2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Willmore Elementary School's Vision Statement:

"Willmore Thunderbirds are engaged, equipped, and empowered to pursue their passions and lead in a globally diverse community."

Willmore Elementary School's Mission Statement:

"At Willmore we..."

- Engage students in our interconnected community, promoting respect, effort, and pride.
- Equip students with critical thinking skills across all curriculum areas incorporating languages, coding and digital literacies.
- Empower all students as they explore their passions to be future-ready with options for college, career, and global leadership."

Principal's Message:

In accordance with Proposition 98, every school in California is required to issue a School Accountability Report Card. We are proud of Willmore Elementary School and welcome this opportunity to tell you more about us. Willmore Elementary School has an ongoing tradition of academic excellence. The students, parents, staff and community members have joined together to assure success for all students. The staff at Willmore believes each child is unique and deserving of a rich academic environment. Each student has access to a rigorous, standards-based core curriculum in language arts, mathematics, science and social science.

The highly qualified, professional staff is dedicated to the success of our students. We are fortunate to have many experienced and knowledgeable teachers eager to make a difference for our students. We believe that all children can learn through a student-centered approach, providing an atmosphere that nurtures each child's health, social, emotional, and intellectual needs. All children have talents and are given opportunities to develop those talents. We care about each one of our students and we want them to be successful, life-long learners.

Willmore Elementary School prides itself on involving parents and community members in every aspect of our school. We welcome visitors on campus for classroom visitations, student recognition assemblies, musical performances and other special events. We believe that the partnership of parents, community members and staff working together is the foundation for

2023-24 School Description and Mission Statement

success of our students. We are very proud of this fine tradition at Willmore Elementary School.

Willmore was recognized by California Association for Bilingual Education as a Seal of Excellence school, by the State of California as a Gold Ribbon school, received the Pivotal Practice, Common Sense, Title One Achievement Award, and the PBIS Gold Award (2018-19) for statewide recognition for implementing PBIS with fidelity to the national framework. Willmore Elementary School began a Dual Language Immersion Spanish/English Academy in the fall of 2016, with Preschool (a 3 year old class and a 4 year old class), and 2 dual Kindergarten classes. Following the 50-50 model, students learn 50% of the day in English and 50% of the day in Spanish. Additionally, Willmore launched a third language, coding, with computer science immersion through Code to the Future in 2017-18.

At Willmore, our commitment is to provide all students with the opportunity to become 21st century learners, preparing them to be multilingual, multi-literate, and multicultural global citizens. Students will develop critical thinking skills, confidence, worldly connections, and a growth mindset in an engaging way, with the opportunity to reach new limits of imagination. Students have the future at their fingertips at Willmore, with transformed classroom environments and blended learning environments to propel innovation! All students in grades TK-6th grade will have the opportunity to learn coding skills in 21st century learning environments. Teachers have been trained to incorporate coding into their curriculum. With 1-1 Chromebooks in grades TK-6th grade, teachers are implementing blended learning environments to provide small group, targeted instruction to their students. This differentiated instruction allows teachers to identify needs, set goals, and provide meaningful feedback to all students.

Community & School Profile

Westminster School District is located 35 miles southeast of Los Angeles in the city of Westminster, California, in beautiful Orange County. Real estate opportunities, self-owned businesses, marketing companies, and a variety of private and public sector organizations enrich the local economy. The district serves grades kindergarten through eight in the Westminster area as well as the neighboring communities of Garden Grove, Huntington Beach, and Midway City. The district is comprised of seven K-5, six K-6 elementary schools, and three middle schools. Neomia B. Willmore Elementary School first opened in 1965 and closed for much of the 80's. Due to an increase in district enrollment, the school reopened in the fall of 1994. Willmore Elementary is a neighborhood school serving the community of central Westminster, teaching students in Transitional Kindergarten through sixth grade. Willmore Elementary School operates on a traditional schedule with 506 students enrolled at the beginning of the 2022-23 school year. Total enrollment in the district for the 2022-23 school year was approximately 8,181 students. Student body demographics are illustrated in the chart.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Westminster School District held a hearing on October 13, 2022 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. The State of California. Core subject textbooks and instructional materials are provided for each student, including English Learners.

Standards-aligned texts and materials are reserved both for use in the classroom and to take home. All textbooks and instructional materials used within the school are aligned with California State Frameworks, State Board of Education, and District Standards.

