

CHANNAHON PARK DISTRICT

NOW OFFERING SPECIAL RECREATION PROGRAMS

WHO WE ARE?

Channahon Park District is now offering weekly programs and special events for individuals with disabilities. We offer programming for all age groups. Most activities take place at one of our park district facilities. Our programs and special events focus on a variety of skills such as socialization skills, independent living skills, motor skills, and in developing leisure skills. All programs are designed in a 1:3 staff to participant ratio.

WHAT WE DO?

In addition to special recreation programs, we also offer inclusion services for individuals who wish to participate in our general recreation programs and for children in early childhood classes..

Visit our website, program brochure, and follow us on our Facebook page for the latest updates at:
