Dear Board of Education Members:

Enclosed please find a preliminary request for the Trumbull High School DECA group to attend the 2024 International Career Development Conference, to be held in Anaheim, California. I would like to provide you with a little background information regarding this request.

In March, approximately 50 THS DECA members will be competing at the state-wide Career Development Conference to be held at the Aqua Turf in Plantsville, CT. At this conference, students will compete individually and in teams in a variety of business and marketing events including Principles of Business Administration Events, Team Decision Making Events, Individual Series Events, as well as Written Events. Students will take a content area exam and perform role plays before professional judges trying to earn a top spot in the state. For the past decade or so, THS DECA has been lucky enough to have approximately ten or more students earn those top spots, and thus the potential to attend the International Career Development Conference. Additionally, this year, the ambitious DECA members have earned THRIVE level recognition for their work on the Membership & Chapter Campaigns. As of now, we have already earned four spots to the THRIVE Leadership Academy at ICDC. While we will not know the exact names and numbers of additional eligible students for ICDC until March, we hope to repeat THS history and earn several of these prestigious spots. The turnaround time between the state competition and commitment for the national conference is quite short, hence why we are putting this request before you today.

We hope that you will continue to support Trumbull High School DECA's participation in this event as it is a tremendous learning experience for the students. We are happy to answer any additional questions and will provide more information as it becomes available.

Thank you very much for your time and consideration.

Sincerely,

Christina Rusate (DECA Advisor) & THS DECA Members

Members Present

J.McNamee, BOE Member
L.Nuland, BOE Member
S.Iwanicki, Ed.D, administrative designee

- II. Public Comment.

No public comment regarding Curriculum was received.

- III. Approval/Minutes – Regular Meeting November 30, 2023. Ms. McNamee moved to approve the November 30th minutes. Mrs. Nuland seconded. The motion was approved unanimously.

- IV. New Business

- a. New Curriculum Guide- K-5 English as a Second Language – Mrs. Lisa Carino, the Department Chair of English as a Second Language (ESL,) gave a brief introduction of the terminology for students who are now called Multilanguage Learners (MLs,) while the curriculum and team are called ESL teachers. ESL teachers Arielle McGovern and Andrea Denkovich joined in order to showcase the tools and the way in which the curriculum was written. The Language Assessment Scale (LAS) Scores which shared; since implementation of our department goals and a new pull-out program using *National Geographic's Look Program*, students' scores have grown incrementally. The lessons within the curriculum target a skill that can be taught in 30 minutes. Smart Boards were installed each of the instructional spaces and lessons were created by the TPS ESL Department to teach the skills. Additionally, a clear written curriculum was created with instructional goals, key vocabulary, prioritized standards and assessments. Now the ESL Team works in more synchronicity than in the past. Mrs. Nuland motioned to approve the K-5 English as Second Language Curriculum Guide. Ms. McNamee seconded. The motion passed unanimously.
- b. Revised Elementary Science Curriculum. Daniels Farm Teacher Kiersten Fallon and K-5 Science Program Leader Liz Doherty presented the Updated Grade 2 Next Generation Curriculum Guide and the Updated Grade 3 Next Generation Curriculum Guide. Teachers from across the district helped to revise the curricula to be sure it is teacher-driven and student focused. Ms. McNamee asked about state testing and it was shared that the Next Generation Science Standards (NGSS) testing begins in Grade 5, but Grade 3 can take Interim Assessment Blocks. Miss Fallon shared that they were able to pilot the last version of the curriculum, take notes and observe for where changes were needed. One noticing was that more differentiation in assessment as well as condensing

lessons for certain topics were important to strengthening the curriculum. They also added supplemental materials to capture student inquiry and interest while building skills—collaboration group work, graphing, using maps were examples of skills that were captured in the revised curriculum. Mrs. Petitti asked if this was a new resource and it was shared that Carolina Biological is the resource used and is *not* new, but the updated curriculum is new in its revisions. Mrs. McNamee asked if there was any literacy components and it was shared that there are literacy articles imbedded in the units (literacy extensions,) and there are a lot of additional materials that allow for more skill building (maps, graphs, etcetera). Materials are also available in Spanish. Mrs. Petitti asked about extra time for teachers to review lessons before implementation. It was shared that there is a small amount of time now that Library is a special. Mrs. McNamee asked about the main changes and it was shared that differentiation was the main focus—being sure choices in teaching to get the material across with fidelity are available. Ms. McNamee motioned to approve the Updated Grade 2 Next Generation Curriculum Guide, and Updated Grade 3 Next Generation Curriculum Guide and Mrs. Nuland seconded. The motion passed unanimously.

