Board of Education Mission Statement

The Brentwood School District, in partnership with our community, will provide an exceptional education, build character, and empower all students to reach their full potential as life-long learners in a diverse, global society.

Purpose

The BOE (Board of Education) oversees and manages a public school district's affairs, personnel, and properties. They represent the community's diverse beliefs and values. They meet on the 3rd Thursday of each month in the Public Meeting Room of the Anthony F. Felicio Building. All are invited to attend.

Importance of our mother tongue...

"When children continue to develop their abilities in two or more languages throughout their primary school years, they gain a deeper understanding of language and how to use it effectively." - Jim Cummins

Our Board of Education

Julia Burgos, First Vice President, Eileen Felix, President, Cynthia Ciferri, Second Vice President, Hassan Ahmed, Trustee, Eileen Harman, Trustee, Brandon Garcia, Trustee, Maria Malave, Trustee

Our Central Administration

Stacy O'Connor Assistant Superintendent for Finance and Operation

Matthew Gengler Assistant Superintendent for Secondary Education

Wanda Ortiz-Rivera Interim Acting School Superintendent

Ann Palmer Assistant Superintendent for Primary Education

Rhonda Young Assistant Superintendent of Special Services

Our Vision Statement

If I can dream it, I can do it! *¡Si puedo* soñarlo, *puedo hacerlo!* -Walt Disney

With honor, integrity and dedication, our vision is to graduate ELL/MLL students who are autonomous critical thinkers, communicators, and innovators. We will nurture, inspire, and empower students to take ownership of their own learning, take pride in their culture, background, and multi-literacy, as well integrate 21st Century Skills into their life's work

so that they may become dynamic, empathetic, and successful citizens in our diverse global society.

Our Mission To accomplish our vision, we will:

- Cultivate communication with students and students' families
- Establish clear expectations and success criteria through the use of models and rubrics
- ♦ Use SIOP best practices to support student academic success
- ◆ Incorporate instruction that helps students learn how to tackle relevant and authentic 21st Century challenges
- Differentiate instruction for ALL
- Use stakeholder surveys, diagnostic tools, formative, and summative tasks/assessments to inform/drive our instruction, programs, and practice
- Guide students to self-assess and set specific individual goals
- ♦ Make use of available technological resources to engage and empower students in their learning and their application of learning

Every school has an active PTA affiliated with the state and national PTA organizations. Throughout the years, the PTA has been an integral part of the school system. They have worked with the Board of Education and with the public on expansion programs and School Improvement Teams.

They work closely with the administration and teachers of the schools to ensure the best possible education for all children. Membership in the PTA is highly recommended as an opportunity for parents/guardians or any adult interested in education to work closely with the schools in the education of the children in our District.

In addition to being affiliated with the state and national PTAs, each local unit belongs to the Brentwood Council of PTSAs (Parent-Teacher-Student Association). The council coordinates the work of the individual units, provides training for any adult interested in being a PTA leader, advocates for children and youth, and ensures that all PTA policies are followed. The council promotes cooperation among the individual units. The President of the Brentwood Council of PTSAs is Mildred Rivera.

Please check this publication for the dates of specific PTA meetings or check with the school your child attends. Remember, meeting dates are subject to change.

Identifying English Language Learners-ELLs & Multilingual Learners-MLLs

What is the initial identification procedure for ELLs / MLLs in New York State?

In New York State there is a very specific initial identification process designed to determine whether a newly enrolled student may be an English Language Learner. This initial process must be conducted within the first 10 days of a student's enrollment and it includes the following four steps:

- 1. Administration of the Home Language Questionnaire (HLQ)
- 2. Conduct an informal interview in English and in the home language
- 3. Administration of a formal English assessment
- 4. Placement in an appropriate program

The HLQ is administered to determine whether there is another language, other than English, spoken at home and represents the first step in the identification process. The HLQ must be completed by the parent or guardian of each new entrant at the time of the students' initial enrollment in a New York State school. Schools must provide the HLQ in the language the parent or guardian best understands. If the responses on the HLQ indicate that a language other than English is spoken at home or that the student speaks a language other than English, then an informal interview in the native language and English must be conducted. If the informal interview indicates that the student is possibly an ELL, an assessment of the students' level of English language proficiency must be conducted using the New York State Identification Test for English Language Learners -**NYSITELL**.

Placing ELLs/MLLs in a Bilingual or ENL Program

How does my child get placed?

Placement in the appropriate instructional program begins after the administration of the *New York State Identification Test for English Language Learners*-**NYSITELL**. Based on the results of the NYSITELL, students are identified either as an English Language Learner (ELL)/Multilingual Learner (MLL) or English Proficient (EP). Students who are identified as EP must enter a general education program. Similarly, students who are identified as ELL/MLL must be placed in a Bilingual Program or English as a New Language (ENL) Program.

When is the NYSITELL administered?

The New York State Identification Test for English Language Learners -**NYSITELL** is administered after the parent/guardian completes the Home Language (HLQ) and an informal interview is conducted in the native language and in English. The NYSITELL reveals whether or not the student should receive Bilingual/ENL services.

What is the **NYSESLAT**?

The **NYSESLAT**-New York State English as a Second Language Achievement Test is the annual English language assessment used to measure ELL/MLL students' annual English language growth once in Program. It is administered each spring and is categorized across six grade bands: K, 1-2, 3-4, 5-6, 7-8, and 9-12. It consists of *Listening, Speaking, Reading and Writing.* The score reflects the students' English language proficiency level. There are five: *Entering, Emerging, Transitioning, Expanding and Commanding*-English Proficient. <u>Our</u> goal is for every student to reach the *COMMANDING* level/English Language Proficiency.

Program Models we offer in BUFSD

1. Transitional Bilingual Program

Classes are taught in English and Spanish with a certified teacher who has a bilingual extension. Students will receive instruction in both languages daily. The minutes of instruction in each language is determined by their level of English proficiency. Students must be able to speak and understand the Spanish language. This program maintains and develops skills in the primary language while introducing, maintaining, and developing skills in English. The primary purpose of this program is to facilitate the ELL/MLL student's transition to an all English instructional program, while the student receives academic subject instruction in the primary language.

* SIFE stands for Student with Interrupted Formal Education.

Students in this Bilingual Program have had interrupted or inconsistent formal education. SIFE programs are offered in West Middle and the High School. This program is designed for students who are over aged and under schooled.

2. ENL—English as a New Language Program

For grades K-12, English as a New Language (ENL) instruction is required to be offered through two settings:

 Integrated ENL - ENL methodologies in content area instruction co-taught or individually taught by a dually certified teacher);
 Stand Alone ENL- ENL instruction with an ESOL teacher to develop the English language needed for academic success.

Required minutes of instruction are based on the student's English language proficiency level: *Entering, Emerging, Transitioning, Expanding or Commanding.*

ENGLISH LANGUAGE LEARNERS (ELLs) SCREENING, IDENTIFICATION, PLACEMENT, REVIEW, AND EXIT CRITERIA ELL Screening, Identification, and Placement must be completed within 10 school days from enrollment date. **STEP 1: SCREENING** SCREENING - HOME LANGUAGE QUESTIONNAIRE: Administer the Home Language Questionnaire (HLQ) to all new students, which is to be maintained in 1a. each student's cumulative record. Information regarding the Parent Orientation session

CONTINUE TO STEP 2d. PARENT ORIENTATION FOR NEW ENGLISH LANGUAGE LEARNERS

2d. PARENT ORIENTATION FOR NEW ENGLISH LANGUAGE LEARNERS

Prior to an ELL's placement in a Bilingual Education (BE) or English as a New Language (ENL) program, districts are required to provide the parents/guardians of new ELL entrants with a high-quality orientation session in the parents/guardians' indicated preferred language. The session must include information regarding New York State Common Core Learning Standards (CCLS), assessments, school expectations for ELLs, and program goals and requirements for BE and ENL programs. Orientation agendas and sign-in sheets must be maintained in district/school files.

CONTINUE TO STEP 3. ELL PROGRAM PLACEMENT

STEP 3: ELL PROGRAM PLACEMENT

ELL PROGRAM PLACEMENT: Students must be identified and placed in an appropriate ELL program within 10 school days of enrollment. BE is the default ELL instructional program placement. Grade span for any BE or ENL class is 2 contiguous grades. Bilingual Special Education services are provided per the IEP of a student with a disability. The grade/age span for ENL classes provided within a special class must comply with CR section 200.6 (h)(5).

Parent Notification and Agreement of ELL Program Placement. BE is the default ELL Program Placement. BE programs must be in place for parents to have the ability to opt out of a BE program. ELLs are to be placed in a timely fashion whether or not parents/guardians attend the orientation session. If parent/guardian does not attend the orientation, then the student must be placed in a BE program.

Parents must receive written notification of their child's ELL Program Placement, including, but not limited to the following:

1) Their ELL child's placement in a BE or ENL program.

2) A BE program is required in a school when 20 or more recently enrolled grade-level students speak the same home/primary language. In New York City, per the ASPIRA Consent Decree, a BE program is required in grades K-8 if 15 or more grade-level students speak the same language in two contiguous grades. In any district in New York State, if there is not a sufficient number of qualifying students in a school, but there are within the district, the district must provide a BE program.

3) In a school district where the number of eligible students requires that a program be provided, but the school district has been granted an exemption, the notification must explain how the school will offer home language support and its plans for instituting a BE program the following school year. For more information to include in the parent notification of ELL program placement letter, see CR section 154-2.3(f).

STEP 4: REVIEW OF ELL IDENTIFICATION DETERMINATION

4. REVIEW OF ELL IDENTIFICATION DETERMINATION: CR section 154-2.3(b) provides a mechanism for schools/districts to address possible instances of initial ELL misidentification.

Upon receiving a written request from a parent/guardian, teacher, or student age 18 years or older within 45 school days of a student's initial ELL designation, a district has 10 school days to initiate a Review of ELL Identification Determination. The review must be concluded within 10 school days (if Committee on Special Education (CSE) consulted, 20 school days). Before final determination, parents are to be informed and consent to the results of the Review of ELL Identification Determination. Within six months to one school year of a review, the school principal is required to review all decisions to remove ELL status. Any reversal must be made in consultation with the Superintendent and with consent of the parent.

STEP 5: ELL EXIT CRITERIA

ELL EXIT CRITERIA: Upon exiting ELL status, an ELL is entitled to 2 years of Former ELL Services and testing accommodations on NYS assessments. The same Exit Criteria pertain to ELLs with disabilities, but they must receive testing accommodations listed in their IEPs. (Please refer to CR section 154-3.4.)

Frequently Asked Questions

• As a parent, may I refuse ENL services for my child?

ENL services are not optional. Under federal and state regulations, students who do not test *Commanding* are required to receive ENL services. You may only opt out of the Bilingual Program with the understanding that your child will be placed in ENL services.

• Can parents withdraw their child from an English as a New Language-ENL Program?

No, parents <u>do not</u> have the option to withdraw their child from an ENL program. As soon as a child is identified and placed in the ENL Program, New York State requires that child receive ENL instruction appropriate to their proficiency level.

• How long may a student remain in an ENL Program?

ELLs/MLLs must receive instruction in an ENL program until they reach the *Commanding* level on the NYSESLAT, regardless of years of service.

• What does Commanding Level mean? The student is English Language Proficient.

• How long may a student remain in a Bilingual Program? Students enrolled in grades K-12 can remain in a bilingual program based on Part 154-2 regulations and availability of programs.

Is the NYS English Language Arts (ELA) Assessment available in other languages?

No, the ELA assessment is a test of English language arts, and therefore is not administered in other languages.

• In what languages are the NYS content-area assessments available?

The Grades 6-8 assessment in mathematics is available in Arabic, Bengali, Chinese, Haitian-Creole, Korean, Russian and Spanish. The Grade 8 science assessment is available in Arabic, Bengali, Chinese, Haitian-Creole, Korean, Russian and Spanish. In the event that the test is not available in the student's first language an interpreter may be provided.

High School level assessments such as: Regents in U.S. History and Government, Global History and Geography, Physical Setting/Earth Science, Physical Setting/Chemistry, Physical Setting/Physics, Living Environment, Integrated Algebra, Algebra 2/Trigonometry, and Geometry are also available in Chinese, Haitian-Creole, Korean, Russian and Spanish. In the event that the test is not available in the student's first language an interpreter may be provided.

• What other accommodations regarding the New York State and Regents exams can ELL students receive? ELL students receive accommodations such as extended time and separate location. For more information, refer to the New York Education Department website for assessments and accommodations: <u>http://www.nysed.gov/</u> bilingual-ed/english-language-learnermultilingual-learner-assessment-testing-accommodations

• Do these accommodations apply to a student who has reached the *Commanding* Level and/or is no longer classified as an ELL?

Students can obtain accommodations for the Regents exams up to 2 years after receiving a proficient score (*Commanding Level*) on the **NYSESLAT** -*New York State English as a Second Language Achievement Test.*

...FAQs continued

• What is a SIFE student or Student with Interrupted Formal Education and/or inconsistent Education?

A SIFE student is an ELL—English Language Learners who has attended school in the United States for less than twelve months and who are two or more years below grade level in literacy in their home language and/or are two or more years below grade level in math due to inconsistent or interrupted schooling prior to arrival in the United States. The definition includes *Low Literacy SIFE* which are students that have literacy at or below third grade in their home language. This means that they are not yet fluent readers in any language and do not independently use text as a resource to build new knowledge.

•If we speak another language at home, will it negatively affect how my child learns English?

NO, in fact, it will help the student develop English. Bilingual/multilingual students develop a more flexible brain and a series of cognitive skills that will help them learn language more effectively.

• Will my child get confused using two languages?

Learning two or more languages at the same time does not confuse your child. Children raised in places where both languages are spoken and valued will experience cognitive, social, and possibly economic benefits. Children exposed to more than one language have a higher tissue density in areas of the brain related to language, memory and attention.

• Will my child learn English faster if he is exposed to only English?

