

Renovo Elementary

Keystone Central School District

It is hard to believe that we are over half way through the 2023/2024 school year. During February, we will mark the 100th day of school. Students recently completed winter assessments in January. We are very proud of our students' academic progress and achievement so far this school year. Keep up the good work Renovo Elementary!

Renovo Elementary is pleased to announce that we have a new school facilitator serving the Bucktail Campus. We would like to welcome Mr. Mike Poorman into his new role on our campus. Mr. Poorman will serve students and teachers in grades K-12. Mr. Poorman's role will be to work with students and support the Bucktail Campus administrators. If you see Mr. Poorman, please welcome him to his new role.

In February, we have a lot of fun and exciting things planned for students. Please check out some important dates below.

Winter Federal Programs Updates

All elementary schools in the Keystone Central School District are Title I schoolwide schools. That means that all five elementary schools receive Federal Programs Title I money, and we have a series of documentation and meetings that we must provide to families in order to satisfy the requirements of receiving those dollars.

Title I funds follow the students. When our students attend a nonpublic school, our school funds are allocated on a per pupil basis to the nonpublic school to support any students who have an academic need who would have attended a KCSD school. We work with our nonpublic schools to help support our students, because no matter where they attend, students who reside within the boundaries of KCSD are our students.

Title II funds are designed to support the teachers. We use Title II funds for professional development in areas such as mathematics, English/Language Arts, and social-emotional learning.

At all school levels, we use Title IV federal funds to purchase incentives for PBIS (our positive school-wide behavior supports) rewards, and we emphasize the goal of following school rules in all schools.

Required documents for families:

Right to Request Qualifications of Teachers (see Annual Notices and Policy Review button above) - if you wish to request a paper copy, please contact rmurty@kcsd.k12.pa.us .

Note: If your child is taught for four or more weeks by a teacher who is instructing in a content area for which they are not currently certified, the district must notify you. Four-week notification letters will be added here if that becomes necessary.

Non-Discrimination Statement (see Annual Notices and Policy Review button above) - if you wish to request a paper copy, please contact rmurty@kcsd.k12.pa.us.

ATTENDANCE MATTERS

In one school year

When a student misses 2 days a month, they will **MISS**

- 20 DAYS A YEAR
- 30 DAYS OF MATH
- 60 DAYS OF ELA

+ 1 YR & OVER 1 YEAR OF SCHOOL BY GRADUATION

It's never too late to improve attendance!

- Going to school more often will make a difference
- Attendance habits will follow your student into work & life.

EVERY DAY COUNTS

School & future success starts with **GOOD ATTENDANCE!!**

How parents can help?

Make sure your student is at school **on time, every day**

Have conversations with your student. Attending school **DOES** make a difference!

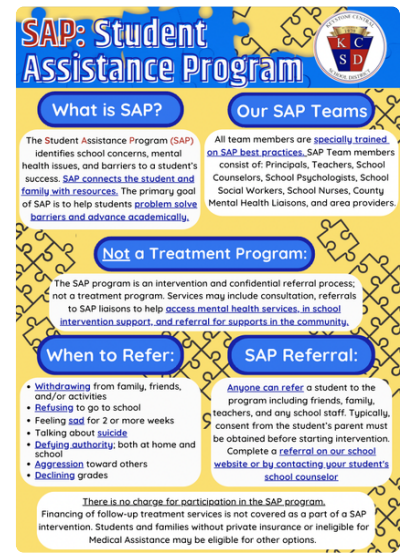

Schedule appointments outside of the school day, if possible.

Counseling Connection

SAP

If you are concerned about a student for any reason, you can make a SAP referral. The SAP referral can potentially lead to any needed services and/or supports the student may need to be

Click on the picture to make a referral!

SAP: Student Assistance Program

What is SAP?
The Student Assistance Program (SAP) identifies school concerns, mental health issues, and barriers to a student's success. SAP connects the student and family with resources. The primary goal of SAP is to help students problem solve barriers and advance academically.

Our SAP Teams
All team members are specially trained on SAP best practices. SAP Team members consist of: Principals, Teachers, School Counselors, School Psychologists, School Social Workers, School Nurses, County Mental Health Liaisons, and area providers.

Not a Treatment Program:
The SAP program is an intervention and confidential referral process; not a treatment program. Services may include consultation, referrals to SAP liaisons to help access mental health services, in-school intervention support, and referral for supports in the community.

When to Refer:

- Withdrawing from family, friends, and/or activities
- Refusing to go to school
- Feeling sad for 2 or more weeks
- Talking about suicide
- Defying authority, both at home and school
- Aggression toward others
- Declining grades

SAP Referral:
Anyone can refer a student to the program including friends, family, teachers, and any school staff. Typically, consent from the student's parent must be obtained before starting intervention. Complete a referral on our school website or by contacting your student's school counselor.

There is no charge for participation in the SAP program. Financing of follow-up treatment services is not covered as a part of a SAP intervention. Students and families without private insurance or ineligible for Medical Assistance may be eligible for other options.

Social Media Safety Tips for Kids

Be Cyber Safe

Ask kids what they saw on social media, how they understand what was posted, and how they would respond to various situations they might encounter online.

Limit Social Media Use

Limit social media use on platforms that include counts of likes or encourage excessive use. Use screen time settings to help your child set limits and learn self-control.

Stay Connected

Link your account to theirs to monitor their use. Explain that posts and messages aren't private and often are permanent, which could affect them now and in the future.

Watch for Problems

If you are concerned your child is dependent on social media, consider limiting access. If you think your child is experiencing psychological harm, talk to a mental health professional.