- c. Mrs. Nuland moved to amend the Agenda to add Molly Dushay and a Science project called *Waves of Change* to the agenda. The project receives \$5,000 per school to work from January through December in the THS community toward conservation of local watersheds and Long Island Sound, and increase ocean literacy. Miss Dushay is not only a Science teacher, but also has a presence on LinkedIn and has been doing a lot of work with environmental Science. She came to THS as an intern with technology skills and Mr. Manuel, THS Principal, highlighted that Miss Dushay is always looking for ways to modernize and draw connections for our students above and beyond the traditional. None of the elements of this project are outside of the curriculum, but they compliment what we are doing and give the content a real-world application. Thirty (30) Connecticut schools applied and six (6) were accepted. Miss Dushay applied. Dept. Chair Tom Edwards and Mr. Manuel supported the application. Miss Dushay also added a component of Vision of the Graduate to the application. Trumbull High School's application was approved and we have received the designation as a Long Island Sound School (LISS). Later, Miss Dushay was talking with Kate Southard, an Accounting teacher, who mentioned they do a project looking at the sustainability of a company and social responsibility. Department Chair Christina Rusate also comes up with logos and t-shirts. Each of these educators are going to collaborate with Miss Dushay around sustainability to add a real-world perspective in collaboration with the LISS. Sacred Heart University, where Miss Dushay also teaches as an adjunct professor, has partnered to share with THS students the research that is being done around water conservation and study of the Sound. Ms. McNamee asked the program's focus—was it more community or interdisciplinary. Miss Dushay clarified that it is more community focused and tied to the United Nations and ocean literacy awareness; however, THS was able to do to both the community and the interdisciplinary focus. The Board members applauded the work and thanked Miss Dushay for informing them about the notable addition for our students.
- d. Reading Waiver Status Update- Dr. Iwanicki shared a brief overview of the highlights of the latest meeting with the State Department in which a team from Trumbull, led by K-5 Program Leader Kate Engeldrum, shared areas where our waiver did not meet the standard and why we believe we are meeting the standard. A second meeting is arranged for next week. Mrs. Petitti shared that she was at a recent CES meeting in which the waiver was discussed at length. Ms. McNamee added that while this topic is difficult, the discussion has led to some positive shifts for Trumbull as well. Mrs. Nuland added that monitoring students for their needs and identifying them for teaching and learning is important.

e. Future Meeting Date Discussion-

The Committee asked if we could look into Tuesdays as well. The 2024 meetings have been scheduled based on the past three years and when the committee could attend as well as when the curriculum is usually completed. It was shared that if additional meetings are needed, they will be scheduled and the committee could also meet before a Board meeting if needed. Below are the Committee dates and adjustments within the town charter guidelines will be made as needed.

- IV. New Business
- a. Policy 5113- High School Attendance: Update for New Bell Schedule. THS Principal, Todd Manuel, shared with the committee that with the updated schedule, the subtle wording of the policy does not match the new bell schedule. He suggested that the wording on page 4 of the policy should be rephrased and then put into the student handbook as well as an Appendix in the policy. See text in “green” on the policy. Mrs. Squicciarro clarified that the absent 11% of the course time was an important aspect that needed to remain in the body of the policy. Mr. Gallo confirmed that the percentage needs to be included and that the introductory sentence should be kept only if the example calculation is put in an Appendix. Mrs. Petitti asked about double periods and if that might have an effect since THS is not on a Block Schedule, per say. Mr. Manuel clarified that they do not have a block schedule, but the change to the sample calculation will help

students and families. Furthermore, he added that the need for editing exists in several places from “days” to “class meeting periods.” The committee considered specific situations as well as state regulations. Mrs. Gray asked about the system for parents to monitor credit in case the electronic system on Infinite Campus does not “trip” the threshold properly. Mr. Manuel mentioned parents can monitor student attendance online and that he includes methods for parents to do so within his communications to families. After discussion, Mr. Gallo motioned that the policy be moved to the Board with the revisions at the next meeting while keeping the percentages of classes missed in the policy and moving the example chart to Appendix A. Mrs. Petitti seconded. The motion passed unanimously.

