Registration Details

- All grade levels are based on student's incoming grade for the 2024-2025 School Year
- Registration opens March 13 @ 6:30am at four MAPS locations but families will only pick one location of choice.
- Families currently enrolled in MAPS (Mankato Area Public Schools) + families with incoming kindergarteners will have priority registration for Summer ACES.
- Families not currently enrolled in MAPS are able to register on March 13 and will be accepted starting April 13.
- Families of an incoming kindergartener will have an option of picking an elementary location or Center for Learning (preschool location) for that student.
- If a site reaches capacity, that site will close and you will be notified via email of your waitlist status.
- Families will be accepted until 05/31 and then once Summer ACES begins, acceptance will be based on site capacity.
