Dear Mahwah School Community:

The Mahwah Public School District has opened the registration process for our 2024-2025 full-day kindergarten program. Preliminarily, welcome to our school district!

It is of the utmost importance that we gather accurate and timely enrollment information about next school year's incoming kindergarten class. Any resident child aged five on or before October 1, 2024, is eligible for enrollment.

Our district now uses an online pre-registration format for all incoming kindergarten students. The online pre-registration process consists of the submission of basic student enrollment information and a brief developmental survey completed by parents/guardians, as well as links to health and physical forms.

All families of incoming kindergarten students need to provide proofs of residency to validate enrollment eligibility. A list of acceptable documents can be found on the online pre-registration link. Once the pre-registration form has been submitted, you will receive an email from [noreply@realitinc.com](mailto:noreply@realitinc.com) with links and instructions for uploading the requested documents.

Parents/guardians requiring information regarding which school their child will attend should contact the district administrative offices at: (201) 762-2407.

**The pre-registration forms must be completed by Wednesday, March 15, 2024.**

Pre-registration can be completed at:

For your convenience, and to facilitate collection of **remaining documents, physical and immunization records**, you can scan the documents and email them to the respective school. Below are the email addresses for each school.

- ✚ Documents requiring original signatures must be **submitted physically to the school**

An orientation will be held at each school in late spring. Primary school principals will provide further information regarding orientation to parents/guardians after the registration process is completed.

In the spirit of continuing to remain flexible, as we are unsure of what the spring will bring, the dates for orientation have been scheduled, but are subject to change or be adjusted:

We thank you for your help and ask you to help us spread the word about our kindergarten registration process to neighbors and friends who may have kindergarten-aged students.

We look forward to seeing you this spring!

Sincerely,

Superintendent
