadvantaged), Hispanic, and two or more races subgroups received an "Orange" score on the ELA Indicator. Further, we received an overall score of "Red" on the College Career Indicator. We are addressing our needs through several initiatives including collaborating with local colleges to increase the number of dual enrollment and Career Technical Education (CTE) courses we offer to students. Further, we are reviewing our CTE course pathways and codes within our Student Information System to track student completion better CTE course sequences. We are also actively collaborating with San Diego State University to conduct a root cause analysis of our graduation rates and to plan actionable steps towards a unified, strategic approach to continuous improvement including timelines, staff responsibilities, and needed materials. Our four-year graduation rate on the Dashboard is 76.6% or a score of "Yellow."

Referring to the California School Dashboard, identify any state indicator for which performance for any student group was two or more performance levels below the “all student” performance. What steps is the LEA planning to take to address these performance gaps?

Performance Gaps

Based on the California School Dashboard, we did not have any performance gaps between any student groups. A performance gap occurs when any student group is two or more performance levels below the "all student" performance. Our schoolwide learning objectives (SLOs) were revised through an inclusive process that involved all stakeholder groups to ensure alignment to standards, curriculum, instruction, assessment, and school culture. We have implemented an RTI model, English Language Development instructional program, and Specialized Academic Instruction services to support students. To increase our review of and decisions based on student performance data, we added a Dean of Academics, Director of Student Achievement and Accountability, and Coordinator

of Professional Development. We have also introduced a schoolwide benchmark assessment window after which teachers analyze results and create individualized student goals. We are also actively collaborating with San Diego State University to conduct a root cause analysis of our student performances on the Dashboard Academic Indicator and to plan actionable steps towards a unified, strategic approach to continuous improvement including timelines, staff responsibilities, and needed materials.

Comprehensive Support and Improvement

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts.

Schools Identified

Identify the schools within the LEA that have been identified for CSI.

Inspire Charter School - Kern

Support for Identified Schools

Describe how the LEA supported the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.

Inspire Charter School Kern will develop a needs assessment focused on low high school graduation rates in collaboration with a variety of stakeholder groups including parents, students, staff, and leadership. Initial data will consist of Dashboard graduation rates for all subgroups, course enrollments, and related perceptions and school process data through interviews, observations, focus group interviews, and questionnaires. The results of the needs assessment will provide us with an idea of strengths and weaknesses related to school-level systemic approaches, professional capacity, and the viability of resources. We will then create a data analysis team composed of a variety of stakeholders including staff and school leadership and analyze data. The data analysis

team will then prioritize needs related to graduation rates and determine root causes resulting in a needs assessment summary and actionable steps towards a unified, strategic approach to continuous improvement including timelines, staff responsibilities, and needed materials. The data analysis team will then present its needs assessment summary to other stakeholders and collaboratively review evidence-based practices known to have a statistically significant effect on improving high school graduation rates (What Works Clearing House-WWC) to determine if any may address identified root causes.

Monitoring and Evaluating Effectiveness

Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

Inspire Charter School Kern will continue its needs assessment and root cause analysis in an iterative manner. Evidence will be discussed during monthly professional development sessions and collected/analyzed in accordance with CSI reporting periods (July 31, 2018, November 30, 2019, March 31, 2020, and July 31, 2020) to keep the improvement process guided toward desired outcomes. Regular professional development sessions will also be used to present evidence-based practices known to have a statistically significant effect on improving high school graduation rates (What Works Clearing House-WWC), planned action steps, and to build district and school leadership capacity facilitating a unified, strategic CSI plan. The CSI plan will be supported with Action/Services within LCAP Goal 4 that make explicit reference to CSI funds.

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

We successfully implemented actions/services related to this goal including quality control protocols to ensure all staff are appropriately credentialed, professional development for staff and parents, an RTI program, and communication with parents.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

Overall the actions/services of this goal effectively helped achieve the goal. For example, 1,518 students participated in teacher-led field trips, an increase of 1,268 as compared to last year. Over 500 families participated in school events including Back to School and all met monthly with their child's home school teacher. Our attendance rate remains steady at 95% while our chronic absenteeism declined by 1.4% to 0.8% from last year. However, we wanted all families to participate in our stakeholder survey. 446 parents returned surveys this year.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

The significant decrease in Action 1 expenditures reflects a miscalculation in expected costs. Increased costs within Action 3 reflects an increased number of students participating in our intervention protocol. Action 4 expenditures are significantly reduced because costs are subsumed within Action 1, Goal 1.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

We did not make any substantive changes to this goal, expected outcomes, metrics, or actions and services to achieve this goal

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

Overall, we implemented all planned actions/services including administering Star360 benchmarks, implementing an RTI to support student success, supporting ELs, and adding college and career readiness courses.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

Action 2 (RTI model) and 4 (career pathways) were not as effective as intended. We would have liked to see an increase in the number of students who meet grade-level proficiency after participating in assigned interventions. Further, we want to implement additional CTE courses and pathways. This year we began to meet with representatives from Palomar Community College to explore available CTE pathways for our students. Further, we need to improve our CAASPP participation rate and performance. 37% of our

students scored at Standard Met or Exceeded on the ELA state assessment while only 16% did likewise for math. However, 74.4% of our students scored at Level 3 or 4 on the English Learner Progress Indicator and 29.4% reclassified.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

The reduction of Action 2 expenditures reflects a decrease in software costs.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

We did not make any substantive changes to this goal, expected outcomes, metrics, actions or services as a result of our analysis. However, we have reached out to local community colleges such as Palomar and San Diego City College to form partnership in supporting student's with access to CTE courses and dual enrollment

Impact on LCAP and Annual Update

How did these consultations impact the LCAP for the upcoming year?

1. Enrichment Opportunities- Both parents and students indicate they enjoy field trips because they help contextualize learning and would like more of them. In particular, students are interested in more science and local history based field trips. Also, parents indicate they enjoy hands-on enrichment academies and believe they would be even more beneficial if enrollment in academies were

based on grade-level. LCAP Goal 1, Action 3 is intended to support enrichment opportunities. We will embed parent and students suggestions regarding enrichment opportunities within this Action.

