LCAP Advisory

District-Wide Committee comprised of staff, students and parents.

- Develops the LCAP survey annually
- Disaggregates the data once received from all stakeholders
- Develops the overview document, including major trends, that is used to create overall goals and action items

Develop the Survey

**Analyze
Responses**

**Develop Overview,
Including Major
Trends**

The LCAP Survey

The LCAP Survey for SLCUSD has three focus areas in addition to an “Equity” question:

1. Rigorous, relevant, and engaging instruction and curriculum
2. Multi-tiered academic support
3. Intentional Culture of Care
4. Promoting Diversity, Equity and Inclusivity throughout the District

After all sections, stakeholders are able to share individual, open feedback with the district.

Sample question from our Survey

7. Our district puts supports in place to positively impact student success. Which of these areas do you feel needs improvement? Check all that apply.
