

EAGLE NEWS

ANDERSON ISLAND ELEMENTARY

Good afternoon, Eagle families -

Our Hundredth Day of School will be February 8. We will celebrate with classroom activities and a special Anderson Island American Legion treat. We are so thankful to receive such wonderful community support.

We kicked off our read-A-thon this week. It will take us through the whole month of February. We will celebrate with a Read Across America Breakfast & Art Show on March 1 at 8 a.m. We hope your family can join us in celebrating all their reading progress.

If you are interested in supporting the Read-A-Thon, please go to: <https://app.99pledges.com/fund/aierreads>. At that site, you can donate to help with the fundraising part of our project this month if you would like.

We have exciting things on the horizon, and our kids are learning and having a great time in the process.

I hope you all have a great weekend. Remember to get outside, get some rest, and make sure you are reading your books.

I look forward to seeing you all next week,
- Mr. Miller