2. Communication- Parents indicate they enjoy regular communication with staff/teachers, including monthly online meetings called Live with Parents, the parent portal, and emails. A few parents recommended consolidating the number of hyperlinks on the school website, making it easier for parents to access information. LCAP Goal 4, Action 6 focuses on online communication with parents. We will embed parent suggestions regarding hyperlinks within this Action.

3. Curriculum Training- Both parents and staff commented on curriculum training. Teachers indicate they enjoy the current professional development format, including in-person monthly meetings with peers, and want an increased number of workshops focused on supporting high school students and with the math achievement. Modified Goal

Goal 4

Increase student, parent, staff, and community engagement through collaboration, transparency, and communication and provide broad course of study.

State and/or Local Priorities addressed by this goal:

State Priorities: Priority 3: Parental Involvement (Engagement)
 Priority 5: Pupil Engagement (Engagement)
 Priority 6: School Climate (Engagement)

Local Priorities: • Parent Involvement and Engagement • School Climate Survey

Identified Need:

Our analysis includes the California dashboard and local measures. There is a need to increase our four-year cohort high school graduation rates. Additionally, by virtue of our online/independent study platform, it is important to maintain engagement of student, parent, staff, and community engagement

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year: **2019-20**

Estimated Supplemental and Concentration Grant Funds

\$4,529,045

Percentage to Increase or Improve Services

7.87%TO UPDATE%

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

We will use supplemental and concentration funds to augment supports and services to principally benefit targeted unduplicated groups including English learners (EL), foster youth (FY), and socioeconomically disadvantaged (SED) students in a school-wide manner.

We have made a concerted effort to analyze the unique academic, social, and emotional needs of students with an EL, FY, or SED background. The supplemental and concentration funds identified in our LCAP effectively support the needs of our unduplicated students by supporting/augmenting the following actions/services:

- Parent liaison position-this position addresses specific needs of unduplicated students including augmented communication with their families (Goal 4,

Action 2)

- Foster/homeless youth liaison position- this position addresses the specific needs of foster/homeless youth including proactive monitoring of socio-

emotional needs (Goal 4, Action 3)

- Provide professional development to help guide and support administrators, counselors, and teachers in addressing the academic needs of ELs and their families including administering ELPAC, identifying ELs, administering language surveys, and coordinating ELD instruction (Goal 2, Action 3)

- Implement Project Recovery for students, particularly those with an EL, FY, or SED background, who did not re-enroll with Inspire the following school year to decrease the dropout rates in middle and high school (Goal 4, Action 4)
- Increase opportunities for unduplicated students to participate in leadership and academic events to develop confidence and skills (Goal 4, Action 5)
- Administer interim benchmark assessments to identify the standards not yet mastered and prepare for state testing in ELA and Math (Goal 2, Action 1)

LCAP Year: **2018-19**

Estimated Supplemental and Concentration Grant Funds

\$1,315,431

Percentage to Increase or Improve Services

4.59%

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

The supplemental funds will be used to support the development and implementation of support services for English Learners (EL), Foster Youth and Low-Socio-Economic students charter-wide. We recognize the unique needs of low-income students, English Learners, and foster youth. In support of our foster youth, English Learners and at-risk students, we will provide support through our parent liaison and foster-homeless youth liaison. This team will monitor the progress of the identified students, connect students to counseling as needed, and ensure that foster youth transition appropriately to independent study program environment both academically and social-emotionally.

In addition, we will continue to provide Homeschool Teachers (HST) with the instructional support they need through professional development, planning, data analysis, coaching, and knowledge building for teachers. The processing and planning time needed for teachers to collaborate and plan for instruction will come through our monthly professional development with the Director. HSTs work with parents at least every 20 days or more frequently as needed to support students academically and review enrichment activities students are engaged in to ensure students are receiving a broad course of study.

Target support will be provided to the subgroups. Dedicated staff members (Foster-Homeless Youth Liaison and Director of English Language Development) monitored students who were foster youth and/or English Learners to ensure they were on-track academically. In addition, Parent liaisons connected with the students and provided support in connecting with teachers to provide academic support and connect students to local social-emotional services. English learner teacher provided daily ELD for all English Learners. Students were provided opportunities to attend field trips and activities to build collaboration, language, and exposure to the arts and science.

LCAP Year: 2017-18

The supplemental funds were used to support the development and implementation of support services for English Learners (EL), Foster Youth and Low-Socio-Economic students charter-wide. Target support will be provided to the subgroups. Dedicated staff members (Foster-Homeless Youth Liaison and Director of English Language Development) monitored students who were foster youth and/or English Learners to ensure they were on-track academically. In addition, Parent Liaisons connected with the students and provided support in connecting with teachers to provide academic support and connect students to local social-emotional services. An English learner teacher provided daily ELD for all English Learners. Students were provided opportunities to attend field trips and activities to build collaboration, language, and exposure to the arts and science. Students were provided interventions such as Pathblazer, Reading Horizons, designated ELD and English in a Flash so that all students have the necessary resources and interventions to be successful. In addition, an Rtl model was utilized to support students who are not making academic progress.

Other action/service specifically aimed toward English Learners was the identification of EL curriculum and tools that will meet the needs of our independent study students, specifically students who lack direct support due to the home language not being English

and who, due to the nature of independent study, often do not receive the individual support they need. Another focus was to provide intervention curriculum to support the subgroups who were falling behind and required intensive interventions. The regular student load for supervising teachers does not allow for the time or focus needed to support the English Development of these students. Curriculum and resources have been identified and a pilot will be used to gauge the effectiveness and appropriateness for all independent study students. Other support services and resources will be offered Charter-wide providing access to ELD for all EL students by a CLAD credential teacher, including tutors and/or small group teaching. Student advisors are assigned to foster youth to ensure an adult is supporting and connecting with the student to keep them on track. All EL tools, support and resources will be available Charter-wide for all students who need additional support in English language development.