- b. Discussion of Dates and Times for 2024 Meetings. This item was moved up in order on the Agenda to ensure that our calendar is set according to the Town Charter by January 31st. Each of the dates and times were discussed and it was mentioned that extra meetings may be needed depending on the policies needed for revision. The committee agreed on the following dates and times. March 5, 2024 (5:30pm) , May 13, 2024 (6:00pm), Sept 17, 2024 (5:30pm), and Oct 15, 2024 (5:30pm) T. Gallo made a motion to approve the dates as discussed. A. Squicciarro seconded. The motion passed unanimously.
- c. Near Future Policy Work- Update to Comply with New State Definitions- Dr. Iwanicki shared that the committee will be revising Bullying policies 5131.911 and 5131.912 in the near future. These policies for changes in the state definitions that must be implemented for the 2024-2025 school year. Mt. Catalano, the district Safe School Climate Specialist will attend meetings to assist.
- d. Policy 1316/Public Conduct at School-Sponsored Activities: Update to School/Community Relations. Mr. Catalano introduced the revision of our policy noting that the policy is needed and is in place several surrounding towns. Mr. Coppola added that administrators would also like a policy like this to be in place for reference. The committee discussed that Trumbull already has a Policy 1316 which is aimed at athletic events, CABE’s 1316 is broader. The committee discussed adding removing the current 1316, renaming it 1316.1 and adding a new 1316, or recrafting the current 1316 to encompass both ideas. Mr. Gallo moved to rename 1316 to 1316.1 in anticipation of the creation of a broader policy. The committee discussed that the language in the Weston policy had a lot of strengths, and Mrs. Squicciarro advocated to add a piece of Darien’s policy regarding Disciplinary Consequences. It was requested to bring a new version of the draft for further discussion at the March 5th Policy meeting.

The meeting was adjourned at 6:53pm.

Loss of Credit**

HIGH SCHOOL ATTENDANCE / LOSS OF CREDIT

Policy Statement

The Trumbull Board of Education believes that regular school attendance is essential for an effective and productive learning experience. The sequential presentation of school learning requires a continuity of instruction. The maximum benefits for each individual child can be achieved only from participation and interaction in daily activity.

Regular school attendance is both encouraged and mandated. The primary responsibility for adherence to regular attendance rests with the student's parents/guardians and the individual student. The District will comply with Connecticut State Statutes related to compulsory school attendance.

The Connecticut General Statutes requires students over five and under eighteen years of age to attend school on a regular basis, unless (1) they graduate from high school or (2) their parents/guardians consent to the youngster leaving school at age seventeen. The student's parent/guardian must appear at the high school to sign a form for withdrawing the student from school. The District will provide the parent/guardian with information about educational options available in the school system and in the community.

Trumbull Public Schools recognizes that students may occasionally miss school or class for legitimate reasons. These reasons, when documented by a parent/guardian/school administrator/physician, will be reviewed and may be taken into consideration when a student's absences become excessive.

Excessive absences will warrant appropriate follow-up action by the school and may lead to loss of credit.

The Board of Education strongly believes that family vacations should not take place when school is in session.

Regulations

The high school attendance policy follows the Response to Intervention (RTI) formula to offer a tiered approach to attendance monitoring and behavior correction. Each time a student reaches the next attendance threshold, more faculty members become involved in informing the student and the parent of the upcoming consequences and changing the student's behavior. The formal notification process will be supplemented with daily calls through an automated calling system to the homes of absent students. Additionally, schools may request a meeting with families to discuss interventions which may assist in preventing absenteeism. A pattern of absenteeism may also trigger referral to the Youth Service Bureau or a similar community-based service as outlined in Connecticut State Statutes §§10-198a., 10-19m, and 46b-149.

Annually at the beginning of the school year, and upon any enrollment during the school year, parents/guardians will be notified of their obligations pursuant to student attendance. (Please see Student Handbook, www.trumbullps.org, under "Trumbull High School.")

I. Regulations for THS Attendance toward Course Credit

A. General Principles

- Communication is essential for success in teaching and learning.
- Student seat time is important to learning.
- Intentionally missing class will incur penalties and affect grades.
- Attendance issues need to be resolved as soon as possible, but no later than one school day after the student's return to school.
- Attendance will be taken by teachers in each period of the day; however, attendance calls to students' homes will be based upon attendance in the designated official attendance period.