Research shows that students who are taught in their native language learn English faster. The knowledge acquired in the native language is transferred to the second language. In fact, learning to read in the native language helps to obtain a better level of reading in English. (source: National Reading Panel: Teaching Children to Read, 2006) Bilingualism provides multiple advantages and, as the New York Times stated, "Being bilingual makes people smarter." (source: Why Bilinguals are Smarter, NY Times 2012)

• What is the purpose of a 504?

The 504 Plan is a plan developed to ensure that a child who has a disability identified under the law, and is attending an elementary or secondary educational institution, receives accommodations that will ensure their academic success and access to the learning environment.

• What is the purpose of the Commissioner's regulation Part 117?

The purpose of this regulation is to establish standards for the evaluation of each new entrant to the schools, in order to determine which students are possibly gifted, or if they have a disability and/or if they need to learn English in accordance with subdivision 2- a of section 3204 of the Education Law.

• What is the purpose of the Commissioner's regulation Part 154-2?

The purpose of this regulation is to establish standards for the education of students who need to learn the English language. In accordance with these standards, all districts must provide ELL/MLL students with equal access to all programs and services offered by the district that are appropriate to their age and grade level, including access to programs required for graduation.

MYTH vs. FACT

Bilingual Language Development

MYTH

Speaking 2 or more languages to a child can "confuse" them, so it is better to only speak 1 language.

It is better for families to only speak the language taught in school to their children, even if they do not speak the language well.

> Young bilingual children are delayed in learning language compared to peers who only speak 1 language.

Bilingual children should not mix parts of the languages they speak.

Children become bilingual just by listening to people around them speaking the second language.

FACT

All children are capable of learning multiple languages, including children with developmental delays and learning disabilities.

Families should speak the language they are most comfortable speaking, so children are given rich linguistic models and can interact best with other members of their community

Bilingualism does NOT cause language delays, and has been shown to improve children's ability to learn new words, identify sounds, and problem-solve.

Ο

"Translanguaging" occurs when individuals grammatically mix aspects of the languages they speak. It fosters cultural and metalinguistic awareness.

Learning language is an activ process that requires many opportunities for children to practice communicating in context with others. Listening and responding are both cruci for developing competence.

The New York State Department of Health requires that children attending school should be ageappropriately immunized. Vaccines protect you, your children and your community from a long list of serious and potentially life-threatening illnesses. Parents and/or guardians must provide appropriate proof of immunization before they are permitted to attend school. For more information, please contact the school nurse.

NOTES: Children in a prekindergarten setting should be age-appropriately immunized. The number of doses depends on the schedule recommended by the Advisory Committee on Immunization Practices (ACIP). Intervals between doses of vaccine should be in accordance with the ACIP-recommended immunization schedule for persons 0 through 18 years of age. Doses received before the minimum age or intervals are not valid and do not count toward the number of doses listed below. See footnotes for specific information for each vaccine at https://www.health.ny.gov/publications/2370.pdf Children who are enrolling in grade-less classes should meet the immunization requirements of the grades for which they are age equivalent. For more information: 518-473-4437 or 347-396-2433.

Student Attendance

Your child's success in school, as well as the ability to learn good work habits, are directly related to attendance and punctuality. Please do everything possible so that your child arrives to school on time and is absent only if necessary. New York State law requires that individuals ages 6 to 16 attend school for the entire year. By law, a student who turns 16 during the school year must complete the year. If students have not graduated high school, they can attend until they reach 21 years of age. Students who attend classes on time and every day are more likely to succeed in their studies and state exams.

ABSENCE

New York State assistance laws require a written excuse note for each absence, stating the reason for the absence. This note must accompany your child upon returning to school. Please call the school when your child is absent. Each time your child is absent from school, a note of absence similar to the one on the next page, should be sent to your child's teacher.

*Extended Holidays during the school year are not advisable and they are considered illegal absences.

LEGAL ABSENCES include: a death in the family, personal illness, hospitalization, appointment with the dentist-full day, appointment with the doctor-full day, and an appointment in court. Telephone calls are every day during school hours. Contact your school's office to report all student absences.

ILLEGAL ABSENCES

Students who are illegally absent will receive a phone call home indicating the class(-es) unattended. Our attendance teacher reviews student attendance and will contact the parents of those students who have several illegal absences. Students who accumulate a significant number of absences, and who have not yet reached age 17, should keep in mind that the school may request a Pupils in Need of Supervision (PINS) through the court.

If a student is frequently late to school, the parents will be notified. If tardiness persists, the student may receive a suspension within the school or other administrative actions, including a parent conference.

PERFECT ATTENDANCE

Students with perfect attendance will be invited to a ceremony at the end of the school year. During the assembly, students receive certificates of recognition for this achievement. The awards for perfect attendance can be noted on their academic record/transcript for university. *When your child is absent, please take the following steps.*

Step 1— Please call your child's school and let them know you will be absent.

Step 2—You can use the additional forms at the back of this book to write a note like the one below,

What do I need to do when my child is absent?

When your child is absent, please follow the steps below.

Code of Conduct— **Expectations for ALL**

available in the agenda and our district website

The Board of Education (the "Board") of the Brentwood UFSD (the "District") is committed to providing a safe and orderly school environment where students may receive and District personnel may deliver quality educational services without disruption or interference. Responsible behavior by students, teachers, other District personnel, parents and visitors is essential to achieving this goal. The Brentwood School District has adopted a uniform code of conduct for all students, school personnel, parents and visitors.

Student Responsibilities

All District students have the responsibility to:

- 1. Contribute to maintaining a safe and orderly school environment that is conducive to learning and to show respect to other persons and to property.
- 2. Be familiar with and abide by all District policies, rules and regulations dealing with student conduct.
- 3. Attend school every day unless they are legally excused and be in class, on time, and prepared to learn.
- 4. Work to the best of their ability in all academic and extra-curricular pursuits and strive toward their highest level of achievement possible.
- 5. React to direction given by teachers, administrators and other school personnel in a respectful, positive manner.
- 6. Work to develop mechanisms to control their anger.
- 7. Ask questions when they do not understand.
- 8. Seek help in solving problems that might lead to discipline.
- 9. Dress appropriately for school and school functions.
- 10. Accept responsibility for their actions.
- 11. Conduct themselves as representatives of the District when participating in or attending school-sponsored extracurricular events and to hold themselves to the highest standards of conduct, demeanor and sportsmanship.
- 12. Be forthcoming with information concerning violations of the Code.

Parent/Guardian– Essential Partners

All parents/guardians are expected to:

- 1. Recognize that the education of their child(ren) is a joint responsibility of the parents and the school community.
- 2. Ensure their children attend school regularly, on time, and ready to participate and learn.
- 3. Ensure absences are excused.
- 4. Insist their children be dressed and groomed in a manner consistent with the student dress code.
- 5. Help their children understand that in a democratic society appropriate rules are required to maintain a safe, orderly environment.
- 6. Know school rules and help their children understand them.
- 7. Convey to their children a supportive attitude toward education and the District.
- 8. Build good relationships with school staff, other parents and other children.
- 9. Help their children deal effectively with peer pressure.
- 10. Inform school officials of changes in the home situation that may affect student conduct or performance.
- 11. Provide a place for study and ensure homework assignments are completed.
- 12. Be forthcoming with information concerning violations of the Code.