Addendum

The Local Control and Accountability Plan (LCAP) and Annual Update Template documents and communicates local educational agencies' (LEAs) actions and expenditures to support student outcomes and overall performance. The LCAP is a three-year plan, which is reviewed and updated annually, as required. Charter schools may complete the LCAP to align with the term of the charter school's budget, typically one year, which is submitted to the school's authorizer. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all students and each student group identified by the Local Control Funding Formula (LCFF) (ethnic, socioeconomically disadvantaged, English learners, foster youth, pupils with disabilities, and homeless youth), for each of the state priorities and any locally identified priorities.

For county offices of education, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all students and each LCFF student group funded through the county office of education (students attending juvenile court schools, on probation or parole, or expelled under certain conditions) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services funded by a school district that are provided to students attending county-operated schools and programs, including special education programs.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in Education Code (EC) sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

Charter schools must describe goals and specific actions to achieve those goals for all students and each LCFF subgroup of students including students with disabilities and homeless youth, for each of the state priorities that apply for the grade levels served or the nature of the program operated by the charter school, and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the EC. Changes in LCAP goals and actions/services for charter schools that result from the annual update process do not necessarily constitute a material revision to the school's charter petition.

For additional questions or technical assistance related to completion of the LCAP template, please contact the local county office of education, or the CDE's Local Agency Systems Support Office at: 916-319-0809 or by email at: lcff@cde.ca.gov.

Plan Summary

The LCAP is intended to reflect an LEA's annual goals, actions, services and expenditures within a fixed three-year planning cycle. LEAs must include a plan summary for the LCAP each year.

When developing the LCAP, enter the appropriate LCAP year, and address the prompts provided in these sections. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous summary information with information relevant to the current year LCAP.

In this section, briefly address the prompts provided. These prompts are not limits. LEAs may include information regarding local program(s), community demographics, and the overall vision of the LEA. LEAs may also attach documents (e.g., the California School Dashboard data reports) if desired and/or include charts illustrating goals, planned outcomes, actual outcomes, or related planned and actual expenditures.

An LEA may use an alternative format for the plan summary as long as it includes the information specified in each prompt and the budget summary table.

The reference to California School Dashboard means the California School Dashboard adopted by the State Board of Education under EC Section 52064.5.

Comprehensive Support and Improvement

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

- **Schools Identified:** Identify the schools within the LEA that have been identified for CSI.
- **Support for Identified Schools:** Describe how the LEA supported the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.
- **Monitoring and Evaluating Effectiveness:** Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

Annual Update

The planned goals, expected outcomes, actions/services, and budgeted expenditures must be copied verbatim from the previous year's* approved LCAP; in addition, list the state and/or local priorities addressed by the planned goals. Minor typographical errors may be corrected.

* For example, for LCAP year 2017/18 of the 2017/18 – 2019/20 LCAP, review the goals in the 2016/17 LCAP. Moving forward, review the goals from the most recent LCAP year. For example, LCAP year 2020/21 will review goals from the 2019/20 LCAP year, which is the last year of the 2017/18 – 2019/20 LCAP.

Annual Measurable Outcomes

For each goal in the prior year, identify and review the actual measurable outcomes as compared to the expected annual measurable outcomes identified in the prior year for the goal.

Actions/Services

Identify the planned Actions/Services and the budgeted expenditures to implement these actions toward achieving the described goal. Identify the actual actions/services implemented to meet the described goal and the estimated actual annual expenditures to implement the actions/services. As applicable, identify any changes to the students or student groups served, or to the planned location of the actions/services provided.

Analysis

Using actual annual measurable outcome data, including data from the California School Dashboard, analyze whether the planned actions/services were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions/services to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process.
- Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures. Minor variances in expenditures or a dollar-for-dollar accounting is not required.
- Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the data provided in the California School Dashboard, as applicable. Identify where those changes can be found in the LCAP.

Stakeholder Engagement

Meaningful engagement of parents, students, and other stakeholders, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. EC identifies the minimum consultation requirements for school districts and county offices of education as consulting with teachers, principals, administrators, other school personnel, local bargaining units of the school district, parents, and pupils in developing the LCAP. EC requires

charter schools to consult with teachers, principals, administrators, other school personnel, parents, and pupils in developing the LCAP. In addition, EC Section 48985 specifies the requirements for the translation of notices, reports, statements, or records sent to a parent or guardian.

The LCAP should be shared with, and LEAs should request input from, school site-level advisory groups, as applicable (e.g., school site councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet specific goals.

Instructions: The stakeholder engagement process is an ongoing, annual process. The requirements for this section are the same for each year of a three-year LCAP. When developing the LCAP, enter the appropriate LCAP year, and describe the stakeholder engagement process used to develop the LCAP and Annual Update. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous stakeholder narrative(s) and describe the stakeholder engagement process used to develop the current year LCAP and Annual Update.

School districts and county offices of education: Describe the process used to consult with the Parent Advisory Committee, the English Learner Parent Advisory Committee, parents, students, school personnel, the LEA's local bargaining units, and the community to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Charter schools: Describe the process used to consult with teachers, principals, administrators, other school personnel, parents, and students to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Describe how the consultation process impacted the development of the LCAP and annual update for the indicated LCAP year, including the goals, actions, services, and expenditures.

Goals, Actions, and Services

LEAs must include a description of the annual goals, for all students and each LCFF identified group of students, to be achieved for each state priority as applicable to type of LEA. An LEA may also include additional local priorities. This section shall also include a description of the specific planned actions an LEA will take to meet the identified goals, and a description of the expenditures required to implement the specific actions.

School districts and county offices of education: The LCAP is a three-year plan, which is reviewed and updated annually, as required.

Charter schools: The number of years addressed in the LCAP may align with the term of the charter schools budget, typically one year, which is submitted to the school's authorizer. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

New, Modified, Unchanged

As part of the LCAP development process, which includes the annual update and stakeholder engagement, indicate if the goal, identified need, related state and/or local priorities, and/or expected annual measurable outcomes for the current LCAP year or future LCAP years are modified or unchanged from the previous year's LCAP; or, specify if the goal is new.

