LONGHORN SUMMER CAMP

EMPOWERING NEURODIVERSE TEENS

We are thrilled to introduce Longmore Academy's exciting new summer camp program, *Longhorn Summer Camp*, specifically designed for neurodivergent students ages 12-17. This opportunity can be a valuable enrichment experience for many of your students.

Longmore Academy's *Longhorn Summer Camp* recognizes the unique needs and learning styles of neurodivergent individuals. Our program goes beyond traditional summer camps by offering:

- Specialized curriculum: Activities cater to students' individual strengths and interests, fostering intellectual and creative growth in a safe and supportive environment.
- Sensory-friendly environment: We understand the importance of creating a welcoming and adaptable space that minimizes sensory overload and maximizes comfort.
- Expert staff: Our team consists of experienced educators and specialists trained in supporting neurodivergent learners and ensuring their positive camp experience.
- Social and emotional learning: Camp activities are designed to promote peer interaction, build confidence, and develop valuable social skills in a collaborative setting.
- Fun and engaging activities: From STEM projects and art exploration to outdoor adventures and team-building exercises, our camp offers a diverse range of experiences to keep students engaged and learning.

We have included flyers with this letter that provide more detailed information about *Longhorn Summer Camp*, including dates, locations, fees, and registration procedures. We encourage you to share this opportunity with your students, teachers, and families through your preferred communication channels.

We are available to answer any questions you may have about *Longhorn Summer Camp* and welcome the opportunity to discuss how we can collaborate with your school district to ensure this program reaches the students who would benefit most. ***Please do not hesitate to contact Christine Raymond at 724-625-1140 or by email at craymond@mhyfamilyservices.org for questions or more information.***

Thank you for your time and consideration. We look forward to partnering with you to create a summer of fun, learning, and meaningful experiences for your students.