Free Agenda Book for ALL Students

At the beginning of each school year each student receives a <u>free school agenda</u>. The school agenda is an excellent resource book that contains important information about school procedures, such as the attendance policy, code of conduct, disciplinary action, exams, graduation requirements, ID Cards, important dates, telephone numbers, etc. This agenda also helps students stay organized, keep track of their important tasks and dates, and set personal goals.

Please read the agenda thoroughly and refer to it regularly.

Guidance Department

Know where to find assistance and support for academics and socio-emotional success.

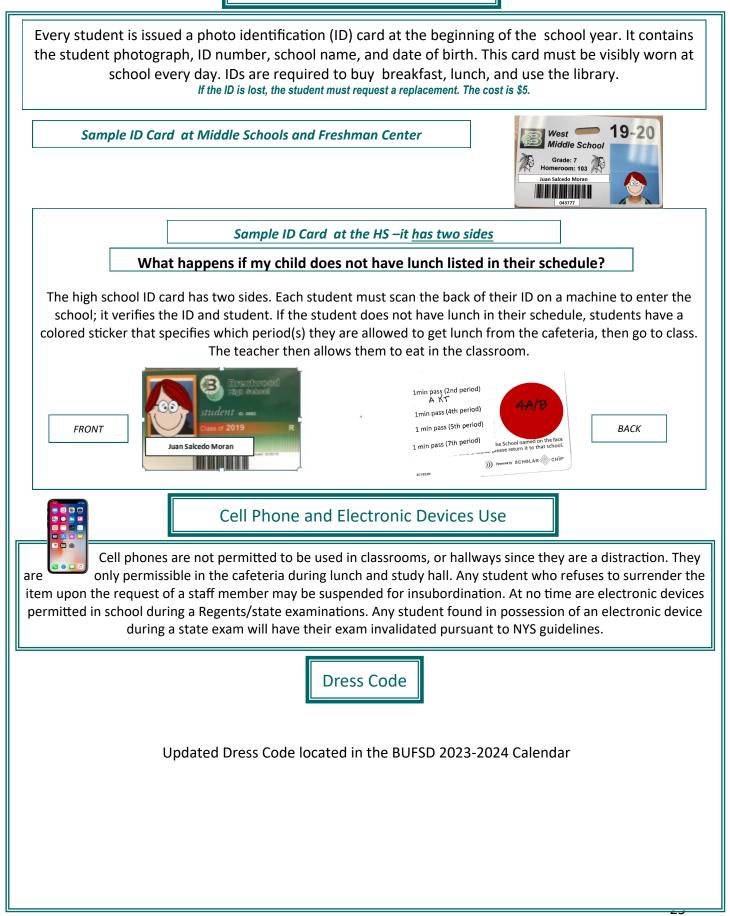

The guidance department program provides students with guidance services to address their cognitive, social and interpersonal needs. It includes activities designed to develop the unique potential of each student. These activities help students acquire knowledge about themselves and others, to become lifelong learners, develop career plans and seek postsecondary opportunities. It is very important that ALL secondary school students make an appointment with their counselor. To schedule an appointment with your student's counselor, students and /or parent(s)/legal guardian(s) should contact the guidance department at his or her school.

On our guidance website, we also provide information about graduation requirements, scholarships, entrance exams to universities: PSAT, SAT, and ACT, and financial aid for post-secondary studies. Connecting to this website will help you find information and links so you and your child can explore sites about careers, vocational schools, colleges and universities. This site is updated annually to keep students informed about how to succeed in school and life. Please log on,. You will be glad you did! Simply click on the website: https://www.bufsd.org/departments/district-guidance

Guidance Counselors/Social Workers/School Psychologists are expected to:

1. Assist students in coping with peer pressure and emerging personal, social and emotional problems. 2. Initiate teacher/student/counselor conferences and parent/teacher/ student/ counselor conferences, as necessary, as a way to resolve problems. 3. Regularly review with students their educational progress and career plans. 4. Provide information to assist students with career planning. 5. Encourage students to benefit from the curriculum and extracurricular programs. 6. Be forthcoming with information concerning violations of the Code.

ID-Identification Cards

Bus Service in Secondary Schools:

Bus transportation is available to all secondary school students who live one (1) mile or more from the school. A bus pass is issued to all students approved for transportation. Your bus pass, along with your school ID card, may be required to board the bus.

Early Dismissal:

Brentwood High School provides bus service during the day for students who have approved early dismissal on their schedule. There are three buses that depart during regular school hours. The departure times of the buses can be found in the main office.

After School:

All secondary schools offer transportation services for those students who stay late participating in school activities. It is forbidden to stay after school hours unless it is to participate in academic assistance, in a club or in any of the various activities offered. To use the buses after school, students must obtain a bus pass from the teacher supervising the activity, or from an administrator before boarding the bus. Only those students who can verify the reason why they stayed after may have a pass for the late bus. Students who remain for sports or rehearsals and who wish to take the late bus will also be asked to have a sticker on their ID card indicating that they participated in a club or sport. The bus schedule for after school activities is as follows:

- ♦ Middle Schools 3:40 p.m. 5:00 pm
- Freshman Center (Grade 9) 3:00 p.m. 4:45 pm
- ♦ High School (High School): 3:00 p.m. 5:30 pm

Report Cards/Grades How is my child doing in school?

Report cards are aligned with the NYS learning standards, and are available to parents in English and Spanish, at the request of the parents.

Parents can view their student's academic history: report cards, absences, assessment scores, etc. via the internet on the *Parent Portal*: <u>https://parentportal.eschooldata.com/Login</u> Your child has access as well on the *Student Portal*.

Progress Reports come out 4 times a year: October, December, March and May. **Report Cards** come out 4 times a year: November, February, April and June.

Brentwood secondary schools rate their students' academic work on a scale of 100 points, where 65 is the minimum grade to pass.

Annual course final grade calculation:

(2 x Semester 1 ____) + (2 x Semester 2 ____) + (2 x Semester 3 ____) + (2 x Semester 4 ____) + Final Exam ___ = _____ ÷ 9 = FINAL GRADE for the year

Step 1 - The student obtains a grade for each semester of the school year equivalent to 10 weeks.

- Step 2 Each grade is multiplied by 2 and added together.
- Step 3 The final exam grade is added.
- Step 4- Finally, the total is divided by 9.

Half-year course final grade calculation:

(2 x Semester 1 _____) + (2x Semester 2 _____) + final exam score _____ = _____ ÷ by 5= FINAL GRADE for the half-year course

Step 1– Each semester grade is multiplied by 2 and added together.

- Step 2 The final exam grade is added.
- Step 3– Finally, the total is divided by 5.

*<u>It should be noted that the final decision regarding the grades will be made by the</u> <u>classroom teacher in cooperation with the administration of the building.</u>

TIPS for Parent/Guardian—Teacher Conference What questions should I ask as a parent?