Goal

State the goal. LEAs may number the goals using the “Goal #” box for ease of reference. A goal is a broad statement that describes the desired result to which all actions/services are directed. A goal answers the question: What is the LEA seeking to achieve?

Related State and/or Local Priorities

List the state and/or local priorities addressed by the goal. The LCAP must include goals that address each of the state priorities, as applicable to the type of LEA, and any additional local priorities; however, one goal may address multiple priorities. ([Link to State Priorities](#))

Identified Need

Describe the needs that led to establishing the goal. The identified needs may be based on quantitative or qualitative information, including, but not limited to, results of the annual update process or performance data from the California School Dashboard, as applicable.

Expected Annual Measurable Outcomes

For each LCAP year, identify the metric(s) or indicator(s) that the LEA will use to track progress toward the expected outcomes. LEAs may identify metrics for specific student groups. Include in the baseline column the most recent data associated with this metric or indicator available at the time of adoption of the LCAP for the first year of the three-year plan. The most recent data associated with a metric or indicator includes data as reported in the annual update of the LCAP year immediately preceding the three-year plan, as applicable. The baseline data shall remain unchanged throughout the three-year LCAP. In the subsequent year columns, identify the progress to be made in each year of the three-year cycle of the LCAP. Consider how expected outcomes in any given year are related to the expected outcomes for subsequent years.

The metrics may be quantitative or qualitative, but at minimum an LEA must use the applicable required metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. For the student engagement priority metrics, as applicable, LEAs must calculate the rates as described in the [LCAP Template Appendix, sections \(a\) through \(d\)](#).

Planned Actions/Services

For each action/service, the LEA must complete either the section “For Actions/Services not included as contributing to meeting Increased or Improved Services Requirement” or the section “For Actions/Services included as contributing to meeting the Increased or Improved Services Requirement.” The LEA shall not complete both sections for a single action.

For Actions/Services Not Contributing to Meeting the Increased or Improved Services Requirement

Students to be Served

The “Students to be Served” box is to be completed for all actions/services except for those which are included by the LEA as contributing to meeting the requirement to increase or improve services for unduplicated students. Indicate in this box which students will benefit from the actions/services by entering “All”, “Students with Disabilities”, or “Specific Student Group(s)”. If “Specific Student Group(s)” is entered, identify the specific student group(s) as appropriate.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must identify "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering "Specific Schools" and identifying the site(s) where the actions/services will be provided. For charter schools operating only one site, "All Schools" and "Specific Schools" may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

For Actions/Services Contributing to Meeting the Increased or Improved Services Requirement:

Students to be Served

For any action/service contributing to the LEA's overall demonstration that it has increased or improved services for unduplicated students above what is provided to all students (see Demonstration of Increased or Improved Services for Unduplicated Students section, below), the LEA must identify the unduplicated student group(s) being served.

Scope of Service

For each action/service contributing to meeting the increased or improved services requirement, identify the scope of service by indicating "LEA-wide", "Schoolwide", or "Limited to Unduplicated Student Group(s)". The LEA must identify one of the following three options:

- If the action/service is being funded and provided to upgrade the entire educational program of the LEA, enter "LEA-wide."
- If the action/service is being funded and provided to upgrade the entire educational program of a particular school or schools, enter "schoolwide".
- If the action/service being funded and provided is limited to the unduplicated students identified in "Students to be Served", enter "Limited to Unduplicated Student Group(s)".

For charter schools and single-school school districts, "LEA-wide" and "Schoolwide" may be synonymous and, therefore, either would be appropriate. For charter schools operating multiple schools (determined by a unique CDS code) under a single charter, use "LEA-wide" to refer to all schools under the charter and use "Schoolwide" to refer to a single school authorized within the same charter petition. Charter schools operating a single school may use "LEA-wide" or "Schoolwide" provided these terms are used in a consistent manner through the LCAP.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must indicate "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering “Specific Schools” and identify the site(s) where the actions/services will be provided. For charter schools operating only one site, “All Schools” and “Specific Schools” may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

Actions/Services

For each LCAP year, identify the actions to be performed and services provided to meet the described goal. Actions and services that are implemented to achieve the identified goal may be grouped together. LEAs may number the action/service using the “Action #” box for ease of reference.

New/Modified/Unchanged:

- Enter “New Action” if the action/service is being added in any of the three years of the LCAP to meet the articulated goal.
- Enter “Modified Action” if the action/service was included to meet an articulated goal and has been changed or modified in any way from the prior year description.
- Enter “Unchanged Action” if the action/service was included to meet an articulated goal and has not been changed or modified in any way from the prior year description.
 - If a planned action/service is anticipated to remain unchanged for the duration of the plan, an LEA may enter “Unchanged Action” and leave the subsequent year columns blank rather than having to copy/paste the action/service into the subsequent year columns. Budgeted expenditures may be treated in the same way as applicable.

Note: The goal from the prior year may or may not be included in the current three-year LCAP. For example, when developing year 1 of the LCAP, the goals articulated in year 3 of the preceding three-year LCAP will be from the prior year.

Charter schools may complete the LCAP to align with the term of the charter school’s budget that is submitted to the school’s authorizer. Accordingly, a charter school submitting a one-year budget to its authorizer may choose not to complete the year 2 and year 3 portions of the “Goals, Actions, and Services” section of the template. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

Budgeted Expenditures

For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by EC sections 52061, 52067, and 47606.5.

Expenditures that are included more than once in an LCAP must be indicated as a duplicated expenditure and include a reference to the goal and action/service where the expenditure first appears in the LCAP.

If a county superintendent of schools has jurisdiction over a single school district, and chooses to complete a single LCAP, the LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted expenditures are aligned.

Demonstration of Increased or Improved Services for Unduplicated Students

This section must be completed for each LCAP year. When developing the LCAP in year 2 or year 3, copy the "Demonstration of Increased or Improved Services for Unduplicated Students" table and enter the appropriate LCAP year. Using the copy of the section, complete the section as required for the current year LCAP. Retain all prior year sections for each of the three years within the LCAP.

Estimated Supplemental and Concentration Grant Funds

Identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner students as determined pursuant to California Code of Regulations, Title 5 (5 CCR) Section 15496(a)(5).

