2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Principal's Message

"High Academic Achievement and Good Citizenship for all Eastwood Students" is the message that Eastwood staff members deliver to our well-rounded diverse student population. Our mission is for all students to reach their full potential. Through rigor and relevance in the delivery of instruction, students will master core subjects, technology, and information systems, and develop life and career skills necessary for success in the 21st-century global economy. We have continuously outpaced the county and state in standardized testing and are at the top of the district in reading and math while nurturing the needs of each student. The use of technology is blended into our daily instruction; Chromebooks are available for all students in Transitional Kindergarten through 6th grade and are used to enhance teaching and learning.

Eastwood School is a unique place where people create and respect a warm, friendly, and enthusiastic environment. An "Open Door" policy establishes a comfortable atmosphere where children and adults work together effectively. Visitors to our campus clearly see the spirit of cooperation, pride, and dedication.

The Eastwood staff recognizes the key role parents play in the success of children and seek to work closely with the home to provide a climate which enhances learning, personal growth, and achievement. At Eastwood, we recognize that our resources are people - staff, parents, students, and community partners - all committed to the success and achievement of our children. This striving for excellence in education, using all partners, is the hallmark of Eastwood. It is the rationale behind our success and continued improvement, resulting in Eastwood becoming a California Gold Ribbon School and a California Distinguished School.

Eastwood has exceptional parent support and involvement. Eastwood PTA, parents, teachers, school staff, and students work together to make Eastwood one of the most active schools in Orange County. The PTA provides services, funds programs, organizes volunteers, creates business partnerships, raises funds, supports the community, and even has a club for fathers called "Dolphin Dads." Eastwood PTA has been recognized as one of the "Top Ten PTA's" in California. Eastwood has received the National PTA Reading Literacy Award for its outstanding and innovative reading program.

Eastwood's Student Body is involved in supporting the overall school program. Through an elected Student Council, the students raise money to provide field trips and special programs for students. The sixth graders work together to enable their entire class to participate in a week-long Outdoor Science School Program held in the nearby San Bernardino Mountains.

2023-24 School Description and Mission Statement

Eastwood School has also raised over \$35,000 in the past 6 years for the Leukemia and Lymphoma Society, top 5 in the county.

Community & School Profile

Westminster School District is located 35 miles southeast of Los Angeles in the city of Westminster, California, in beautiful Orange County. Real estate opportunities, self-owned businesses, marketing companies, and a variety of private and public sector organizations enrich the local economy. The district serves grades kindergarten through eight in the Westminster area as well as the neighboring communities of Garden Grove, Huntington Beach, and Midway City. The district is comprised of seven K-5, six K-6 elementary schools, and three middle schools. Frank N. Eastwood Elementary School opened in 1964 within a residential area in Westminster and since then has continued to provide students in grades preschool through six with a motivational learning experience. The Eastwood School community is located in the northwest corner of the city of Westminster in Orange County directly next to Bolsa Chica Park. The school facility is attractive, modern, and well maintained; it is situated in a quiet residential neighborhood. Eastwood Elementary School operates on a traditional schedule with 540 students enrolled at the beginning of the 2022-2023 school year. Student body demographics are illustrated in the chart.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Westminster School District held a hearing on October 13, 2022 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. The State of California. Core subject textbooks and instructional materials are provided for each student, including English Learners.

Standards-aligned texts and materials are reserved both for use in the classroom and to take home. All textbooks and instructional materials used within the school are aligned with California State Frameworks, State Board of Education, and District Standards.

Westminster School District is actively involved in the selection process of materials and textbooks. The selection process involves teachers, administrators, district support personnel, and parents. The district follows the State of California's Textbook Adoption Cycle, which requires every school site to review textbooks in each curriculum area within a seven-year cycle; textbooks are replaced at the rate of one subject area per year. The table contains a list of the most recent textbook adoptions in core curriculum areas for the school as of October 13, 2022.

School Facility Conditions and Planned Improvements

Eastwood Elementary School offers a safe and secure campus for students, staff, and visitors. The chart displays the results of the most recent facility inspection provided by the district in August 2023.

Cleaning Process & Schedule

The district governing board has adopted cleaning standards for all schools in the district. All schools are on a regular cleaning schedule. Each classroom is swept or vacuumed and the trash is emptied. The cafeteria, multipurpose room, and all restrooms are cleaned daily. Grounds are groomed on a rotating basis, with trash, lawn, and plumbing issues addressed daily.

Maintenance & Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed promptly. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, paving, and floor systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	60	63	44	44	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

The staff at Eastwood believe that parent involvement equates to excellent student performance. The ability to have an award-winning PTA at school has allowed the partnership to flourish.

The Eastwood PTA works diligently to provide continuity between students, families, and staff to improve education by supporting staff, encouraging students, and creating a sense of community.

The purpose of the PTA is to:

- Promote the welfare of children and youth in home, school, community, and place of worship.
- Raise the standard of home life.
- Secure adequate laws for the care and protection of children and youth.
- Bring into closer relation the home and the school that parents and teachers may cooperate intelligently in the education of children and youth.
- Develop between educators and the general public such united efforts as will secure for all children and youth the highest advantages in physical, mental, social, and spiritual education.

Parent Involvement Program

Eastwood has an established Parent Involvement Program that coordinates a variety of activities and events revolving around the following 6 key focuses: parenting, communicating, volunteering, decision making, learning at home, and community collaboration.

Parent involvement is an integral part of the school program.

2023-24 School Safety Plan

Eastwood Elementary School offers a safe and secure campus for students, staff, and visitors. Eastwood Elementary School is comprised of a kindergarten area, library media center, computer lab, large multipurpose room, and 29 classrooms. The school also enjoys a spacious playground with swings, a slide, play bars, and grassy fields for running, sports, and games.

Eastwood Elementary School's Comprehensive School Site Safety Plan is reviewed annually to ensure the protection of students and staff, the school and school property, and to establish a climate that is conducive to learning. All staff members have copies of the plan and annually attend in-service days regarding school site safety policies. Students participating in in-person instruction are supervised throughout the day by classified employees and teachers.

The school is in compliance with all laws, rules, and regulations pertaining to Covid-19 safety, hazardous materials, and state earthquake standards. At all times, the Westminster School District continues to follow CDC guidelines and abide by all health and safety measures and policies put forth by the State of California and Orange County. Safety measures enforced and resources provided to staff and students include but are not limited to:

- Providing staff and students with personal protective equipment (PPE) and sanitation supplies
- Enforcing the proper wearing of face masks
- Providing air purifiers in all classrooms
- Designating single-direction entrances and exits
- Providing additional handwashing stations
- Additional cleaning and sanitation of high-touch places

Additionally, earthquake preparedness drills, fire drills, and shelter in place drills are held regularly. In the event of an emergency, the school's Disaster Preparedness Plan has clearly defined procedures to accommodate crises and emergency

Professional Development

Annually there are three district staff, classified and certificated, professional development days. The topics for these days are determined by the district level focus areas such as safety, curriculum adoptions and instructional supports as well as input from the staff for "voice and choice" sessions tailored to specific needs such as social-emotional supports and staff evaluations. In addition, the district provides monthly release time for professional teams to work and learn together. Certificated staff also participates in bi-monthly Wednesday professional development in either team professional learning communities or targeted professional training sessions. Instructional support specialists provide classroom coaching and professional development that is on-going throughout the year. District staff also attend conferences and outside training that is site-determined such as behavior interventions and supports, AVID training, reading and writing conferences, technology conferences and GATE conferences. In addition, as part of the Westminster School District Strategic Plan, professional development is provided around the PLC process.
