2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

School Profile:

Park Elementary School is the oldest year-round school in the nation. We are located at 411 Larchmont Street in Hayward, CA. The school opened in 1960 as a traditional school. In 1968, we became a year-round school attracting many students and families from different parts of the Hayward Unified School District. We offer Bilingual Alternative and Shelter English Immersion Programs to students from preschool through 6th.

Vision Statement:

Park School's vision is to create an environment where all students can learn 21st Century Skills and apply them to real-life situations to reach their maximum potential.

Mission Statement:

Park Elementary School community is committed to developing 21st Century skills that promote the physical, intellectual, and emotional success of all learners. 21st Century Skills include: Problem Solving, Understanding and Applying Technology, Critical Thinking, Teamwork, Decision Making, and Goal Setting.

Principal's Message:

Park Elementary School is supported by a cohesive team of educators, staff, and community members committed to educational excellence and to the promotion of social justice. Teachers follow the Professional Learning Community model supported by our Instructional Leadership Team (ILT) to improve and refine teaching to support deeper student learning practices. We respond proactively to diverse student needs using a continuous improvement lens, through collaboration, meetings and professional development. Acceleration and intervention classes are available to qualifying students in language arts and mathematics. We also offer clubs such as art, ballet, Black Student Union, student leadership and sports as enrichment opportunities. We are determined to promote a positive school climate. Our students learn to be responsible, respectful, safe, and kind in the classroom, in school, and in the community. We use positive behavior interventions to recognize and celebrate pro-social behaviors. Our students strive for academic excellence, make positive behavior choices,

2023-24 School Description and Mission Statement

have great attendance, and believe in having a growth mindset that values effort and personal improvement. We offer specialized weekly PE, library/computer lab, music, and art classes. Our students are exposed to 21st-century technology daily. We value extracurricular opportunities; we have a strong after school visual and performing arts programs. Intermediate students can join the soccer team, be involved in school leadership, participate in intramural sports and community service. We offer family and community involvement opportunities through various school committees and events. Park school is a great place to learn where everyone feels like family.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. School Facility Conditions and Planned Improvements

General: The district places a strong emphasis on ensuring that all schools are safe, clean, environmentally friendly, mechanically functional and inviting for students, staff members, and the community. To assist in this effort, the district utilizes the Facility Inspection Tool (FIT) developed by the State of California OPSC and local operations department developed inspection survey methods to keep facilities in compliance with all federal and state health and safety regulations. The district regularly inspects and reviews the condition of the school facilities and surrounding grounds. The district places the highest priority on those safeguards that impact the fire, life and safety protection of the students, staff, and school buildings. Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

Age of School Buildings: Park was constructed in 1959. This school has nineteen (19) permanent classrooms, a multipurpose room, a library, and an administration building. In addition to the main building, there are eighteen (18) portable classrooms that have been added to accommodate class size reduction and instructional programs for the Alameda County Office of Education.

Maintenance and Repair: District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order system process is used to ensure efficient service and highest priority is given to emergency repairs. At the time of publication, 100% of the school's restrooms on campus were in good working order.

Cleaning Process and Schedule: The district has developed cleaning standards and schedules for all schools in the district. A summary of these standards and schedules is available at the school or the Maintenance & Operations office. The principal, with the guidance of the Facilities, Maintenance, Operations and Transportation (FMOT) Department works daily with the custodial team to ensure that the cleaning standards are met, and that classrooms, restrooms, and campus grounds are kept clean, safe, and well-maintained.

Modernization Projects: Since 2019, local bond funds (Measure H) are being used to complete various modernization and Infrastructures projects throughout HUSD. At Park Elementary these projects have included replacement of the Fire Alarm/PA System, Intrusion Alarm System re-paving/stripping of asphalted areas, replacing the roof system, and exterior painting of the school. All work described was completed by the end of the 2023/2024 school year.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Park Elementary School greatly benefits from the participation of our parents and school community members. Parents and community members have multiple opportunities to participate in our school. We hold regular "Coffee with the Principal" meetings where a variety of guest speakers and school staff share information with parents. Topics such as new school initiatives, attendance, state and local assessments and other topics are covered. Parents and caregivers also have the opportunity to ask questions on any topic related to the school at the end of each meeting and to provide feedback regularly to school administration.

