## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

Anthony W. Ochoa Middle School is a diverse school community where students can thrive and be successful. We have staff at varying levels of experience, who care about the development and support of the whole student. Our college and career programs, supports the needs of all students.

Ochoa's staff work to provide students a safe and inclusive learning environment with a positive school climate. We provide rigorous course work and elective offerings using culturally, and linguistically responsive pedagogy for students. We believe school is a microcosm of society and know the importance of honoring the assets our students bring to the school community each day. Staff work to provide culturally relevant instruction and strategies and we take a restorative approach to discipline. The faculty of Ochoa aim for all students to be proud to be "Made in Hayward" and to take pride in their school, their community, and their accomplishments. Parents and community members serve as a vital component of our academic program and we welcome participation in school committees such as: the African American Student Achievement Initiative (AASAI), the English Learner Advisory Committee (ELAC), Site-Based Decision-Making Team (SBDM), and School Site Council (SSC). Through committees such as these, Ochoa Middle continues to assess course offerings, elective programs, and after school programs to ensure we remain competitive with neighboring middle schools.

### Mission Statement:

Our mission is to provide a safe and inclusive learning environment, that affords equitable opportunities, provides culturally and linguistically responsive and standards-based instruction that validates and affirms the cultures, traditions, and values of our diverse learners. We will provide students with long-term skills and strategies that support the development of critical thinking to enhance their academic, social-emotional, and character development, by first building on the foundation of trust and relationships.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	1.00	3.00
Misassignments	0.10	0.00
Vacant Positions	0.00	0.00
<b>Total Teachers Without Credentials and Misassignments</b>	<b>1.10</b>	<b>3.00</b>

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.60	0.40
Local Assignment Options	0.10	0.30
<b>Total Out-of-Field Teachers</b>	<b>0.70</b>	<b>0.70</b>

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	0.8	0
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	10.2	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## School Facility Conditions and Planned Improvements

**General:** The district places a strong emphasis on ensuring that all schools are safe, clean, environmentally friendly, mechanically functional and inviting for students, staff members, and the community. To assist in this effort, the district utilizes the Facility Inspection Tool (FIT) developed by the State of California OPSC and local operations department developed inspection survey methods to keep facilities in compliance with all federal and state health and safety regulations. The district regularly inspects and reviews the condition of the school facilities and surrounding grounds. The district places the highest priority on those safeguards that impact the fire, life and safety protection of the students, staff, and school buildings. Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

**Age of School Buildings:** Anthony Ochoa Middle School was constructed in 1959. This school has twenty-two (22) permanent classrooms, a multipurpose room, a locker room, a library, and an administration building. In addition to the main building, there are ten (10) portable classrooms that have been added to accommodate class size reduction and instructional programs for the Alameda County Office of Education.

**Maintenance and Repair:** District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order system process is used to ensure efficient service and highest priority is given to emergency repairs. At the time of publication, 100% of the school's restrooms on campus were in good working order.

**Cleaning Process and Schedule:** The district has developed cleaning standards and schedules for all schools in the district. A summary of these standards and schedules is available at the school or the Maintenance & Operations office. The principal, with the guidance of the Facilities, Maintenance, Operations and Transportation (FMOT) Department works daily with the custodial team to ensure that the cleaning standards are met, and that classrooms, restrooms, and campus grounds are kept clean, safe, and well-maintained.

**Modernization Projects:** Since 2019, local bond funds (Measure H) are being used to complete various modernization and infrastructures projects throughout HUSD. At Anthony Ochoa Middle School these projects have included installation of Fire Alarm/PA System, new paving/stripping of asphalted areas and exterior painting of the school. All work described was completed by the end of the 2023 summer period.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	36	37	36	35	47	46
<b>Mathematics</b> (grades 3-8 and 11)	22	22	19	20	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2023-24 Opportunities for Parental Involvement

Ochoa Middle recognizes that partnerships with all stakeholders, stands as a critical component in the education of our students. Through our Parent Outreach Program which coordinates events with the principal from its designated Parent Center, Ochoa Middle offers opportunities which include the following:

- Parent Days Quarterly

\*Includes parent shadow days

\*Includes parent/student workshop presentations

\*Includes guest speakers

\*Includes online resources that allow synchronous/asynchronous learning for parents

Site Based Decision Making (SBDM) Team-Students, parents and administrators come together to discuss process improvements and issues that support positive school climate and outcomes. They engage in shared decision making with the administration and staff. All parents are invited and welcome to become active participants in their child's school.