Percentage to Increase or Improve Services

Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 CCR Section 15496(a)(7).

Consistent with the requirements of 5 CCR Section 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. This description must address how the action(s)/service(s) limited for one or more unduplicated student group(s), and any schoolwide or districtwide action(s)/service(s) supported by the appropriate description, taken together, result in the required proportional increase or improvement in services for unduplicated pupils.

If the overall increased or improved services include any actions/services being funded and provided on a schoolwide or districtwide basis, identify each action/service and include the required descriptions supporting each action/service as follows.

For those services being provided on an LEA-wide basis:

- For school districts with an unduplicated pupil percentage of 55% or more, and for charter schools and county offices of education: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities.
- For school districts with an unduplicated pupil percentage of less than 55%: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities. Also describe how the services are **the most effective use of the funds to** meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience or educational theory.

For school districts only, identify in the description those services being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis:

- For schools with 40% or more enrollment of unduplicated pupils: Describe how these services are **principally directed to** and **effective in** meeting its goals for its unduplicated pupils in the state and any local priorities.
- For school districts expending funds on a schoolwide basis at a school with less than 40% enrollment of unduplicated pupils: Describe how these services are **principally directed to** and how the services are **the most effective use of the funds to** meet its goals for English learners, low income students and foster youth, in the state and any local priorities.

**EDUCATION AND SUPPORT SERVICES AGREEMENT
BETWEEN INSPIRE DISTRICT OFFICE
AND INSPIRE CHARTER SCHOOL – KERN**

This Education and Support Services Agreement (“*Agreement*”) is entered into as of July 1, 2019 (“*Effective Date*”) by and between Provenance, (doing business as Inspire District Office), a California nonprofit public benefit corporation (“*IDO*”) and Inspire Charter School – Kern, a public charter school organized as a California nonprofit public benefit corporation (“*School*”). IDO and School may each be referred to herein as a “*Party*” or collectively as the “*Parties*” to this Agreement.

WHEREAS, IDO, a nonprofit corporation with tax exempt status as a supporting organization under section 501(c)(3) of the Internal Revenue Code, is in the business of providing educational goods and administrative services to charter schools that are operated by separate corporations doing business under the trade-name of Inspire (collectively the “*Inspire Charter Schools*”) and using the business methods and proprietary goods and services developed by IDO and by Inspire-model schools, and implementing the ethos of Inspire schools to provide high quality learning opportunities through a Personalized Learning Model, partnering with parents and embracing homeschooling within the framework of a public charter school.;

WHEREAS, School is authorized by Maricopa Unified School District (“*District*”) to operate a California charter school for a term of five (5) years, from July 1, 2016 through June 30, 2021, pursuant to a petition granted by District dated April 5, 2016 (“*Charter*”).

WHEREAS, the Charter provides that the School will implement the Inspire independent study model and may contract for educational and administrative support services;

WHEREAS, subject to the terms and conditions contained in this Agreement, School now desires to contract with IDO for educational and administrative support services;

WHEREAS, the Parties acknowledge and intend that the terms of this Agreement shall at all times be consistent with the terms of the Charter, and that this Agreement provides for IDO to deliver educational goods and task-related services that are performed at the direction of the governing body of the School and over which the governing body of the School retains ultimate decision-making authority.

NOW, THEREFORE, in consideration of their mutual promises set forth in this Agreement, the Parties agree as follows:

1. Relationship of the Parties and Scope of Authority. The relationship created by this Agreement between the Parties is that of an independent contractor, not a partnership, joint venture, or employment relationship. Under this Agreement, IDO will deliver goods and perform task-related services at the direction of the governing body of the School and for which the governing body of the School retains ultimate decision-making authority. The Parties understand and agree as follows:

a. The governing body of the School shall at all times retain its duty to exercise its statutory, contractual, and fiduciary responsibilities governing operation of the School. The governing body of the School, and not IDO, has fiduciary responsibility for the School. The governing body of the School is ultimately responsible for ensuring School adheres to all applicable law and is accountable to the authorizing District pursuant to the Charter.

b. School shall at all times remain an independent, self-governing public body that shall

comply with applicable transparency laws, including but not limited to the California Brown Act, Public Records Act, Political Reform Act, and effective January 1, 2020, the provisions of Government Code section 1090, et seq..

c. To the extent not otherwise specified as a duty of IDO pursuant to the scope of Services, all duties applicable to the proper operation of School and maintenance of applicable academic standards shall remain the responsibility of School.

d. School shall pay for an annual audit of School to be conducted in compliance with California law and regulations. The annual audit shall be performed by an independent certified public accountant selected and retained by the governing body of the School.

e. While IDO may make recommendations to the governing body of the School regarding any arrangements for legal services for School pursuant to the scope of Services, School and its governing body may hire legal counsel as School may deem appropriate and necessary.

f. IDO will not be required to provide any service set forth in this Agreement to the extent that it is or becomes impracticable, in any material respect, as a result of a cause or causes outside IDO's and/or School's reasonable control or would require IDO or School to violate applicable law or cause IDO to be considered an "entity managing a charter school" per Education Code section 47604.1(a).

g. IDO will provide all Services in a manner it believes to be in the best interests of School and with due care, in good faith, and in exchange for reasonable compensation taking into account that IDO is a nonprofit that is exempt from income taxation pursuant to Internal Revenue Code Section 501(c)(3).

2. Independent Contractor. Nothing in this Agreement shall confer upon any IDO or School employee any rights or remedies, including any right to employment, as an employee of the other Party. The Parties agree as follows:

a. All IDO employees providing services to School shall be and remain employed by IDO and shall at all times be subject to the direction, supervision and control of IDO. All School employees shall be and remain employed by School and shall at all times be subject to the direction, supervision and control of School.

b. School shall not have any right to terminate the employment of any IDO employee providing services to the School. IDO shall not have any right to terminate the employment of any School employee.

c. The Parties agree that IDO shall not lease its employees to the School. School shall employ all of its personnel, including certificated personnel responsible for the delivery of instruction. School shall determine and manage compensation (salary and benefit) plans for its employees; provided, however, that School shall oversee and may consult with IDO and IDO will assist with providing payroll and related services pursuant to the scope of Services.

d. IDO certifies that any of its employees who perform school-site services or transportation services for School, or who may have substantial contact with students at School as determined by School in its reasonable discretion, shall be screened in compliance with Education Code section 45125.1 and IDO shall otherwise comply with that statute.