Classroom (period) attendance will be recorded electronically by the teacher. It is the student's responsibility to notify his/her teacher when the student will be absent from class and arrange to make up missed work if the absence has been verified by a parent/guardian to the appropriate House Office within one school day of the student's return.

B. Parent/Guardian Responsibility

It is the responsibility of the parent/guardian to monitor his/her child's attendance via the District parent portal at www.trumbullps.org, student report card, and/or contacting the student's House Office.

It is the responsibility of the parent/guardian to report his/her child's absence to the school each day by calling the student's House Office between 7:30 a.m. – 9:30 a.m. and speaking with school staff directly or leaving a message on voicemail. Notification must be sent to the student's House Office upon his/her return within one school day after the student has returned from his/her absence. Notification must include the student's name, date(s) of absence, and reason for the absence along with a daytime phone number where a

parent/guardian can be reached for verification. In addition, parents/guardians are encouraged to submit official verification of any activity for which verification is required in order for said activity not to count toward the student's absence bank; see Section I.C.1 below.

C. Absence Bank

For each course, students will have an absence bank, consisting of both excused/verified and unexcused/unverified absences, which is a set number of absences before credit is lost in the course. **For more information, please see Appendix A of this policy with calculations for each credit type.**

For all courses, the student will lose the amount of credit designated for that particular course once the absent bank reaches more than 11% of the class meeting **periods. days**. ~~For example, a student in a one-credit class who has 20 or more absences from class in the absence bank, will lose credit for that course. Please see the chart below for further examples:~~

~~Attendance Thresholds~~	~~Full-Credit Course (1.0)~~	~~Half-Credit Course (0.5)~~	~~Quarter-Credit Course (.25)~~
~~Number of Classes~~	~~181 days~~	~~90 days~~	~~45 days~~
~~Days Missed Threshold 1st Notification (4%)~~	~~7 absences~~	~~3 absences~~	~~2 absences~~
~~Days Missed Threshold 2nd Notification (8%)~~	~~14 absences~~	~~7 absences~~	~~4 absences~~
~~Days Missed Loss of Credit (11%)~~	~~20 absences~~	~~10 absences~~	~~5 absences~~

A student who loses credit for a particular course due to excessive absences will need to seek approval from the student's House Principal and the THS Principal in order to retake said course in summer school.

1. Exclusions from Absence Bank Calculations

School-related activities do not count towards the absence bank limit. These include:

- bus delay or failure confirmed by the transportation provider;
- approved field trips, including curricular, cocurricular, and extracurricular trips, as well as athletic and other school-sponsored events;
- extraordinary educational opportunities pre-approved by District administrators in accordance with Connecticut State Department of Education guidelines (see Section IV below)
- meetings with school personnel such as a school nurse, the student's school counselor, the student's case manager, etc.; and
- suspension or expulsion from school.

Certain other activities also do not count towards the absence bank limit provided that

official verification is provided to the school. These include:

- college visitations, up to two per year, for 11th- and 12th-graders (documentation from the college required);
- mandated court appearances (documentation from the court clerk or attorney required);
- death in family (documentation verifying relationship required);
- student illness requiring absence (documentation from treating health care professional required), not including non-illness-related appointments with health care professionals that can be made outside regular school hours; and
- religious observance (documentation of religious observance required)
- mental health days, up to two non-consecutive days, during the school year. Such absence is to permit the student to attend to his/her emotional and psychological well-being in lieu of attending school (documentation from parental/guardian required), such absence(s) shall be identified as a “mental health wellness day.”

A student will be exempt from the absence bank provisions of this policy if it is so noted on the student’s IEP, Section 504, or Individualized Health Care Plan.

2. Excused/Verified Absences in the Absence Bank

Absences beyond those in Section I.C.1 above will be considered excused/verified provided that a parent/guardian note is presented to the House Office within the previously mentioned one-school-day timeframe.

Students with excused/verified absences from school or class will be given appropriate opportunity to make up class work they have missed in order to complete curriculum requirements. Failure on the part of the student to complete his/her responsibility in making up missed work will impact his/her grade.

