Dear Parent or Guardian:

The Whitehall-Coplay School District is required to notify you when records that we are maintaining concerning students with, or thought to have, disabilities are no longer needed to provide educational services to the student (“no longer educationally relevant”). The following is intended to notify you of when the District considers certain records to be no longer educationally relevant:

- All test protocols and other raw data used as part of an evaluation or reevaluation will be considered no longer educationally relevant on the implementation date of a new evaluation report.
- All IEP progress monitoring data will be considered no longer educationally relevant as of the date on which such data are reported to parents or guardians in a progress report or at the conclusion of the school year during which such data are collected, whichever is sooner.
- All notes of IEP team members and draft IEPs, if any, will be considered no longer educationally relevant as of the date that the IEP to which such notes of drafts pertain is issued to the parents or guardian.
- All Permissions to Evaluate or Reevaluate, Invitations to IEP or Other Meetings and related documents, Evaluation or Reevaluation Reports, IEPs, Notices of Recommended Educational Placement and related documents, Complaint Investigation Reports, Mediation Agreements, and Hearing Officer Decisions will be considered no longer educationally relevant at the conclusion of the sixth year from the date on which the student graduates from High School, ceases residency in the District for reasons other than placement in a hospital or treatment facility, or attains age twenty-one, whichever is sooner.

Parents and guardians have the right to request, in writing, that the District destroy any or all records deemed no longer educationally relevant. The District, at its discretion, may also destroy such records without further notice to parents, guardians, or students.

If you have any questions concerning any of the foregoing information, please contact the Special Education Department at 610-439-1431 - Ext. 1055

Thank you,

WCSD Special Education Department