3. Services Provided by IDO. During the term of this Agreement, IDO shall provide to School the services, including the staff necessary to provide the services, listed in Attachment A to this Agreement (the “*Services*”). IDO is not obligated to devote all of its time or efforts to School, but shall devote the time, effort, and skill reasonably necessary to provide the Services to School. IDO reserves the right to sub-contract with a third party for the provision of any of the Services. The Parties may mutually agree to modify the Services at any time by amending Attachment A in writing; provided, however, the Parties will also adjust the annual fee commensurately pursuant to Section 5, if necessary, and IDO shall only deliver task-related services that are performed at the direction of the governing body of the School and for which the governing body of the School retains ultimate decision-making authority. To the extent there are any conflicts between the terms of the Charter and the terms of this Agreement, the terms of the Charter shall control.

4. Term. The term of this Agreement shall commence on July 1, 2019 and continue through June 30, 2024. This Agreement may be renewed for consecutive terms upon mutual written agreement of the Parties.

5. Annual Fee. As compensation for the Services, School shall pay IDO an annual fee of fifteen percent (15 %) (3.5% allocated to operational/administrative services and, 11.5% to licensing the Inspire IP described in Attachment B, including the provision of supporting educational goods and services) of the School’s annual *Revenues*. For purposes of this Agreement, Revenues shall mean the amount received in the current fiscal year from the local control funding formula calculated pursuant to Education Code section 42238.02 and implemented by Section 42238.3. Revenues shall not include one-time or federal restricted grant funds such as PCSGP grants or other federal funding programs

a. Beginning July 1, 2018, the annual fee shall be paid by *SCHOOL* to *IDO* in twelve (12) monthly installments per year with each monthly payment being due no later than the tenth (10th) day of each month in which a payment is due. The amount of each monthly installment shall be based upon *SCHOOL*’s current school year budgeted *Revenue*.

b. At the end of each fiscal year after the P-2 ADA certification by the California Department of Education, which should occur no later than June 30th, a reconciliation of payments shall be made based upon *SCHOOL*’s actual *Revenues* in said year. In the event that the total amount of installment payments made by *SCHOOL* for the subject year exceeds the total amount due based upon *SCHOOL*’s actual *Revenues*, IDO shall refund the total amount of said overpayment to *SCHOOL* within thirty (30) days of the end of the fiscal year. In the event that the total amount of installment payments made by *SCHOOL* for the subject year is less than the total amount due based upon *SCHOOL*’s actual *Revenues*, *SCHOOL* shall pay the total amount of said underpayment to *IDO* within thirty (30) days of the end of the fiscal year.

c. In the event this Agreement is renewed, the annual fee shall be reviewed and renegotiated by the Parties.

6. Costs. In addition to the annual fee, School shall reimburse IDO for direct “pass-through” costs and expenses incurred in performing the Services, including, but not limited to: equipment, materials, or supplies purchased from third parties at the request of, or on behalf of the School; platform subscription fees (e.g. student information systems, learning management systems); travel (including mileage, airfare, lodging, meals, and ground transportation); filing or corporate fees; marketing and development costs incurred solely for School (e.g. print materials, postage for mailers, and costs of newspaper, radio, television, billboard or other broadcast advertisements); and fees of other third parties consulted by IDO at the request of or on behalf of the School. However, no costs will be owed for services provided by subcontractors, such as Charter Impact [or legal counsel?]

a. In the event that IDO purchases equipment, materials, or supplies at the request of or on behalf of the School, IDO shall comply with the procurement policies and processes approved by the governing body of the School and shall not include any mark-up, added fees or charges with the cost of equipment, materials, and supplies purchased from third parties. Any equipment, materials, or supplies that IDO purchases on behalf of the School shall be and remain the property of the School.

b. Marketing and development costs charged to School shall be limited to those costs specific to the School program, and shall not include any costs for the marketing of the Inspire brand or development of IDO goods, services or intellectual property.

c. All reimbursable costs of IDO charged to School shall be itemized on IDO invoices, with reference to specific dollar amounts and with backup documentation for such costs (e.g. copies of receipts or purchase orders).

7. Annual Notices. As a supporting organization to School, IDO shall, at least annually, provide School with a copy of its most recent Form 990, a description of the support, in services and otherwise, provided to School, and its most current articles and bylaws, not later than the 5th day of the 5th month after the close of the year for which the Form 990 is filed.

8. Cooperation. School shall make available to IDO, in a timely manner, all data, files, documents, and other information and records necessary or appropriate for IDO to provide the Services under this Agreement. School staff, and the governing body of the School as necessary, shall work closely and cooperatively with IDO to facilitate IDO's effective performance and delivery of the Services.

9. Conflicts of Interest. School and IDO recognize that it is important that School be assured that IDO staff acts at all times with integrity. School has adopted a conflict of interest code under the California Political Reform Act. IDO acknowledges that School may require certain IDO staff to file annual financial interest disclosures as consultants under that code and abide by the disclosure and disqualification provisions of that Act. IDO also agrees to adopt and provide to School copies of conflict of interest policies required by the IRS, as well as an anti-nepotism policy and a policy regarding inconsistent employment for compensation, which policies shall meet Federal requirements for grant and funding program administration.