School Site Council (SSC)-where parents, staff, and community members advise the principal and provide input and assess the effectiveness of the SPSA (School Site Plan for Student Achievement) each year. which participates in the development of the School Site Plan and approval of school improvement budget expenditures

ELAC (English Language Advisory Committee) Meetings- Students, parents, and other community members learn, discuss, and plan how our English Language Learners will be able to successfully reclassify as English Language Proficient. They advise the principal and school staff regarding programs and services for English Learners;

AASAI (African American Student Achievement Initiative) Meetings-All stakeholders come together to review data and conduct trend analysis around the impacts of instruction, discipline, and culturally responsive instruction and how we can best support the needs and academic success of African American Students.

- Parent Support Groups working with our Family Engagement & Equity Specialist

## 2023-24 Opportunities for Parental Involvement

- Parent Volunteers & Chaperones
- Parent English as a Second Language (ESL): LifeSkills
- Parent Technology courses (Basic to Advanced)
- Workshops with The Parent Institute for Quality Education and Kaiser Hospital including topics such as Teen Dating & Next Steps for High School

## 2022-23 Chronic Absenteeism by Student Group

## 2023-24 School Safety Plan

At the time of the latest review of the School Site Safety Plan, all revisions were communicated to both the classified and certified staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety. Fire, disaster, and lockdown drills are conducted each month throughout the school year. Our CSSP was updated at the start of the 2023-24 school year and safety/emergency procedures are shared with students at the start of each year and reviewed prior to practice drills.

Students are supervised throughout the day by support staff, teachers, administrators, and two campus safety officers. There is a designated area for student drop-off and pick-up. All visitors are required to check in the front office and receive a visitor badge. Our CSO (Campus Safety Officer) helps to support the safety of students daily by patrolling the site regularly and having great relationships with students so as to be proactive when issues arise.

Our school has a Safety Committee, where members (students, staff, parents, and administrators) meet monthly to discuss all safety concerns. They identify possible safety concerns, conduct trend analysis, and develop processes and procedures to ensure the safety of all members on the campus.

Responsibilities of the safety committee include but are not limited to:

1. Development of evacuation, lockdown, earthquake, and active shooter procedures.
2. Teaching students and staff those procedures until they are top of mind.
3. Ensuring the procedures are communicated to all visitors to the campus.
4. A (staff-wide) regular review and update of safety procedures and emergency plans.
5. Notification to faculty of safety-related concerns that have occurred on campus.
6. Establish protocols for how notifications to staff will occur (SHARE 911, PA, etc.).
7. Annual check of safety equipment, evacuation maps, and instructions/procedures and safety concerns on site.
8. Make recommendations for school standards.
9. Ensure representation at district level meetings.
10. Report in writing concerns any unhealthy or unsafe facility conditions or equipment.

\*All changes in safety policy & procedures (District Safety and Site Safety) are reported monthly to the SBDM Team and disseminated to other staff via Safety and the respective Department Chairs, students, and families.

Fire, disaster, and lockdown drills are conducted on a regular basis throughout the school year so that all staff and students are familiar with what steps to take in an event of an emergency. The school is using an online application called Share911 to communicate with staff during emergencies. This online safety app is also used to coordinate safety/disaster drills with both staff and students.

## Fiscal Year 2022-23 Types of Services Funded

The Local Control Formula Funds are used to ensure all students graduate college and/or career ready. Our district ensures that all students have access to and success in a broad curriculum. In addition, that students master Common Core State Standards. We do this by expanding College and Career support programs, expand Career Pathways as well as implementing reading intervention systems. In addition, we have updated and expanded the district's technological infrastructure and obtained more computer software and personnel to maintain it.

Here at Ochoa Middle School we offer College & Career Readiness Programs such as Advanced Math (Alg. 7th&8th /Geometry), AVID, Puente, Spanish I, and STEAM, Science Technology Engineering and Math. These courses offer students access to rigorous content that supports their academic development and allows them to continue to qualify for advanced placement as they promote to High School.

Through partnership with Chabot College and our Youth Enrichment Program, our students are afforded an opportunity to attend Bridge To College, where eligible students can enroll in two college level courses each year. This program starts students on the path to earning an Associates Level Degree by the end of their 12th grade year, if they continue from the 7th grade.

Students also have the opportunity to elect a course in Home Economics that provides life skills and financial literacy.
