2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

The staff and parent community at Palma Ceia Elementary School have worked together to promote and support the academic, social, emotional, and physical development for all of our students. We strongly believe that all of our students can achieve. Students at Palma Ceia School receive instruction based on the Common Core State Standards for Language Arts, Mathematics, Science, Social Studies, and Physical Education. We foster the love of learning combined with high expectations for academic success. Staff collaborate weekly to discuss, and analyze student data to make informed decisions about our instructional practices and student learning. We participate in regular professional development on the latest teaching methodologies. Additionally, we encourage the involvement of our community in the endeavor of constant improvement in a comprehensive, meaningful and respectful way.

Palma Ceia Elementary is working towards building a relationship-centered school to increase student access to social-emotional supports with a focus on equity. In addition, staff engaged in professional development focused on building a collective responsibility to recognize, interrupt, dismantle, and eliminate actions, decisions, and outcomes that result from and perpetuate racism.

Palma Ceia Mission Statement

Palma Ceia students thrive in a nurturing academic environment that encourages critical thinking, creativity, and a love of learning.

Palma Ceia Elementary Vision Statement

Students will be prepared, challenged, and motivated in a 21st Century environment that develops the physical, intellectual, and emotional SUCCESS of all learners.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

General: The district places a strong emphasis on ensuring that all schools are safe, clean, environmentally friendly, mechanically functional and inviting for students, staff members, and the community. To assist in this effort, the district utilizes the Facility Inspection Tool (FIT) developed by the State of California OPSC and local operations department developed inspection survey methods to keep facilities in compliance with all federal and state health and safety regulations. The district regularly inspects and reviews the condition of the school facilities and surrounding grounds. The district places the highest priority on those safeguards that impact the fire, life and safety protection of the students, staff, and school buildings. Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

Age of School Buildings: Palma Ceia was constructed in 1956. This school has twenty-four (24) permanent classrooms, a multipurpose room, a library, and an administration building. In addition to the main building, there are nine (9) portable classrooms that have been added to accommodate class size reduction and instructional programs for the Alameda County Office of Education.

Maintenance and Repair: District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order system process is used to ensure efficient service and highest priority is given to emergency repairs. At the time of publication, 100% of the school's restrooms on campus were in good working order.

Cleaning Process and Schedule: The district has developed cleaning standards and schedules for all schools in the district. A summary of these standards and schedules is available at the school or the Maintenance & Operations office. The principal, with the guidance of the Facilities, Maintenance, Operations and Transportation (FMOT) Department works daily with the custodial team to ensure that the cleaning standards are met, and that classrooms, restrooms, and campus grounds are kept clean, safe, and well-maintained.

Modernization Projects: Since 2019, local bond funds (Measure H) are being used to complete various modernization and infrastructures projects throughout HUSD. At Palma Ceia Elementary these projects have included replacement of the Fire Alarm/PA System, re-paving/stripping of asphalted areas, replacing the roof system and exterior painting of the school. All work described was completed by the end of the 2023 summer period.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Palma Ceia Elementary School welcomes community involvement and recognizes it as an essential component to student's education. Therefore, we have established committees to produce, support, and implement the mission, vision, and goals of our learning community. We encourage and invite our parents to participate in our school committees. Our School Site Council (SSC) determines the focus of our academic instructional program and all related categorical funding. Our African American Student Achievement Initiative (AASAI) - has four priority goals of closing the achievement gap, culturally and linguistically responsive pedagogy, school climate, and family engagement. Our English Language Advisory Committee (ELAC) is responsible for advising the principal and staff on programs and services for English Learners and the School Site Council on the development of the School Plan for Student Achievement (SPSA).

In addition, educational experiences are enhanced when we join together to expand our learning community to be inclusive of all willing volunteers. Volunteers are encouraged to actively participate in a variety of ways such as volunteering in classrooms, chaperoning field trips, participating on school improvement days and many more. Palma Ceia hosts community events that foster cohesion among our school community. Events have included but are not limited to the following:

- Back to School Night
- Parent Orientation Meetings
- Coffee with the Principal
- Art Night
- Literacy Night
- Kindergarten Informational Meeting

Communication with our families is more crucial than ever. Communication includes weekly newsletters, phone messages and reminders. Our school website is a centralized location for all up to date information for families to access. Teachers and families regularly use digital communication platforms to increase accessibility and provide families with class updates and student progress.