10. Non-Exclusive, Non-Transferable Intellectual Property License. IDO grants School a non-exclusive, non-transferable irrevocable, United States limited license to use, display and print graphic images of the Inspire IP in connection with School's operation of the Charter. The Inspire IP is described in Attachment B and may include copyrights, patents, trademarks, technology, and intellectual property of every kind (the "*Inspire IP*"). The Parties acknowledge that IDO has extensively invested in developing and improving the Inspire IP and in marketing, refining, advertising, promoting, and publicizing it, all of which have become well and favorably known to the public throughout the United States, and as a result of such efforts, IDO has acquired valuable goodwill therein. The non-exclusive, non-transferable license granted to School is subject to the following terms and conditions:

a. Ownership. School acknowledges the ownership of the Inspire IP in IDO and shall do nothing inconsistent with such ownership. School acknowledges that all use of the Inspire IP shall inure to the benefit of and be on behalf of IDO. School acknowledges that nothing in this Agreement shall give School any right, title, or interest in and to the Inspire IP other than the right to use the intellectual property in accordance with the terms of this Agreement.

b. Quality Standards. School shall not utilize the Inspire IP in any manner that would

diminish their value or harm the reputation of IDO or any other Inspire organization. The nature and quality of all services rendered by School in connection with the Inspire IP, all goods sold by School under the Inspire IP, and all related advertising, promotional and other related uses of the Inspire IP by School shall conform to standards set by and be under the control of IDO.

c. School agrees that School will not frame, copy, or feature any trademarks, logos, content from IDO's websites or marketing materials at any website owned or controlled by School without IDO's prior express written permission.

d. Neither School nor any entity owned or controlled by them will directly or indirectly file, apply for, prosecute, register, maintain, obtain, and/or acquire any domain names, trademark applications, or trademark registrations, for any mark or name comprised of or containing the Inspire IP, or for any other confusingly similar marks, names, or terms. Further, neither School nor any entity owned or controlled by School will directly or indirectly challenge, contest, or interfere with IDO's ownership, use, registration, or enforcement of its Inspire IP.

e. School shall not have the right to grant a license, sublicense, or any other rights to the Inspire IP.

f. The license and rights granted to School herein are subject to any limitations imposed by any applicable government grant or government contract entered into by IDO.

g. School shall use the Inspire IP only in the manner and for the duration expressly permitted in writing by IDO.

h. Upon termination or expiration of this Agreement, School shall have no right to make any use whatsoever of the Inspire IP and must remove all Inspire IP previously used by School in accordance with section 14, Termination.

i. Infringement Proceedings. School shall promptly inform IDO of any infringements or other violations of the Inspire IP. IDO shall have the exclusive right at its sole discretion to determine whether to take any action, including litigation, against such infringements or other violations. For any such action IDO decides to take: (a) School will reasonably cooperate with and assist IDO; (b) IDO shall bear all costs, attorney's fees, and expenses; and (c) IDO shall receive and retain all monetary awards, judgments, damages, and settlement proceeds. If IDO decides not to take any action against an infringement or other violation of the Inspire IP, IDO will notify School of its decision, at which time School may request IDO's permission for School to take action, including litigation. If IDO permits School to take action: (a) IDO will reasonably cooperate with and assist School; (b) School will bear all costs, attorney's fees, and expenses; (c) School will obtain IDO's prior approval of any settlement, such approval to not be unreasonably withheld; and (e) School will receive and retain all monetary awards, judgments, damages, and settlements proceeds.

j. Notwithstanding the foregoing, ISO shall own all proprietary rights to curriculum or educational materials that: (1) are both directly developed and paid for by School; or (2) were developed by IDO at the direction of the governing body of the School with School funds dedicated for the specific purpose of developing such curriculum or materials unless otherwise agreed in writing.

11. Confidentiality. Each Party acknowledges that during the term of this Agreement, it will have access to certain Confidential Information of the other Party, as defined below. Each Party shall

maintain and enforce reasonable administrative, technical, and physical safeguards to reasonably protect the confidentiality of the other Party's Confidential Information.

a. "**Confidential Information**" means non-public information marked either "confidential" or "proprietary," or that otherwise should be understood by a reasonable person to be confidential in nature. Confidential Information may include but is not limited to trade secrets, policies, procedures, intellectual property, business or strategic plans, contractual arrangements or negotiations, financial information and employee information. Confidential Information does not include any information which (i) is rightfully known to the recipient prior to its disclosure; (ii) is released to any other person or entity (including governmental agencies) without restriction; (iii) is independently developed by the recipient without use of or reliance on Confidential Information; or (iv) is or later becomes publicly available without violation of this Agreement or may be lawfully obtained by a Party from a non-party; or (v) which is a public record under California law.

b. If disclosure of Confidential Information is requested pursuant to law, statute, rule or regulation (including a subpoena, a request made to School under the California Public Records Act, or other similar form of process), the Party to which the request for disclosure is made shall (other than in connection with routine supervisory examinations by regulatory authorities with jurisdiction and without breaching any legal or regulatory requirement) provide the other Party with prior prompt written notice thereof to the extent practicable, and if practicable under the circumstances, shall allow the other Party to seek a restraining order or other appropriate relief.

c. The Parties understand and acknowledge that School's financial, educational, and student records are School property and may be subject to the California Public Records Act. All School records shall be physically or electronically available, upon School's request, at the School's physical location. a. IDO shall be designated as having a legitimate educational interest in accessing School's student education records, as that term is defined by and for purposes of FERPA, thereby allowing IDO to access personally identifiable information from student education records from School in order to provide its services. For purposes of this Agreement, the term "personally identifiable information" ("PII") means any information that can be used on its own or with other information to (i) distinguish one person from another, (ii) identify, contact, or locate a single person, or (iii) de-anonymize anonymous data.