Academics:

- What is the best way to communicate with you?
- What is my child expected to learn at this grade level?
- How many years will my child remain in this program?
- What are major projects my child will be doing in your class this year?
- Throughout the year, how will I know if my child is meeting language and grade-level expectations?
- What areas do you think my child does well in?
- What does my child struggle with?
- If my child needs extra language supports or wants to learn more about a subject, what are the resources available to help my child learn outside the classroom?
- Does my child turn in homework on time?
- How much time should be spent on homework?
- Does my child participate in class discussions and activities?
- Are there ways that I can be involved in the classroom or at school?
- What can I do at home to support what you are doing in the classroom?
- Is there anything digitally available for our family to use at home?
- Are there any questions you may have for me?
- What day do you offer extra help?

Behavior:

- •How well does my child pay attention in class?
- •How well does my child listen and follow directions?
- •Is my child putting forth his/her best effort?

Socially:

- •How is my child doing socially with his/her peers?
- •How does my child communicate with others?
- •How is my child doing emotionally?
- •Has my child formed any friendships?

School Engagement:

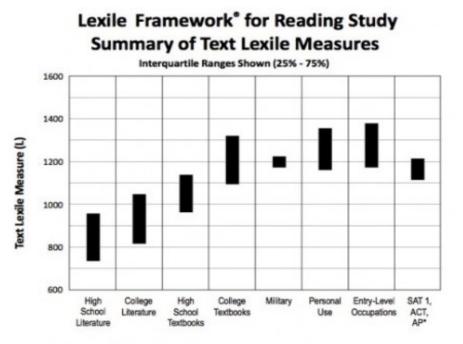

- Are there any clubs or after-school activities my child can join?
- Can you provide me with information about any clubs, after-school activities?

Why should I know my child's reading Lexile score? So that you and your child understand how they fare in real-world situations.

How to graduate?

New York State offers different ways to graduate or types of diplomas depending on the abilities and/or needs of the student.

New York State Regents Diploma: Students must accumulate a minimum of 22 credits:

4 years of English - 4 credits
4 years of Social Studies - 4 credits
3 years of Mathematics - 3 credits
3 years of Science - 3 credits
3 year of Health - ½ credit
4 years of Physical Education - 2 credits (students without this requirement CANNOT graduate)
1 year of LOTE (Language other than English) -1 credit
1 art or music credit
Elective courses - 3½ credits
* Students must earn 65 or more in the following Regents exams: Algebra I, Global History and Geography, Science, English
Language Arts, US History and Government.

Regents Diploma with an Advanced Designation:

- 3 courses in one LOTE and a score of 65 on the accompanying local exam (Checkpoint B).
- 2 Science Regents exams (one in life science and one in physical science) with a score of 65.
- 3 Math exams with Regents grades of 65 or higher.

Local Diploma: This diploma indicates that the student has completed the required 22 approved credits, and has scores between 55 and 64 on one or more of the required Regents exams, as per their Individual Educational Plan (IEP). Individual Educational Plan (IEP) diplomas are awarded upon reaching the requirements stipulated in the student's IEP.

Advanced Regents Diploma with Honors: Students must achieve an average of 90 or better in all the following Regents exams: English, Global History and Geography, US History, two Sciences (one life science and another physical science), three Math and either a locally developed comprehensive exam in a World language with a score of 65 or a 5 credit sequence in either Art, Music, Business, Technology, or Family and Consumer Sciences.

Advanced Regents Diploma with mastery in Mathematics and/or Science: Students who first enter grade nine in September 2009 and thereafter who complete all course work and testing requirements for the Regents diploma with advanced designation in mathematics and/or science, and who pass, with a score of 85 or better, three commencement level Regents examinations in science, will earn a Regents diploma with advanced designation, with an annotation on the diploma that demotes mastery in mathematics and/or science, as applicable.

<u>IMPORTANT</u>: In order to graduate, students <u>MUST COMPLETE four years of Physical Education (GYM)</u>! Students are required to change for gym.

You CANNOT graduate without gym credits!

Students who can not participate due to medical restrictions must present an excuse authenticated by a doctor, and will be assigned to the limited or adapted physical education program to complete all requirements. In addition, according to School Board policy and in accordance with the Commissioner's Regulations, for each satisfactorily completed year in Physical Education, you will be awarded ½ credit.

(**)Students with a disability may be excused from the requirement for 1 unit of credit in LOTE if so indicated on their IEP, but they must still earn 22 units of credit to graduate.

1.) Pathways

- A student must either:
- complete all the requirements for the CDOS Commencement Credential
- (http://www.nysed.gov/common/nysed/files/programs/curriculum-instruction/cdos-field-memo-june-2016.pdf); or pass an additional math Regents examination in a different course or Department approved alternative; or
- pass an additional science Regents examination in a different course or Department approved alterative; or
- pass an additional social studies Regents examination in a different course or Department approved alternative; or
- pass an additional English assessment in a different course selected from the Department Approved Alternative list; or
- pass a Department approved CTE pathway assessment, following successful completion of an approved CTE program; or
 pass a Department approved pathway assessment in the Arts; or
- pass a Department approved pathway assessment in a Language Other than English (LOTE)

See Multiple Pathways (http://www.nysed.gov/curriculum-instruction/multiple-pathways).

See Department Approved Alternative Examinations (http://www.p12.nysed.gov/assessment/hsgen/archive/list.pdf).

2.) Appeals

Appeals are subject to local district approval. See Information on an Appeal to Graduate with a Lower Score on a Regents Examination (http://www.nysed.gov/common/nysed/files/programs/curriculum-instruction/3-18appealformincludingell-

3.) Special Endorsements

wdmarch2018.pdf).

Honors: A student earns a computed average of at least 90 on the Regents examinations applicable to either a Regents diploma or a Regents diploma with advanced designation. No more than 2 Department approved alternatives can be substituted for Regents examinations. The locally developed Checkpoint B LOTE examination is not included in the calculation.

Mastery in Math and/or Science: A student meets all the requirements for a Regents diploma with advanced designation AND earns a score of 85 or better on 3 math Regents examinations and/or 3 science Regents examinations

Technical Endorsement: A student meets the requirements for either a local diploma, a Regents diploma or a Regents diploma with advanced designation AND successfully completes a Department approved CTE program including the 3part technical assessment.

4.) Languages Other than English (LOTE) Exempt Students

Students with a disability may be excused from the required units of credit in LOTE if so indicated on their IEP, but they must still earn 22 units of credit to graduate. A LOTE exempt student who seeks a Regents diploma with advanced designation does NOT have to complete the 5-unit sequence in the Arts or CTE in lieu of LOTE in order to meet the assessment requirements for the advanced diploma.

5.) Superintendent Determination of a Local Diploma

Students with a disability who are unable to attain a local diploma through the various safety net provisions may be eligible for a Superintendent Determination of a local diploma under certain conditions. See Superintendent Determination Option for Graduation with a Local Diploma (<u>http://www.p12.nysed.gov/specialed/publications/superintendent-determinationoption-august-2018.html</u>).

