SARC INFORMATION

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- Visit the CDE CDE SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>, for more information about SARC requirements.
- Visit the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>, for more information about the LCFF or LCAP.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DATAQUEST

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

CALIFORNIA SCHOOL DASHBOARD

The California School Dashboard (Dashboard) reflects California's new accountability and continuous improvement system and provides information about how districts and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of districts, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. The Dashboard can be accessed at <https://www.caschooldashboard.org>.

DISTRICT MISSION

The Hacienda La Puente Unified School District is a community committed to developing lifelong learners who value themselves and the diversity of all people; apply decision-making skills leading to responsible actions; and use creativity, critical thinking, and problem-solving in meeting the challenges of a changing society.

SCHOOL PROFILE

The Hacienda La Puente Unified School District is the largest school district in the San Gabriel Valley, serving approximately 80,000 students; 20,000 pre-K-12 and 30,000 adult education students at two main facilities and 32 satellite sites. The District also has the largest correctional education program in the nation, serving an additional 33,000 students at eight correctional facilities throughout Los Angeles County. The 11.5 square mile District serves the diverse communities of City of Industry, Hacienda Heights, La Puente and portions of Valinda and West Covina. The District includes 16 elementary schools, six K-8 schools, four middle schools, four comprehensive high schools, one alternative high school, an orthopedic unit for the physically handicapped, and an extensive child development and adult education program. The District also maintains an Administration Center, an Instructional Services Center, a Multilingual Assessment Center, a Professional Library, and a Curriculum Lab.

SCHOOL STATEMENTS

School Mission:

We at Palm Elementary School believe that all students will learn. We will provide a safe nurturing and collaborative environment to ensure that children achieve at their highest potential for the 21st century. Our community empowers students to be proactive learners with inquisitive minds and a sense of social justice and the value of learning. School Values

- Understand differences and respect diversity
- Be confident and assertive
- Believe that every student can learn and succeed
- Build positive relationships
- Keep an open mind and value multiple points of view
- Support all learning styles

Principal's Message:

The School Accountability Report Card has been established by Proposition 98, an initiative passed by California voters in November 1988. The Report Card, which must be issued annually for each elementary and secondary school in the State of California, provides an assessment of selected conditions related to the school, its resources, its successes and the areas in which improvements may be needed. The teaching staff of Palm Elementary School provide an education focused on student achievement through standards-based instruction. The teachers have fully incorporated the California Standards into their curriculum as they prepare students for the year end Smarter Balanced Assessment. Additionally, teachers work in Professional Learning Communities within their grade levels in order to provide a rigorous program. Palm Elementary School puts forth great effort to involve our parents and community in our school as well as to keep them informed. A few of the ways we provide these opportunities is through parent committees such as School Site Council, English Learner Advisory Committee and PTA. Additionally, we provide parent awareness presentations on a variety of youth related topics including healthy eating habits, study skills, internet safety, and other pertinent informational meetings.

CONDITIONS OF LEARNING

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

TEACHER ASSIGNMENT

The tables below display information regarding teacher preparation and placement, teachers without credentials and misassignments (considered “ineffective” under ESSA), credentialed teachers who are assigned out-of-field (considered “out-of-field” under ESSA); and class assignments. The data is collected and provided through an exchange with the Commission on Teacher Credentialing (CTC) and its California State Assignment Accountability System (CalSAAS). More information about the definitions used to determine the displayed data is available on the CDE’s Updated Teacher Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

SCHOOL FACILITIES

Palm Elementary School provides a safe, clean environment for students, staff, and volunteers. The school is situated on 9.3 acres. School facilities were built in 1960, and include 19 classrooms, two kindergarten classrooms, a multipurpose room, and administrative offices.

Cleaning Process and Schedule

The District has adopted cleaning standards for all schools in the District. A summary of these standards is available at the school office or at the District office. The site administration team works with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Maintenance and Repair

Safety concerns are the number one priority of Maintenance and Operations. District maintenance supervisors are proactive and conduct inspections at school sites on a continual basis. Repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

FACILITY INSPECTION RESULTS

The chart displays the results of the most recent facilities inspection at the school. While reviewing this report, please note that even minor discrepancies are reported in the inspection process.

INSTRUCTIONAL MATERIALS

Hacienda La Puente Unified School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school's instructional program. Hacienda La Puente Unified School District held a Public Hearing on September 14, 2023, and determined that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment, pursuant to the settlement of Williams vs. the State of California. All textbooks and instructional materials used within the District are aligned with the Common Core State Standards.