IDO will designate and train responsible individuals to ensure the security and confidentiality of pupil records. IDO shall develop, implement, maintain and use reasonable administrative, technical and physical security measures to preserve the confidentiality and availability of all electronically transmitted pupil records received from or on behalf of School. In the event of an unauthorized disclosure of PII, IDO shall notify School as soon as practicable, and shall, upon School's request, notify affected parents, legal guardians and eligible pupils using reasonably available technological means such as electronic mail.

c. IDO shall allow parents, legal guardians and eligible students to access their student records in compliance with applicable federal and state law. d. IDO shall provide a process and contact information to allow parents, legal guardians and eligible students to make written requests to modify erroneous student records as required under federal and state law in accordance with School policies.

e. Within 60 days of the termination or expiration of this Agreement, IDO shall certify in writing that protected student information in the possession of IDO shall be returned and/or destroyed.

f. **Prohibition on Targeted Marketing.** IDO shall not use PII in pupil records to engage in targeted advertising contrary to California law.

g. **Cyber Liability Insurance and Indemnity.** IDO shall obtain and maintain for the Term of this Agreement Cyber Liability Insurance with limits of not less than Two Million Dollars (\$2,000,000) aggregate including but not limited to coverage for claims involving security and privacy violations, information theft, damage to or destruction of electronic information, intentional and/or unintentional release of information, business interruption, cyber extortion and corruption, and denial of service.

h. IDO shall indemnify, defend and hold School (including its officers, directors and employees) from and against all claims, losses, liabilities, damages, expenses or judgments involving a third party, including School's costs and reasonable attorney's fees, which arise as a result of any such unauthorized disclosures or misuse of pupil records through the services provided by IDO, excluding those claims, liabilities, damages or judgments arising from the sole active negligence or willful misconduct of School.

13. Insurance.

School shall name IDO as an additional insured under all School's policies.

IDO shall name School as an additional insured under all IDO's policies.

c. Each Party shall be responsible for obtaining and maintaining workers' compensation coverage and unemployment insurance for its employees.

d. The Parties' insurance coverages shall take into consideration that staff at the School are employees of the School, and not employees of IDO.

14. Termination.

a. Either Party may terminate this Agreement without cause or a financial penalty upon written notice to the other Party, and such termination shall be effective as of the end of the then-current school year to minimize disruptions to the School's operations.

b. Either Party may terminate this Agreement for breach of a material term or condition of this Agreement upon sixty (60) days' written notice to the other Party. Such written notice shall identify the breach and provide thirty (30) days for the other Party to cure.

c. In the event that any new enactment, repeal, or change of any federal, state, or local law, regulation, or court or administrative decision or order materially affects the performance of School and IDO in conformity with this Agreement, the Parties shall promptly commence negotiations in good faith regarding a mutually agreeable approach (including without limitation, an amendment to the Agreement) to address the statutory and/or regulatory changes. If, despite such good faith negotiations, the Parties are unable to agree upon an acceptable approach, then either Party may elect to terminate the Agreement without further obligation or liability to the other, by delivering written notice of termination to the other at least ninety (90) days in advance of the effective date of such termination, or in such lesser time as is reasonable under the circumstances.

d. In the event of termination for any reason, the following conditions shall apply:

i. School shall pay IDO any due and unpaid portion of the annual fee and costs for Services performed by IDO until the effective date of termination.

v. As soon as practicable, IDO shall return to School and/or destroy, as appropriate, all student-related, fiscal, and other records of School maintained by IDO.

15. Liability. Each of the Parties shall remain and be responsible for its own debts and obligations. Nothing in this Agreement shall be construed as imposing on a Party any liability arising out of the operations of the other Party, except as such liability may result from the performance of the first Party's obligations under this Agreement.

16. Indemnification. The Parties shall defend, indemnify, and hold each other, their

employees, officers, directors, and agents, free and harmless against any liability, loss, claims, demands, damages, expenses, and costs (including attorneys' fees, expert witness fees, and other costs of litigation or other proceedings) of every kind or nature arising in any manner out of the performance of their obligations under this Agreement, except for such loss or damage caused solely by the negligence or willful misconduct of the other Party.

17. Fiduciary Obligations. The governing bodies for both Parties have reviewed the scope of Services and compensation provided in this Agreement in good faith, and in a manner in which they believe to be in the best interests of their respective organizations, and with such care, including reasonable inquiry, as an ordinary prudent person in a like position would use under similar circumstances, and have determined that the Services contained herein are in the best interests of their respective organizations, and that the compensation to be paid is fair and reasonable.

18. Assignment. No Party shall assign this Agreement, any interest in this Agreement, or its rights or obligations under this Agreement without the express prior written consent of the other Party. This Agreement shall be binding on, and shall inure to the benefit of, the Parties and their respective permitted successors and assigns.

19. Dispute Resolution. The Parties shall attempt to negotiate in good faith to resolve any dispute arising from or relating to this Agreement before resorting to litigation.

21. Amendments. No supplement, modification, or amendment of this Agreement or the Services described in Attachment A shall be binding unless in writing and executed by both Parties. The Parties anticipate additional and/or revised services to be provided through amendments to Attachment A and commensurate adjustment of the annual fee, if necessary. Such amendments may be negotiated directly by staff of School and IDO at any time, and shall be brought to the governing bodies of School and IDO respectively to approve or ratify.

22. Entire Agreement. This Agreement constitutes the entire agreement between the Parties with respect to the subject matter contained herein and supersedes all agreements, representations and understandings of the Parties with respect to such subject matter made or entered into prior to the date of

this Agreement. If School seeks to enter into a lease, promissory notes or other negotiable instruments, or to enter into a lease-purchase agreement or other financing relationships with IDO, such agreements shall be separate documents and not be incorporated into this Agreement or any amendments thereto. Such agreements shall be consistent with the School's authority to terminate IDO and continue operation of the School.

23. Arm's Length and Independent Counsel. This Agreement has been negotiated at arm's length and between persons (or their representatives) sophisticated and knowledgeable in the subjects in this Agreement. Accordingly, any rule of law or legal decision that would require interpretation of any ambiguities against the Party that has drafted it is not applicable and is waived. The provisions of this Agreement shall be interpreted in a reasonable manner to affect the purpose of the Parties and this Agreement. Each Party has been advised by, or had opportunity to seek advice from, its independent counsel regarding this Agreement.

24. No Waiver. No waiver of any provision of this Agreement shall constitute, or be deemed to constitute, a waiver of any other provision, nor shall any waiver constitute a continuing waiver. No waiver shall be binding unless executed in writing by the Party making the waiver.

25. Severability. If any provision of this Agreement is invalid or contravenes California law, such provision shall be deemed not to be a part of this Agreement and shall not affect the validity or enforceability of its remaining provisions, unless such invalidity or unenforceability would defeat an essential purpose of this Agreement.
