

Sophomores Hallie Stewart, James McCranie and H Burkett helped dig a hole for a septic tank on their mission trip to the island of Jamaica.

Community Kindness Reaches Jamaica

Six Bolles upper school students traveled to Jamaica on a mission trip with St. Mark's Episcopal Church's youth group during winter break to help those living in the small mountain town of Mandeville. From Jan. 1 through Jan. 6, Hallie Nelson, Ellie Stewart, William Barakat, H Burkett, James McCranie and Harrison Spencer helped build a kitchen for a community center and dug a 7-foot-deep septic tank hole. Alumnus Dan Dearing also joined the students to assist them on their trip.