2023-24 School Safety Plan

Palma Ceia School strives to provide a safe and healthy environment for our students and staff. The Comprehensive Site Safety Plan was reviewed and updated on August 10, 2023. It was shared with staff on August 16, 2023. It was approved on November 15, 2023.

Our CSSP includes the following key components:

- All staff will be trained on and will perform the emergency procedures at least 10 times per school year, to include fire/earthquake drills, and 1 each Shelter-in-Place and Lockdown. This includes the Incident command system, emergency response teams and student release procedures.
- Site facilities are routinely inspected and maintained.
- Suspensions and expulsions are reviewed each year to help evaluate the cause and to ensure a healthy and safe school environment.

In addition, our daily procedures include student supervision throughout the day by teachers, support staff, administrators, and yard duty supervisors. To ensure students safety on a daily basis, explicit teaching of expected behaviors in each zone of the campus is practiced with students three times a year. Visitors must check in at the front office and receive a visitor's sticker. This allows them to visit a classroom with staff supervision. Any adult on campus who is interacting with students longer than two hours within the school day, is required to be fingerprinted, TB tested, and cleared by the Hayward Unified School District and issued a district identification badge before interacting with students for prolonged periods of time.

For emergency communication, Palma Ceia utilizes the Share 911 Program that alerts the local police department, district personnel, all staff members, and other community members.

Fiscal Year 2022-23 Types of Services Funded

The Local Control Formula Funds are used to ensure all students graduate college and/or career ready. Our district ensures that all students have access to a broad curriculum and work to master the Common Core State Standards. We do this by expanding College and Career support programs, expanding Career Pathways as well as implementing reading intervention systems. Some of our services and programs include the following:

Special Education Paraprofessional + Bilingual Education Paraprofessional - Supports instruction with small group and push-in support in the areas of mathematics, language arts, behavior goals, and second language support.

English Language Learner (ELL) Specialist - Supports English Language Learners in and out of the classroom and assists families who are Second Language Learners. Monitors and maintains State and Federal compliance for the English Language Learner Program.

Family Engagement Specialist - Encourages and coordinates parent education and involvement, refers families to local agencies or services as appropriate; utilize and update designated District communication and outreach portals and protocols.

Student Ambassador Advisor - Advise the Student Ambassador as they collect student input from their peers regarding their experiences at school. Their findings will be presented to the Superintendent, Board of Trustees, and a panel of their peers.

Coordination of Services Team (COST) Coordinator - Supports the school site with the Student Success Teams, Community Engagement and resources, and monitors and checks in with students in need of both academic and behavioral supports.

Fountas and Pinnell Leveled Literacy Intervention (LLI) and Soluciones - Palma Ceia offers struggling readers who qualify for a short term intervention that provides daily, intensive, small group instruction, that supplements classroom literacy teaching.

Raz-Kids - An online resource offered to primary readers. It provides comprehensive leveled resources for students in an online and mobile format. It allows students to listen to books, read at their own pace, record themselves, and answer comprehension questions for each book.

Professional Development

As part of the growth process, opportunities for training and staff development are provided at both the district and individual school sites to administrators, teachers, and classified staff.

Palma Ceia Elementary continues working towards building a relationship-centered school to increase student access to social-emotional supports with a focus on inclusion and identity. During the 2022-23 school year, staff implemented social awareness and intellectualism practices to create an environment of engaged learners who are able to openly think, consider, and share their thoughts and perspectives.

Professional Development is supported by administration, an instructional coach, and the Instructional Leadership Team (ILT). Together, they focus on practical strategies for engaging students and improving their learning. Teachers engage in Professional Learning Communities (PLC) that meet regularly, share expertise, and work collaboratively to improve teaching skills and the academic performance of students.

In addition the Hayward Unified School District also provides professional development to various committees on campus which include, but are not limited to the following: Instructional Leadership Teams (ILT), The Site Based Decision Making (SBDM) Committee, and School Site council (SSC).