3. Unexcused/Unverified Absences in the Absence Bank

Absences beyond those in Section I.C.1 above will be considered unexcused/unverified if a parent/guardian note is not presented to the House Office within the previously mentioned one-school-day timeframe. Class cuts will also count as unexcused/unverified absences. A class cut is defined as any time a student has reported to school but does not report to his/her designated class, and does not have staff permission to be in any other location. Class cuts may not be excused/verified by a parent/guardian phone call or note. Class cuts are subject to disciplinary action as set forth in Board of Education Policy 5131, “Student Standard of Conduct.”

As a result of a class cut or an unexcused/unverified absence, a student will not earn credit for class work/assessments missed and will not be provided makeup privileges.

If unexcused/unverified absences, including class cuts, amount to more than 50% of a student’s total absences, the student may not be eligible to retake said course in summer school.

D. Absences and Participation in Extracurricular Activities

Any student who has not reported to school or is not present for at least half of the scheduled school day is considered absent from school. Students who are considered absent from school will not be permitted to participate in any extracurricular activity (e.g., athletic practice, game, rehearsal, performance, etc.). Coaches and advisors will monitor attendance to ensure compliance with this regulation. Exceptions to this policy will be considered by the Principal or his/her designee only upon receipt of a written request from the parent/guardian and will be handled on an individual basis.

E. Tardiness to Class

Students who are tardy (both excused/verified and unexcused/unverified) and miss more than 20% (time) of a class will be marked as absent for the class. This absence will count towards the absence bank, and the excused/verified, unexcused/unverified designation will apply towards determining eligibility for making up work missed. Student tardies that are less than 20% (time) of a class will not count towards the absence bank, but may be considered by the Appeals Board if an appeal for reinstatement of lost credit is made. When students leave school and return to school for any reason, the House Office will note the time on the student's pass back to class so it can be recorded properly in accordance with the 20%-tardy designation. Please see *Student Handbook*, www.trumbullps.org, under "Trumbull High School" for procedures.

F. Late Arrival/Early Release (grades 11 and 12 only)

Students with assigned study halls either Time Slot 1, 2, 7, or 8 will be excused from school with parental permission and completion of necessary documentation. This privilege may be revoked as a result of disciplinary action or academic need/failure.

G. Early Dismissal

If an early dismissal request is for an excused/verified absence from an instructional period or periods, the student must submit the written request from a parent/guardian to the House Office on or before the day of the request. If the note is not received, the absence will be considered a class cut or an unexcused/unverified absence. The provisions of this section do not apply to early dismissals for unanticipated illness reasons, which should be processed through a school nurse in accordance with Section I.C.1 above.

H. Notification of Potential Loss of Credit

The parent/guardian will receive a formal notification letter from the school upon a student's crossing of each attendance threshold.

- The first notification will be sent once a student has missed 4% of the scheduled class meeting ~~days~~ periods accumulated to the student's absence bank. See above section 1.C *Absence Bank* for a table with examples.

- The second threshold notification will be sent once a student has missed 8% of the scheduled class meeting ~~days~~ **periods** accumulated to the absence bank. See above section 1.C *Absence Bank* for a table with examples.

I. Appeal Procedure

Once a student loses credit in a course, the student will have the opportunity to appeal the loss of credit through the submission of an appeals packet designed to provide evidence demonstrating that his/her excessive absences were necessary. Whatever is submitted at this time should be supplemental to any documents that were required as per the policy of reporting absences within a one-school-day time period after the student has returned from his/her absence. The completed appeals packet must be received no later than the last class day of the semester in which credit has been lost, unless otherwise notified.

There will be one non-House-specific Appeals Board for the school. The Appeals Board will have five members made up of two general education teachers, one special education teacher, a school counselor, and an administrator. This Appeals Board will review submitted documents, make a decision, and rule on cases. If class cuts (unexcused/unverified) amount to more than 50% of a student's total absences, the student will automatically be disqualified for credit recovery. The Appeals Board will make its decision based on the data provided at the time the absences occurred and any pertinent supplemental documents. The Appeals Board will review pertinent student academic and attendance records maintained by the District before making a decision.

If at least three of the five Appeals Board members vote in favor of credit recovery, the student and parent/guardian will receive a phone call and a letter mailed to the home informing them of the Appeals Board's affirmative decision. If at least three of the five Appeals Board members vote against credit recovery, the student and parent/guardian will receive a phone call and a letter mailed to the home informing them of the Appeals Board's negative decision.

In rare cases of extenuating circumstances, an affirmative decision to grant credit recovery may be made by the student's House Principal after discussion with the THS Principal. The House Principal will document his/her decision in writing in a letter mailed to the home.

- J. Forms to support the implementation of this policy will be developed and reviewed periodically by the Assistant Superintendent or his/her designee.

II. Regulations for Determining Truancy

Solely for determining truancy, in accordance with Connecticut General Statutes, "absence" means an excused absence, unexcused absence, or disciplinary absence, as those terms are defined by the Connecticut State Board of Education. For purposes of this definition, a student is considered to be "in attendance" if present at his/her assigned school, or an activity sponsored by the school (e.g., a field trip), for at least half of the school day.

The Trumbull Board of Education recognizes the importance of early intervention for students exhibiting truancy behavior, and for that purpose distinguishes between “excused absences” and unexcused absences” as follows:

A student’s absence from school shall be considered “excused” if written documentation of the reason for the absence has been submitted within ten (10) school days of the student’s return to school or in accordance with Section 10-210 of the Connecticut General Statutes and meets the following criteria:

- For absences one (1) through nine (9) in a school year, a student’s absences from school are considered excused when the student’s parent/guardian approves such absence and submits appropriate documentation;
- For the tenth (10th) absence and all absences thereafter in a school year, a student’s absences from school are considered excused for the following reasons: student illness if verified by an appropriately licensed medical professional; student’s observance of a religious holiday; death in the student’s family or other emergency beyond the control of the student’s family; mandated court appearance if supported by appropriate additional documentation; the lack of transportation that is normally provided by a district other than the one the student attends; or extraordinary educational opportunities pre-approved by District administrators in accordance with Connecticut State Department of Education guidelines and Section IV below.

A student, age five to eighteen, inclusive, whose parent/guardian is an active duty member of the armed forces, as defined in Connecticut General Statutes § 27-103, and has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat support posting, shall be granted ten days of excused absences in any school year. In the case of excused absences pursuant to this paragraph, such student and parent/guardian shall be responsible for obtaining assignments from the student’s teacher prior to any period of excused absence, and for ensuring that such assignments are completed by such student prior to his/her return to school from such period of excused absence.

A student’s absence from school shall be considered “unexcused” if it does not meet the criteria to be considered an “excused” absence and if it is not the result of school or District disciplinary action.

Based on the definitions above, a “truant” is a child age five to eighteen, inclusive, who has four (4) unexcused absences in one month, or ten (10) unexcused absences in one year.

Based on the definitions above, a “chronically absent” student is a child who has accumulated a total number of absences at any time during a school year that is equal to or greater than ten percent of the total number of days that such student has been enrolled at the school during the school year.

1. The school principal and/or his/her designee will hold a meeting with the parent/guardian of a child who is a “truant” or a “chronically absent” student as defined above. Such meeting will be held no later than ten (10) school days after the student’s designation as “truant” or “chronically absent” based upon the definitions articulated earlier in this policy.
2. Whenever a student enrolled in school fails to report to school on a regularly scheduled school day and no indication has been received by school personnel that the student’s parent/guardian (or other person having control of the student) is aware of the child’s absence, a reasonable effort to notify, by the automated calling system, the parent (or such other person) shall be made by the school personnel. Such notice shall include a warning that two (2) unexcused absences from school in a month or five (5) unexcused absences in a school year may result in a complaint filed with the Youth Service Bureau or a similar community-based service pursuant to Connecticut State Statutes §§10-19m alleging the belief that the acts or omissions of the child are such that the child’s family is a family with service needs.
3. A Planning and Placement Team meeting will be convened to determine the appropriateness of a special education evaluation of the truant or chronically absent student. In addition, there will be consideration of referral to the school’s Early Intervention Team (EIT).
4. The school system will coordinate services with community agencies and referrals of truant and chronically absent students to agencies providing child and family services.
5. The school system will provide notice to the parents/guardian of information concerning the 2-1-1 Infoline and other pediatric mental and behavioral health screening sources and tools provided by the State Department of Education.

