

Domestic Shuttle Service for Breaks

Shuttles are coordinated to support student travel for most major breaks. VES drops off and picks up students from parking lots in target cities in Virginia and North Carolina. Dulles airport is the ONLY airport drop off and pick up location coordinated by the school. Dates and times are predetermined and [the schedule grid can be viewed here](#). Transportation to the Lynchburg airport (LYH), Amtrak train station (LYH) and the Greyhound bus station is a complimentary service outside of the academic day. All may be scheduled on your student's Orah pass. We always welcome a phone call to answer any questions and provide support.
