2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Fairview Elementary School has a philosophy and program designed to meet the needs of all students and educating the whole child. We believe that all students should be exposed to comprehensive academic curriculum, guided by the Common Core Standards and district initiatives including social-emotional learning. At Fairview, all students participate in a culturally responsive academic program, expanding their academic skills so all students can become productive, responsible, and compassionate citizens. Our vision is to equip our students with the 21st Century skills necessary to be college and career ready. Fairview strives to foster a welcoming environment conducive to producing caring, compassionate, critically minded students. Fairview's aim is to become the school where students feel the safest to learn in the district.

Fairview's mission is to create a safe, respectful, supportive, and socially & academically responsive environment that encourages lifelong learning and critical thinking. Fairview Elementary School believes that teaching in a culturally responsive way will embolden students to become future leaders and students will gain the ability to advocate for their needs. Fairview also boasts the only Deaf & Hard of Hearing Pre-School through 6th Grade program in Hayward and it's surrounding cities. The Fairview community is full of dedicated teachers, hardworking students and committed parents. we believe that family engagement is crucial in educating the whole child.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

School Facility Conditions and Planned Improvements

General: The district places a strong emphasis on ensuring that all schools are safe, clean, environmentally friendly, mechanically functional and inviting for students, staff members, and the community. To assist in this effort, the district utilizes the Facility Inspection Tool (FIT) developed by the State of California OPSC and local operations department developed inspection survey methods to keep facilities in compliance with all federal and state health and safety regulations. The district regularly inspects and reviews the condition of the school facilities and surrounding grounds. The district places the highest priority on those safeguards that impact the fire, life and safety protection of the students, staff, and school buildings. Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

Age of School Buildings: The current school campus was constructed in 2012. This school has thirty-six (36) regular classrooms, a multipurpose room, a library, an outdoor eating area and an administration building.

Maintenance and Repair: District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order system process is used to ensure efficient service and highest priority is given to emergency repairs. At the time of publication, 100% of the school's restrooms on campus were in good working order.

Cleaning Process and Schedule: The district has developed cleaning standards and schedules for all schools in the district. A summary of these standards and schedules is available at the school or the Maintenance & Operations office. The principal, with the guidance of the Facilities, Maintenance, Operations and Transportation (FMOT) Department works daily with the custodial team to ensure that the cleaning standards are met, and that classrooms, restrooms, and campus grounds are kept clean, safe, and well-maintained.

Modernization Projects: Since 2019, local bond funds (Measure H) are being used to complete various modernization and infrastructures projects throughout HUSD. At Fairview Elementary these projects have included exterior painting of the school. All work described was completed by the end of the 2022 summer period.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Fairview offers several opportunities for families to partner with the school. All families are invited to join the School Site Council(SSC), the African American Student Achievement Initiative parent group (AASAI), Site Based Decision Making Team (SBDM), Parent Teacher Association (PTA), and the English Language Advisory Committee (ELAC). We also have parent ambassadors who hold leadership positions at the school and we are growing our pool of parent volunteers. The School Site Council plays an intricate role in developing the School Plan for Student Achievement and ensures all funds and resources are used appropriately. The Site Based Decision Making Team focuses on policy and procedure development and provides oversight of school rules to ensure a safe and efficient campus community. The PTA builds community and raises funds to provide educational and morale-building activities for our community such as the Falcon Flight, our community fun run. Our AASAI focuses on the experience of black families at our school and champions the closing of the opportunity gaps that persist in public education. Our ELAC ensures our English Learners are receiving all the proper supports and accommodations that would allow equal access to the general curriculum.

2023-24 School Safety Plan

Safety is our highest priority, not just related to disaster preparedness but also safety and belonging every day on our campus. Safe students are more able to learn and focus on achieving student goals. Students are supervised throughout the day by teachers, administrators, and other campus supervisors. There are designated areas for student drop-off and pick up. Visitors need to check in at the front office and receive a badge. We also do ongoing training with the staff on mental health support and bullying prevention as well as anti-bias and anti-racism work to ensure staff is aware of micro aggressions and we champion emotional safety on our campus.

Disaster preparedness including fire, disaster, and lockdown drills are conducted on a regular basis throughout the school year so that all staff and students are familiar with what steps to take in an event of an emergency. We recently focused on updating all our equipment for disasters and we are adding a new portable to house our updated equipment. The school is using an online application called Share911 to communicate with staff during emergencies to coordinate safety/disaster drills.

Our school has an active School Safety Committee that meets bi-weekly. The committee works together in forming and revising the school safety plan as well as responding to day-to-day safety issues. At the time of the latest review of the School Site Safety Plan, all revisions were communicated to both the classified and certificated staff at our Jan. 2024 staff meeting. During the 2023-2024 school year, this has included the documentation of all of the necessary changes to support our Deaf and Hard of Hearing (DHH) program at our school.

Safety plans are posted on the district and school websites for the entire community to access.

Fiscal Year 2022-23 Types of Services Funded

Fairview funds a wide range of services to assist our students to become grade level proficient and college ready. We have purchased supplemental reading materials to ensure that our students are provided culturally responsive reading instruction. This includes a service called Ignite which focuses on the science of reading. Reading intervention support is provided through district created positions. Additional support services provided by Fairview include crisis counseling, general counseling, trauma informed teaching support, PBIS and restorative practices.

Fairview provides a multi tiered system of supports (MTSS) and in class small group reading instruction to struggling readers. The district hired an ELD teacher to support long-term EL students through intensive language development classes in addition to the ELD instruction provided by the classroom teacher.

Fairview purchased Leveled Literacy Intervention and Fountas & Pinnel Guided Reading Materials as anchor materials for all intervention/acceleration support in reading classes however we are widening our approach to reading by including more phonics interventions such as Heggerty phonics for lower grades.

Professional Development

Fairview school has focused on building a safe school for the whole child including professional development in the areas of Anti-Bias and Anti-Racism teaching, literacy practices and mathematics instruction.

Specific to the 2023-2024 school year, Fairview has added a focus on developing our math instruction by offering professional development that is responsive to our low scores in mathematics. Our training is aligned with state standards and focuses on modeling of word problems and analyzing the mathematical practices in a math classroom. We also have used online Lexia, Ignite, Brain Pop, and Accelerated Reader and have trained our teachers on these different applications.

Fairview has an Instructional Leadership team comprised of teacher representatives from primary, intermediate, kinder and the special education department who work together to coordinate professional development opportunities for the entire staff. Fairview has three full-day professional development days, five minimum days that are used for professional development and we utilize all of our 10 monthly staff meetings for professional development. Teachers are also encouraged to participate in ongoing professional development in their weekly collaboration meetings using the Cycle of Inquiry learning process. Teachers are supported by whole staff professional developments, as well as focused grade level inquiry processes. Educators are supported to attend conferences and to share acquired knowledge with other staff members as well as visit our classrooms in the district to observe research based best practices.

This table displays the number of school days dedicated to staff development and continuous improvement.