III. Chronic Absenteeism Prevention and Intervention

1. The Board, in compliance with State statute, requires the establishment of attendance review teams when chronic absenteeism rates in the District or at individual schools in the District meet the following circumstances:
 - a) A team for the District must be established when the District chronic absenteeism rate is 10 percent or higher.
 - b) A team for a school must be established when the school chronic absenteeism rate is 15 percent or higher.
 - c) A team for either the District or each school must be established when (i) more than one school in the District has a school chronic absenteeism rate of 15 percent or higher; or (ii) the District has a District chronic absenteeism rate of 10 percent or higher and one or more schools in the District have a school chronic absenteeism rate of 15 percent or higher.
2. Each attendance review team shall be responsible for reviewing the cases of truants and chronically absent children, discussing school interventions and community referrals for such truants and chronically absent children, and making any additional recommendations for such

truants and chronically absent children and their parents/guardians. Each established attendance review team shall meet at least monthly.

3. The District shall utilize the chronic absenteeism prevention and intervention plan developed by the State Department of Education.
4. The District shall annually report to the Connecticut State Department of Education data pertaining to truant and chronically absent children in schools under its jurisdiction.
5. The District shall ensure that any school with a disproportionately high rate of truancy will adopt and implement a truancy intervention model developed by the Connecticut State Department of Education.

IV. Extraordinary Educational Opportunities

1. An extraordinary educational opportunity is defined as an opportunity: (a) with a learning objective related to the particular student's coursework or plan of study; (b) not ordinarily available to the particular student; (c) appropriate to the age, grade, and development of the particular student; and (d) with content highly relevant to the particular student. The opportunity must come at no cost to the District.
2. A request for the approval of an extraordinary educational opportunity must be submitted in advance in writing, with the signature of the student and his/her parent(s)/guardian(s), to the appropriate building principal. The request must detail how the opportunity meets the criteria outlined above. All relevant documentation must be attached.
3. The decision to approve, or not approve, an extraordinary educational opportunity will be put in writing by the school principal after consultation with the Superintendent and/or his designee, and may be subject to withdrawal based on conditions outlined in the approval. Each request will be considered on a case-by-case basis and will set no precedent for the particular student or for other students.

Appendix A

Classes generally meet 3 out of every 4 cycle days. For threshold calculation, class meeting days should be used rather than school days. The school year also contains days on which special schedules are run, during which classes don't meet in the normal fashion. The table below contains adjusted figures:

Attendance Thresholds	Full Credit Course (1.0)	Half Credit Course (0.5)	Quarter Credit Course (.25)
Number of Classes	169 days: 127 meetings	85 days: 64 meetings	43 days: 32 meetings

Days Missed Threshold 2nd Notification (8%)	11 classes (8.7%)	6 classes (9.4%)	3 classes (9.4%)

January 26, 2024 - Board of Education Finance Committee Report

Operating Budget (001):

- 1) The summary sheet shows that the general fund has an available balance of \$303,462.
- 2) The package includes both the “By Object” and “By Location” financial statements.
- 3) The presentation begins with four graphs: Total Budget, Salaries, Benefits, and Utilities which illustrate the cumulative spend as a percentage of the respective budget at year end.
 - a. Cumulative Total Board of Education Budget % by Month: 42.5%
 - i. In the past three years this has ranged from 38.9% => 42.9%.
 - b. Salaries (which are approximately 65.5% of the budget): 38.3%
 - i. In the past three years this has ranged from 37.6% => 38.7%.
 - c. Benefits (which are 17.8% of the budget) spent: 48.7%
 - i. In the past three years this has ranged from 46.7% => 49.1%.
 - ii. Salaries and benefits make up 83.3% of the budget.
 1. So, five dollars out of every six is spent on personnel related items (salaries + benefits).
 - d. Utilities (Electricity + Water) spent YTD = 42.3% of budget.
 - i. Last three years: 39.0% => 42.8%
- 4) There are a few items I would like to point out under the categories below (please refer both to the two-page summary and the fifteen-page detailed general fund financials in the package).

Reviewing the standard nine object codes for September and their available balance and month-to-month (MTM) changes:

 - a. **Salaries (51XX): \$1,736,707; a \$345,944 increase from \$1,390,763 (11/30).**
 - i. Of this available balance, \$705,549 is for substitutes; however, teacher and paraprofessionals substitutes are now being handled by ESS which is a contracted service. So, the available balance in substitutes is offset by the deficit in Service Contracts (under Purchased Professional Services).
 - ii. The Business Office and HR went live with Position Control on January 17, 2024.
 - b. **Employee Benefits (52XX): -93,325; a \$9,781 decrease from -\$83,544 (11/30).**
 - i. To date only \$6,143 in unemployment has been assessed. This line item has decreased dramatically since the end of COVID.
 - ii. Under Other Benefits, the amount for 401(A) has been increasing over the years and is projected to be \$80,000 in deficit.
 - c. **Purchased Professional Services (53XX): -\$854,932; a \$15,651 decrease from -839,281 (11/30).**
 - i. The primary contributor to this deficit is Service Contracts (\$933,072) which has the following overages.
 1. Contracted - Substitute Teacher = -\$575,000
 2. Contracted – Substitute Paraprofessional = -\$300,000
 3. Contracted – Substitute Secretaries = -75,000
 4. Total = -\$950,000
 5. These line items were added post-budget for a contract with ESS which now handles the teacher and paraprofessional substitute management.

The deficits in these two items are offset by the available balance under Salaries.

- d. **Purchased Property Services (54XX): -\$233; a \$26,567 decrease from \$26,334 (11/30)**
 - i. Utilities = \$11,999; no change MTM.
 - ii. Repairs & Service Fees = -\$27,243; a \$28,065 decrease from 11/30.
 - iii. Copiers = \$3,820; no change MTM.
 - iv. Other Purchased Property Services = \$11,190; an \$503 decrease MTM.
- e. **Purchased Other Services (55XX): -\$346,294; a \$255,020 decrease from last month.**

Major items are:

December 21, 2023 – Board of Education Finance Committee Report

Operating Budget (001):

- 1) The summary sheet shows that the general fund has an available balance of \$383,175.
- 2) The package includes both the “By Object” and “By Location” financial statements.
- 3) The presentation begins with four graphs: Total Budget, Salaries, Benefits, and Utilities which illustrate the cumulative spend as a percentage of the respective budget at year end.
 - a. Cumulative Total Board of Education Budget % by Month: 30.8%
 - i. In the past three years this has ranged from 30.6% => 32.2%.
 - b. Salaries (which are approximately 65.5% of the budget): 26.7%
 - i. In the past three years this has ranged from 26.5% => 27.2%.
 - c. Benefits (which are 17.8% of the budget) spent: 40.0%
 - i. In the past three years this has ranged from 38.7% => 41.1%.
 - ii. Salaries and benefits make up 83.3% of the budget.
 1. So, five dollars out of every six is spent on personnel related items (salaries + benefits).
 - d. Utilities (Electricity + Water) spent YTD = 34.4% of budget.
 - i. Last three years: 32.3% => 38.5%
- 4) There are a few items I would like to point out under the categories below (please refer both to the two-page summary and the fifteen-page detailed general fund financials in the package).
Reviewing the standard nine object codes for September and their available balance and month-to-month (MTM) changes:
 - a. **Salaries (51XX): \$1,390,763**
 - i. Of this available balance, \$777,469 is for substitutes; however, teacher and paraprofessionals substitutes are now being handled by ESS which is a contracted service. So, the available balance in substitutes is offset by the deficit in Service Contracts (under Purchased Professional Services)
 - ii. The Business Office and HR will continue their meetings with MUNIS trainers to complete implementing Position Control.
 - b. **Employee Benefits (52XX): -83,544**
 - i. To date only \$6,143 in unemployment has been assessed. This line item has decreased dramatically since the end of COVID.
 - ii. Under Other Benefits, the amount for 401(A) has been increasing over the years and is projected to be \$69,745 in deficit.
 - c. **Purchased Professional Services (53XX): -\$839,281**
 - i. The primary contributor to this deficit is Service Contracts (\$886,891) which has the following overages.
 1. Contracted - Substitute Teacher = -\$575,000
 2. Contracted – Substitute Paraprofessional = -\$300,000
 3. Contracted – Substitute Secretaries = -75,000
 4. Total = -\$950,000
 5. These line items were added post-budget for a contract with ESS which now handles the teacher and paraprofessional substitute management.

The deficits in these two items are offset by the available balance under Salaries.

- d. **Purchased Property Services (54XX): \$26,334** (an \$11,087 decrease)
 - i. Utilities = \$9,999 (a \$2,000 increase)
 - ii. Repairs & Service Fees = \$822 (a \$13,062 decrease)
 - iii. Copiers = \$3,820 (no change)
 - iv. Other Purchased Property Services = \$11,693 (a \$265 decrease)
- e. **Purchased Other Services (55XX): -\$91,274** (a \$74,310 decrease from last month); major items are:
