

# STEM EXPLORATION NIGHT 2024

**MARCH 14**  
**6-8 PM | FWHS**

FROM IMAGINATION TO INNOVATION

## Join us for an evening of STEM exploration!

At the seventh annual FWPS STEM Exploration Night, **From Imagination to Innovation**, see how you can embark on an exciting STEM journey in FWPS and beyond to turn your imagination into innovation!

★ Free food, transportation, and interpreters are available!

### At the event:

- Participate in hands-on experiences like Minecraft and LEGO challenges
  - Attend the STEM Film Festival
  - Watch live demonstrations
  - Hear from and ask questions to STEM professionals at a panel
  - Learn about STEM careers from industry professionals
  - See FWPS school STEM robotics and classroom-related STEM learning exhibits
- ★ **Plus, collect SWAG and giveaways throughout the event!**
