

## Mirada Leadership Academy Brief

Hello Mirada Families!

I cannot believe the end of August is near. What an amazing first month of learning.

This week, our third graders are learning different strategies to solve 3-digit addition and subtraction problems, including breaking apart numbers into place values and using an open number line. Our fourth graders are reading and writing personal narratives and currently working on writing a Food Memory that includes all the parts to a paragraph, sensory details, dialogue and effective transitions. They are then filling in their dinner plate with their very colorful food memory. Lastly, our fifth graders are also writing personal narratives that include dialogue, figurative language such as similes and personification, and sensory details that show rather than tell.

Our Mirada T-shirt Orders are due on Monday, August 31st.

[Buy Your Shirt Online Here!](#) You will use your ParentVUE sign in (you can select "1st Time Users"). You will add the items to your shopping cart and you will NOT select your size and color until AFTER you go to the checkout. T-Shirt sales will remain open until August 30th. Mirada Leadership Academy will place a ONE TIME order for shirts, so be sure to get your order in ASAP!

Have a wonderful weekend!

Kindly,

Michelle Anderson

Principal
