**Building Diversity
in the Dental Field**

FREE Dental Sciences Camp for High School Students!

Are you interested in dental health sciences? The Dental Health Summer Institute is a **FREE** course provided by the Old Dominion University Gene W. Hirschfeld School of Dental Hygiene and the Delta Dental of Virginia Foundation for high school students interested in learning more about dental health professions.

- Join us each day, June 24th – June 28th. The June 26th class will be 2 – 5 p.m. with an option to attend in person or virtual.
- This course is virtual, interactive and completely FREE.
- For rising high school Sophomores, Juniors and Seniors.
- Learn about careers in the field of dental health sciences.
- Receive a FREE dental lab kit!
- Participate in an online tour of Old Dominion University and gain skills on the college admissions process.

All are welcome to apply, but preference will be given to under-represented students.

Apply at <https://forms.odu.edu/view.php?id=493015> by March 4, 2024.