We offer evening events sponsored by our PTO and Parent Engagement Committee that bring families in our school community together. In the first month of school we have an Ice Cream Social and families bring picnic blankets to the front of the school to socialize and get to know each other better. In the fall and winter we celebrate diverse holidays such as Día de los Muertos, Diwali, Hanukkah, Christmas and Kwanzaa. We have an annual Black History Family Event where students present on their learning around Black History. In the spring, we host a Multicultural Event with food trucks and vendors as well as students and community performers representing cultures in our community.

Parents have opportunities to volunteer in school wide events and in the classroom. We also offer parents opportunities to participate in classes and informational workshops. Parents can be involved in school committees such as SSC, SBDM, ELAC, AASAI or PTO. Our Family Engagement Specialist is available full time in the Parent Center to support parents with whatever needs they may have especially with technology, required forms and needs around community resources.

2023-24 School Safety Plan

Park School's Safety Plan is updated annually. All updates and revisions are communicated to our staff. The school's disaster preparedness plan includes steps for insuring student and staff safety during a disaster. Fire, disaster, and lockdown drills are conducted on a monthly basis throughout the school year. Students are supervised throughout the day by teachers, administrators, and yard duty supervisors. There is a designated area for student drop off and pick up. All visitors must check in the front office. All parent volunteers are finger printed and have been TB tested to make sure they can safely be in our campus.

Safety is a high priority because it is necessary to ensure a successful and healthy educational environment.

Fire, disaster, and lockdown drills are conducted on a regular basis throughout the school year so that all staff and students are familiar with what steps to take in an event of an emergency. The school is using an online application called Share911 to communicate with staff during emergencies. This online safety app is also used to coordinate safety/disaster drills.

Our school has an active School Safety Committee that includes administrators, teachers, maintenance, school supervisors, and other staff members. The committee works together in forming and revising the school safety plan as well as responding to day-to-day safety issues. At the time of the latest review in October 2023 of the School Site Safety Plan, all revisions were communicated to both the classified and certificated staff.

Fiscal Year 2022-23 Types of Services Funded

Park Elementary implements multiple programs designed to support the academic success of all students with particular focus on those performing below grade level. Some of the programs we implement at Park are: Leveled Literacy Intervention for students in 1st-2nd grade with our EL Specialist, Leveled Literacy Intervention for 3rd-5th grade with our paraeducator, after school acceleration in language arts and math and online programs to support academics (Lexia, Accelerated Reader, Raz-Kids, DreamBox and IXL).

We have two full-time counselors to meet with individuals and groups to support students social-emotional development. Our SSC also decided to fund the social-emotional program Soul Shoppe to help students with self-regulation and conflict resolution. We have increased noon supervisor hours to increase supervision at key times and locations throughout the school day.

We have funded several clubs to support enrichment and socialization such as art, ballet, Black Student Union, student leadership and sports. We also have a full-time Library Media Tech to ensure that every student has weekly access to check out books. We have an English Learner Specialist who monitors programs targeted to our English learners. We also fund extra hourly pay for teachers who collaborate to engage in cycle of inquiry and action planning based on data as a grade level.

Professional Development

Park School supports and promotes adult learning. Our areas of focus were social emotional learning and anti-bias/antiracism. Even though we have been back to in-person learning, students continue to need additional support and practice with social skills and peer interactions. Teachers received professional development and resources to support with both social-emotional learning and restorative practices. The district provided several modules for teachers to engage with during full day professional development as well as minimum days during the school year on the topic of anti-bias/antiracism. These modules were facilitated by a skilled facilitator who received additional training in the area of anti-bias/antiracism from the district. The 22-23 PD was a continuation of the first year's content, with the opportunity to dive deeper into major concepts and explore opportunities for interrupting and acting in the interest of equity and antiracism.

This table displays the number of school days dedicated to staff development and continuous improvement.