All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects and foreign languages for use in the classroom and to take home. Instructional materials for grades K-8 are selected from the State's most recent list of standards-based materials; for grades 9-12, all materials have been approved by the Board of Education.

Hacienda La Puente Unified School District follows the State Board of Education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in foreign language and visual and performing arts. District textbook review and adoption activities occur the year following the State's adoption.

PUPIL ACHIEVEMENT AND OUTCOMES

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS

The California Assessment of Student Performance and Progress (CAASPP) is a collection of tests used statewide to provide teachers, students and parents with information about how students are doing in school. The assessment system utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Summative assessment results include student scores, achievement levels, and descriptors that describe performance. Information regarding the CAASPP test results of mathematics for each grade and achievement standards can be found on the CDE CAASPP-ELPAC Results website at <https://www.caaspp-elpac.cde.ca.gov/caaspp/>. The CAASPP System consists of the following assessments:

- Smarter Balanced English language arts/literacy (ELA) and mathematics
- California Alternate Assessments for ELA, mathematics, and science
- California Science Test (CAST)
- California Spanish Assessment (CSA)
- Smarter Balanced Interim Assessments

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The value "N/T" indicates that students were not tested, and therefore no scores are available at this time.

ASSESSMENT RESULTS

The table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11), Mathematics (grades 3-8 and 11), and Science (Grades 5, 8, and high school).

OTHER OUTCOMES

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):
 - Pupil outcomes in the subject area of physical education

PHYSICAL FITNESS ASSESSMENT

In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in five major areas. The five major areas are Aerobic Capacity, Abdominal Strength and Endurance, Extensor and Strength and Flexibility, Upper Body Strength and Endurance, and Flexibility.

The table displays the percentage of students participating in each of the five fitness evaluations by grade. Detailed information regarding this test may be found at the CDE website at <http://www.cde.ca.gov/ta/tg/pf/>.

PUPIL ENGAGEMENT

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout and graduation rates
- Chronic absenteeism rates

CHRONIC ABSENTEEISM

Attendance is critical to academic achievement. Regular daily attendance is a priority and is expected for students. A student who is absent on 10 percent or more of the school days in the school year is considered to be a “chronic absentee”. Chronic absenteeism negatively impacts student learning and achievement and is closely monitored by school staff and the district. Rates of chronic absenteeism for the school are displayed below.

Chronic Absenteeism Rate (Percentage)

PARENT ENGAGEMENT

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

PARENT INVOLVEMENT

The parents and community of Palm Elementary School are very important and supportive to the educational program. Palm students benefit from the support of our PTO and local business donations in order to experience programs and activities that enrich their learning.

Palm Elementary school supports the following community activities/programs: After School Education and Safety (ASES), Boy Scouts of America, Girl Scouts of America, and Hacienda Heights Soccer Academy.

Parents who wish to participate in Palm Elementary School leadership teams, school committees, school activities, or become volunteer readers may contact the school at (626) 933-7401.

This year, our school is following guidelines in order to best replicate parent and community volunteerism while adhering to our current COVID-19 restrictions.

SCHOOL CLIMATE

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

SUSPENSIONS AND EXPULSIONS

The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted. Due to the COVID-19 pandemic, the 2020-2021 rate data is not comparable. In instances where there was not in-person learning for the entire school year, it would be inappropriate to make any comparisons of the suspension and expulsion rates to school years that offered in-person learning for the entire school year.

SCHOOL SAFETY

The safety of students and staff is a primary concern of all Hacienda La Puente Unified schools and staff. All visitors to the campus must sign in at the school office and wear a visitor's pass at all times. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision is a responsibility shared among volunteers, teachers, and administrators.

The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Safety drills, including fire, earthquake, and lock-down, are held on a rotating basis throughout the year.

To further safeguard the well-being of students and staff, a comprehensive School Site Safety Plan has been developed by the School Site Council. The Safety Plan is annually updated in the fall; the last review was performed in September, 2023. An updated copy of the plan is available to the public at the school and District offices. Any revisions and updates are reviewed immediately with the staff. Key elements of the Safety Plan focus on the following:

- School rules and procedures
- Disaster procedures/routine and emergency drills
- Current status of school crime
- Notification to teachers
- Child abuse reporting procedures
- School-wide dress code
- Policies related to suspension/expulsion
- Sexual harassment policy
- Safe ingress and egress of pupils, parents/guardians, and school employees

During the COVID-19 pandemic, protecting the health and safety of our staff, students and families is a priority. Hacienda La Puente Unified has created comprehensive health and safety protocols which include: cleaning, disinfecting and sanitizing, use of personal protective equipment, symptom screening, social distancing, hygiene practices, testing, and responding to positive cases.