6.) Social Studies Requirement for Students entering grade 9 prior to September 2016

All students first entering grade 9 in 1985 and thereafter but prior to September 2016, shall earn four units of credit in social studies. Such requirement shall include: one unit of credit in American history and one half unit of credit in Participation in Government and one half unit of credit in Economics.

Cohort Year:_

TIPS for Parents/Guardians to ask about the road to GRADUATION, College or Career What questions should I ask as a parent?

Your school counselor is one of your best resources as you plan your path to graduation and then move on to college or a career. Your counselor has information about admission tests, college preparation, and your education, and career options.

Here are some basic questions to help get your conversation started:

- 1. What courses does my child need to take to be ready for graduation?
- 2. What courses does my child need to take to be ready for college?
- 3. How should we plan my child's schedule so he/she will complete them?
- 4. Which elective courses do you recommend?
- 5. Which AP courses should my child consider taking?
- 6. When is the PSAT/NMSQT going to be given?
- 7. How should my child study for the SAT, and is it given at this high school or do we need to go somewhere nearby?
- 8. Do you have any college planning sessions scheduled?
- 9. Do you have college handbooks or other guides that we can browse or borrow?
- 10. What activities can my child do at home and over the summer to get ready for graduation/ college?
- 11. What kinds of grades do different colleges require?
- 12. Are there any college fairs at this school, or nearby?
- 13. What colleges do other kids from our school go to?
- 14. What are the requirements or standards for the honor society?
- 15. Can you put me in touch with recent grads who are going to the colleges on our wish list?
- 16. Do you have any information to help my child start exploring careers?
- 17. If the colleges need recommendations, how can I help my child?
- 18. Are there any special scholarships or awards that I should know about now, so we can work toward them?
- 19. Can I see my child's transcript as it stands now, to see if everything is as I think it should be?
- 20. What forms do we use to apply for financial aid and where can we find them online?

DO NOT HESITATE TO ASK QUESTIONS

Your school counselor may be may be juggling many students and barely know your child's name. So, remember that the person who has the biggest stake in your child's academics is you. It's up to you and your child to stay on top of opportunities and deadlines so you can take control of your child's future.

BOCES VOCATIONAL Programs

offered to High School Students

BOCES - Board of Cooperative Educational Services

We also provide BUFSD high school students with the opportunity to attend BOCES Programs. These students attend Brentwood High School for part of the day and then attend the BOCES vocational training center for the remainder of the day. Four units of Regent credits can be earned for each successful year. There is a limited amount of vacancies available, therefore to be considered and accepted into these programs, students must maintain a strong attendance record, code of conduct and demonstrate good academic standing, making satisfactory progress towards graduation.

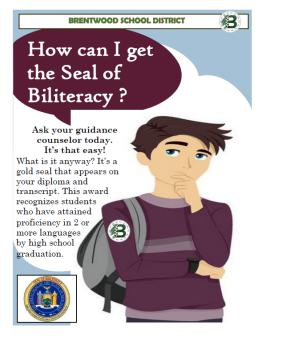

Transportation by bus is provided to all students enrolled in BOCES Programs. Students wishing to drive to BOCES must have written approval from the parent. No student may travel to or from BOCES as a passenger. There is no food available at BOCES. Students who do not have a class scheduled for period 5, may go to lunch at the school cafeteria if time permits after the arrival of the bus.

The *Seal of Biliteracy* is an award given by a school, district, or state in recognition of students who have studied and attained proficiency in two or more languages by high school graduation.

Requirements: <u>http://www.nysed.gov/common/nysed/files/criteria-for-nyssb-2017-18.pdf</u>

It is a gold seal that appears on a student's school transcript/records and on the student's high school diploma. Ask the guidance counselor for information.

Evening High School / Summer School

Evening High School

at Sonderling

Principal Jerry Cheng

The Brentwood **Evening High School** is a fully accredited school that can issue diplomas. It provides opportunities for students attending school during the day to also take additional courses in the evening. For more information call the guidance office.

Summer School

Summer School is offered in July and August depending upon funding and prior approval. Students can enrich their education, make up work, and prepare for exams they previously failed or were unable to take during the school year. Registration forms are available at the guidance office.

Get your child INVOLVED in our Clubs and Organizations

Clubs, sports, and school events offered after school hours provide students opportunities to practice speaking English, exercise leadership, contribute to community services, socialize with their peers, develop/explore their talents and interests. We encourage you and your child learn about the different clubs and activities from the different sources available: guidance counselors, community plaza liaison, teachers, and notices/posters/pamphlets displayed around school. Many of these clubs are offered in the student's native language, so ALL can find something to become actively engaged. To participate in any club or organization participating students, including athletes, need to meet certain academic and behavioral requirements. All must follow the student code of conduct.

What is Title III?

Title III provides high-quality language instruction educational programs that are based on scientifically based research demonstrating effectiveness in increasing English proficiency and student academic achievement in the core academic subjects. Title III staff must provide direct, but supplemental language instruction educational services to ELL / MLL students in grades K—12.

What Title III programs are available at BUFSD? Where are they offered?

Several Title III programs are offered throughout all 17 school buildings. The types of programs offered depend on the needs of the students at each particular school. At the secondary level, these are the programs offered:

PARENTS' BILL OF RIGHTS FOR NEW YORK STATE'S ENGLISH LANGUAGE LEARNERS

The New York State Education Department (NYSED) Commissioner Regulations Part 154 provides you – the parents/guardians of English Language Learners (ELLs) – with:

- The right for your children to receive a free public education in the school district where you live, regardless of your or your children's immigration status (e.g., whether your family members are citizens, immigrants, or undocumented) and the language that you or your children speak.
- The right to enroll your children in school without being asked to provide information or paperwork which may reveal your or your children's immigration status. You cannot be asked to provide a social security card or number, an immigration visa or visa status, or citizenship documents or citizenship status.
- The right under federal law to have a qualified interpreter/translator in your preferred language for critical interactions with the school district.
- The right to have your children in a Bilingual Education (BE) program when there are 20 or more grade-level students that speak the same home/primary language.¹
- The right to written notice in English and your preferred language that your children have been identified as ELLs and will be placed in a Bilingual Education or English as a New Language (formerly called English as a Second Language) program.²
- 6. The right to a high quality orientation session, provided by your school district, that focuses on state standards, tests, and school expectations for ELLs, as well as the program goals and requirements for Bilingual Education and English as a New Language. This orientation must occur before final school program placement, and must be in your preferred language.
- The right to receive information about your children's English language development, and also about their home language development if they are in a Bilingual Education program.
- The right to meet with school staff at least once a year, in addition to other generally required meetings, to discuss your children's overall learning and language development progress.
- 9. The right for your children to be placed in a Bilingual Education or English as a New Language program within 10 days of enrollment, and the right to opt out of a Bilingual Education program. At a minimum, your children must receive English as a New Language instruction.

- The right for your children to transfer to another school in your district that offers Bilingual Education in your language, if your children's original school does not offer such a program.
- 11. The right for your children to have equal access to all programming and services offered by the school district, appropriate to age and grade level including those required for graduation, and to all school programs available to other students.
- 12. The right for your children to receive all core content instruction, and to learn English and other subjects such as Reading/Language Arts, Math, Science, and Social Studies at the same academic level as all other children. Being entitled to ELL services does not limit the ability to get core content instruction.
- 13. The right for your children to have full access to extracurricular activities (afterschool clubs, sports, etc.). Being entitled to ELL services does not limit the ability to take part in extracurricular activities.
- 14. The right for your children to get support services (e.g., Academic Intervention Services) aligned with any intervention plans that the school/district provides to all students.
- 15. The right to have your children tested yearly to determine their English language progress, and to obtain information about your children's performance on academic tests, including New York State tests.
- 16. The right to have your children continuously enrolled year to year in a Bilingual Education or English as a New Language program while they remain ELLs.
- 17. The right to contact the New York State Education Department's Office of Bilingual Education and World Languages if any of the above rights have been violated.

¹ In New York City, per the Aspira Consent Decree, a BE program is required in grades K-8 if 15 or more grade-level students speak the same language in two contiguous grades If there is not a sufficient number of qualifying students in a school, but there are within its district, the district must provide a BE program.

² All ELLs develop their English skills through "English as a New Language" courses. In addition, those in a Bilingual Education program also take Home Language Arts. Core content area courses (i.e., Math, Science, and Social Studies) are offered in a Bilingual Education program in *both* English and their home Language. Those who are not in a Bilingual Education program take core content area courses in *English*.

Is Your Housing Uncertain?

DO YOU

LIVE AT A

TEMPORARY

ADDRESS?

Are you living...

- with relatives, friends, or others because you lost your housing or because of economic hardship?
- In a shelter?
- In a motel or hotel because you have nowhere else to go?
- In inadequate housing?

Then you may be protected under the McKinney-Vento Act.

Children and youth in temporary housing have the right to:

- - stay in the same school, including pre-k and get free transportation even if it is across district lines;
 - immediately enroll in school without records (school records, medical records, vaccination records, proof of residency);
 - get special education services immediately if the student has a current individualized Education Program (IEP);
 - Participate fully in any school activities, including before- or after-school activities;
 - get support services and help with things like school supplies through Title I;
 - get free school meals without filling out an application;
 - get help enrolling in pre-k, Head Start, or other preschool programs, and Early Intervention; and
 - get help preparing and applying for college.

ASK YOUR MCKINNEY-VENTO LIAISON FOR HELP!

Did you know?

Every school district must have a McKinney-Vento liaison to help students in temporary housing.

Frequently Asked Questions

Can a school require a student in temporary housing to show proof of residence to register for school?

No, if a student says they are homeless or in temporary housing, they must be enrolled immediately in school even if they don't have the papers normally needed, such as proof of residence, immunization records, a birth certificate, guardianship records, or school records.

Can a student who is living in temporary housing stay in the same school if they move out of the school district?

> Yes, the student has the right to stay in the same school they went to when they were permanently housed.

Can a student enroll themselves in school?

Yes, if the youth is living in temporary housing and not with their parents or legal guardians (known as unaccompanied youth) they can enroll themselves in school.

What if a school doesn't enroll a student or provide busing because the district doesn't believe the student is homeless?

The school must immediately enroll the

student and refer them to the district's McKinney-Vento liaison for help with the appeal process. Students have the right to appeal a school's decision, go to school, and get transportation until the appeal is decided.

If a student moves into permanent housing, can they stay in the same school?

Yes. A student can stay in the same school for the entire time they are in temporary

housing and through the end of the school year in which they move into permanent housing

What is the Dream Act?

The Dream Act (short for Development, Relief and Education for Alien Minors Act) is a piece of legislation that would create a pathway to citizenship for young people who were brought to the United States as children without documentation, but it never passed. The Act intention was to allow current, former, and future undocumented high-school graduates and GED recipients a three-step pathway to U.S. citizenship through college, work, or the armed services.

Who qualifies as a Dreamer?

A Dreamer refers to a young person who qualifies for the Development, Relief and Education for Alien Minors (DREAM) Act. He or she has proof that he/she entered the US before the age of 16, has continuously lived in the U.S. for at least 5 years, has graduated from a U.S. high school or obtained a GED in the U.S, and demonstrates good moral character, passes criminal background checks and reviews. The term Dreamer originally took its name from the bill in Congress, but it has a double meaning about the undocumented youth who have big hopes and dreams for a better future.

What is Deferred Action for Childhood Arrivals (DACA)?

In response to the failure of the DREAM Act legislation to pass both houses of Congress, President Obama initiated the immigration policy known as the **Deferred Action for Childhood Arrivals** in 2012.

On June 15, 2012, <u>Deferred Action for Childhood Arrivals</u> (DACA) was created. DACA is an exercise of prosecutorial discretion, providing temporary relief from deportation (deferred action) and work authorization to certain young undocumented immigrants brought to the United States as children. DACA has enabled almost 800,000 eligible young adults to work lawfully, attend school, and plan their lives without the constant threat of deportation. Unlike federal legislation, however, DACA does not provide permanent legal status to individuals and must be renewed every two years.

On September 5, 2017, Acting Secretary of Homeland Security Elaine Duke rescinded the 2012 DACA memorandum and announced a "wind down" of DACA. Effective immediately, no new applications for DACA would be accepted. DACA beneficiaries whose status was due to expire before March 5, 2018 were permitted to renew their status for an additional two years if they applied by October 5, 2017. Any person for whom DACA would have expired as of March 6, 2018, would no longer have deferred action or employment authorization.

On January 9, 2018, a federal judge in California blocked the current administration's termination of DACA and continued to allow renewal requests. Similarly, on February 13, 2018, a federal judge in New York issued a preliminary injunction preventing the administration from abruptly ending the DACA program. As of June 2019, individuals with DACA or those who have had DACA in the past can continue to renew their benefits on a two-year basis. However, first-time applications are no longer being accepted.

If you have questions, about the Dream Act or DACA, consult with an immigration lawyer. What is Make the Road New York?

Make the Road New York (MRNY) is a multi-service organization that helps immigrants throughout the 5 boroughs.

Make the Road New York (MRNY) builds the power of Latino and working-class communities to achieve dignity and justice through organizing, policy innovation, transformative education, and survival services. Make the Road New York operates neighborhood-based community centers in many areas and in Brentwood. With a membership of 22,000+ low-income New Yorkers, MRNY tackles the critical issues facing our community: workplace justice, tenants' rights, immigrant civil rights, language-access, LGBTQ justice, public education, health care access, and immigration reform.

The Community Organizing Projects help New Yorkers to implement strategies to combat shared problems and develop leadership and the capacity for civic participation. Their Education Department offers English to Speakers of Other Languages (ESOL), Spanish-language literacy, computer literacy, citizenship preparation and in-school and after -school youth programs. Also, their Departments of Legal, Health & Support Services provides direct legal representation, case management, and facilitated enrollment into public health insurance programs, training, and strategic support for members and organizing campaigns. Their attorneys and advocates specialize in labor and employment law, public benefits, disability benefits, housing law, healthcare and health insurance access, immigration, public education, domestic violence, and LGBTQ (Lesbian, Gay, Bisexual, Transgender and Queer) civil rights issues.

PLAN FOR LEARNING

Try to attend school activities and meetings. These meetings can be a way to express concerns you may have about school plans, ask questions, and learn how to use parenting programs, such as **Parent Square**.

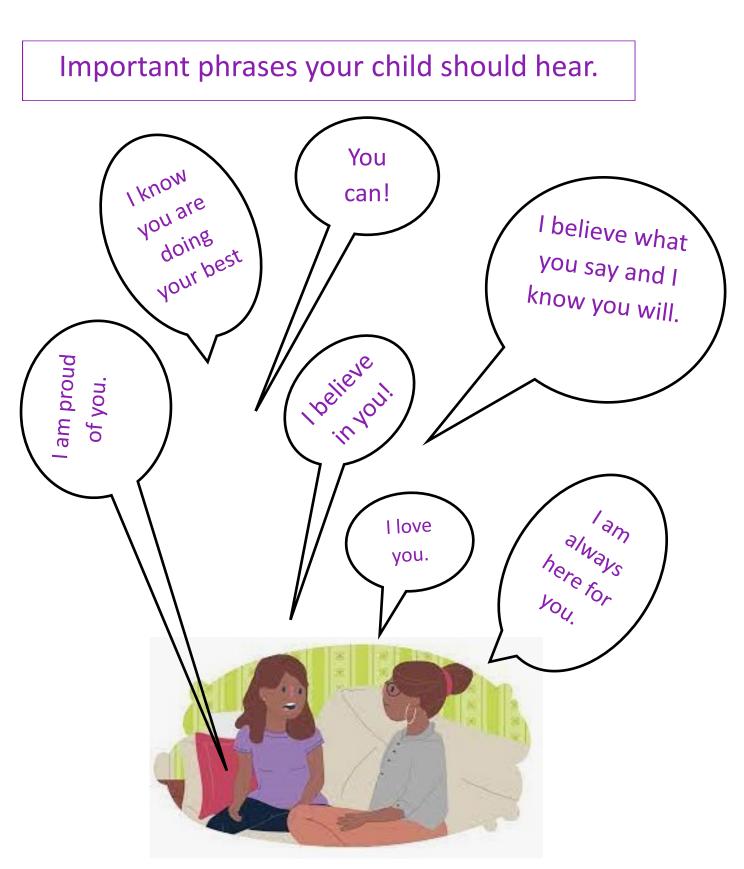

- □ Ask for the name of the **Community Plaza Liaison** in your school. They are there to help.
- □ Visit our website for school information and updates. <u>https://www.bufsd.org/</u>
- □ Make sure you have reliable, high-speed Internet access. If you need a computer or internet, contact your designated school.

 \Box It will be important for you to be in contact with designated teachers to know:

- How to access online resources and materials for the class
- Possible changes in assignments, tests, and resources or events at school
- Available programs
- How you can speak to a guidance counselor to begin planning for your child's graduation.

Workspace and Essentials

- □ Choose a workspace where your child can focus on their work. The visible area on the camera should be organized, clean, and clutter-free.
- □ Make sure other people in the home (siblings, babysitter / babysitter, members of family, etc.) do not interrupt study time.
- □ Write down your child's schedule so everyone knows and remembers.
- □ Organize textbooks and all supplies so they are ready for class.
- □ Plan your lunch, snacks, and bathroom visits according to the schedule.
- □ Charge your school computer the night before your return to school.

How to DRESS for school in Brentwood New York

Here in Brentwood, we experience the four seasons, so remember to check the weather forecast and temperatures so your child can dress accordingly. We need to ensure students are properly dressed to safely be outside for any period of time, whether it is walking to school, playing outside at recess or just running to and from the car at arrival and dismissal.

Students should dress in LAYERS!

If it is hot, they may remove a coat/jacket, sweatshirt, etc. to feel cool. If it is cold, they can add a sweater, sweatshirt, and coat/jacket.

If ever you are in need of clothes	s, please let us know so we can help.
Weather and Temperature	Clothes
HOT >70°	O Shorts or pantsO T-shirtO Sneakers, shoes, or sandals
Warm 60°-70°	 O Pants or shorts O Sweater or sweatshirt O T-shirt O Sneakers, shoes, or sandals
Chilly 50°-60°	 O Pants O T-shirt or long sleeve shirt O Sweater or sweatshirt O Coat or jacket O Socks O Sneakers, shoes, or boots
Cold 35°-50°	 O Pants O Long sleeve shirt O Sweater or sweatshirt O Coat or jacket O Socks O Sneakers, shoes, or boots O Hat, gloves, or mittens O Scarf
Very COLD <35°	 O Pants O Long sleeve shirt O Sweater or sweatshirt O Coat or jacket O Socks O Sneakers, shoes, or boots O Hat, gloves, or mittens O Scarf

During the cold weather, please send your child with warm winter jackets, hats,

mittens, appropriate footwear since elementary and middle school students do have recess and/or gym outside. Students will be kept indoors when weather is too cold.

Please make sure your children are dressed appropriately for these cold days. Appropriate footwear/boots, hats, snow pants, warm jackets, layers, scarves, and gloves or mittens are essential for students to safely be outside for any period of time. It is important that children not be allowed to leave the house with exposed skin (ears, hands, legs, etc.), as this increases the chance of frostbite in cold weather. <u>Please call the school if you</u> <u>need clothing items, information or referrals to agencies that can help your family secure</u> <u>winter clothing</u>. We want all students to be comfortable while enjoying these brisk winter days. As always, we also ask that you stay tuned to weather so that your family can be prepared.

Checklist for Parents

Please make sure to do the following every night before a new school day:

 Plan what to wear for tomorrow. <u>Dress in layers</u>, in case it turns cold or rains. Remember classes may go outside for recess or physical education class.

- Pack your lunch and/or snack for the next day.
- Charge your laptop the night before school.
- Pack your book bag the night before school.
- Your child should bring laptop charging wire to school every day, in case the battery runs out. * Please note that schools DO NOT provide charging wires for laptops during the day.
- Parents/Guardians should be checking Parent Square app for updated important school, teacher, and/or district messages.
- Parents/Guardians should be checking Parent Portal and Eschool for grades, attendance, teacher comments, etc...
- Parents/Guardians should check individual TEAMS sections to make sure child has TURNED in the completed assignment.

*IMPORTANT: Not only check TURNED IN but open the assignment to make sure it was completed. We have had some cases of students turning in blank assignments. Students in Grades 3-12 need to bring their school issued laptop every day, unless the teacher directs otherwise. Laptops should be housed in proper cases to be brought back and forth to school to ensure laptops are not damaged.

Self-care to be Healthy and Happy

It is important to take care of our hygiene regularly. If we feel good, we do good!

Please call the school if you need hygiene resources, information or referrals to agencies that can help your family secure any items you and your family may need.