Westminster School District is actively involved in the selection process of materials and textbooks. The selection process involves teachers, administrators, district support personnel, and parents. The district follows the State of California's Textbook Adoption Cycle, which requires every school site to review textbooks in each curriculum area within a seven-year cycle; textbooks are replaced at the rate of one subject area per year. The table contains a list of the most recent textbook adoptions in core curriculum areas for the school as of October 13, 2022.

School Facility Conditions and Planned Improvements

Willmore Elementary School offers a safe and secure campus for students, staff, and visitors. The chart displays the results of the most recent facility inspection provided by the district in September 2022.

Cleaning Process & Schedule

The district governing board has adopted cleaning standards for all schools in the district. All schools are on a regular cleaning schedule. Each classroom is swept or vacuumed and the trash emptied. The cafeteria, multipurpose room, and all restrooms are cleaned daily. Grounds are groomed on a rotating basis, with trash, lawn, and plumbing issues addressed daily.

Maintenance & Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service that emergency repairs are given the highest priority.

Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, paving, and floor systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	45	43	44	44	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Willmore Elementary School is aware of the positive correlation between parent and community involvement and the success of students. Parents and community members are encouraged to join the teachers and the principal in the many activities, programs, and organizations that support its students, such as Healthy Start, Parent and Community Volunteers, GATE Program, School Site Council (SSC), Parent Teacher Association (PTA), English Learner Advisory Committee (ELAC), and monthly Coffee with the Principal meetings. Willmore offers several parenting class opportunities, such as Parenting Partners, School Smarts, and Latino Literacy. These trainings create meaningful parent involvement by bringing all backgrounds together to support and help their children and schools succeed.

Willmore Elementary School receives support from the City of Westminster, McDonalds, and the Boys and Girl's Club of Westminster. We are also building the relationship with Westminster High School through the dual immersion program. The High School invited students for the Dia de los Muertos celebration, sent AP Spanish students to our dual classes to read the illustrated stories they wrote, and perform for Cinco de mayo and TET.

Willmore Elementary School encourages all parents to become involved in the school. Parent Conferences, Open House, and Back to School Nights are designed to welcome parents, seek input, and answer questions. The school also has an active Parent Teacher Association and publishes a monthly calendar and newsletter to provide parents with updates on the school's activities. Parents are encouraged to make an appointment with their child's teacher or principal at any time. Monthly family nights are scheduled to encourage family involvement and participation, including STEAM Night, reading nights, family movie nights, game nights, and holiday performances to name a few. Parents are welcome to volunteer at the school and in the classrooms to support student learning. Parent involvement is an integral part of the school program.

2023-24 School Safety Plan

Willmore Elementary School offers a safe and secure campus for students, staff, and visitors. The school was built in 1965 and provides up-to-date facilities and adequate space for students and staff. The school is comprised of a kindergarten area, library media center, innovation lab, large multipurpose room, and classrooms. The school also enjoys a playground with swings, a slide, play bars, and grassy fields for running, sports, and games.

Willmore Elementary School's Comprehensive School Site Safety Plan is reviewed annually to ensure the protection of students and staff, the school and school property, and to establish a climate that is conducive to learning. All staff members have copies of the plan and annually attend in-service days regarding school site safety policies. Students participating in in-person instruction are supervised throughout the day by classified employees and teachers.

The school is in compliance with all laws, rules, and regulations pertaining to Covid-19 safety, hazardous materials, and state earthquake standards. At all times, the Westminster School District continues to follow CDC guidelines and abide by all health and safety measures and policies put forth by the State of California and Orange County. Additionally, earthquake preparedness drills, fire drills, and shelter in place drills are held regularly. In the event of an emergency, the school's Disaster Preparedness Plan has clearly defined procedures to accommodate crises and emergency supplies are available.

Professional Development

Annually there are three district staff, classified and certificated, professional development days. The topics for these days are determined by the district level focus areas such as safety, curriculum adoptions and instructional supports as well as input from the staff for "voice and choice" session tailored to specific needs such as social-emotional supports and staff evaluations. In addition, the district provides monthly release time for professional teams to work and learn together. Certificated staff also participates in bi-monthly Wednesday professional development in either team professional learning communities or targeted professional training sessions. Instructional support specialists provide classroom coaching and professional development that is on-going throughout the year. District staff also attend conferences and outside training that is site determined such as behavior interventions and supports, AVID training, reading and writing conferences, technology conferences and GATE conferences. In addition to district professional development Willmore has received training specifically for our Dual Language program in C6, the use of iStation and in CGI Math training.
