

PLAN A: 6TH GRADE TO MIDDLE SCHOOLS

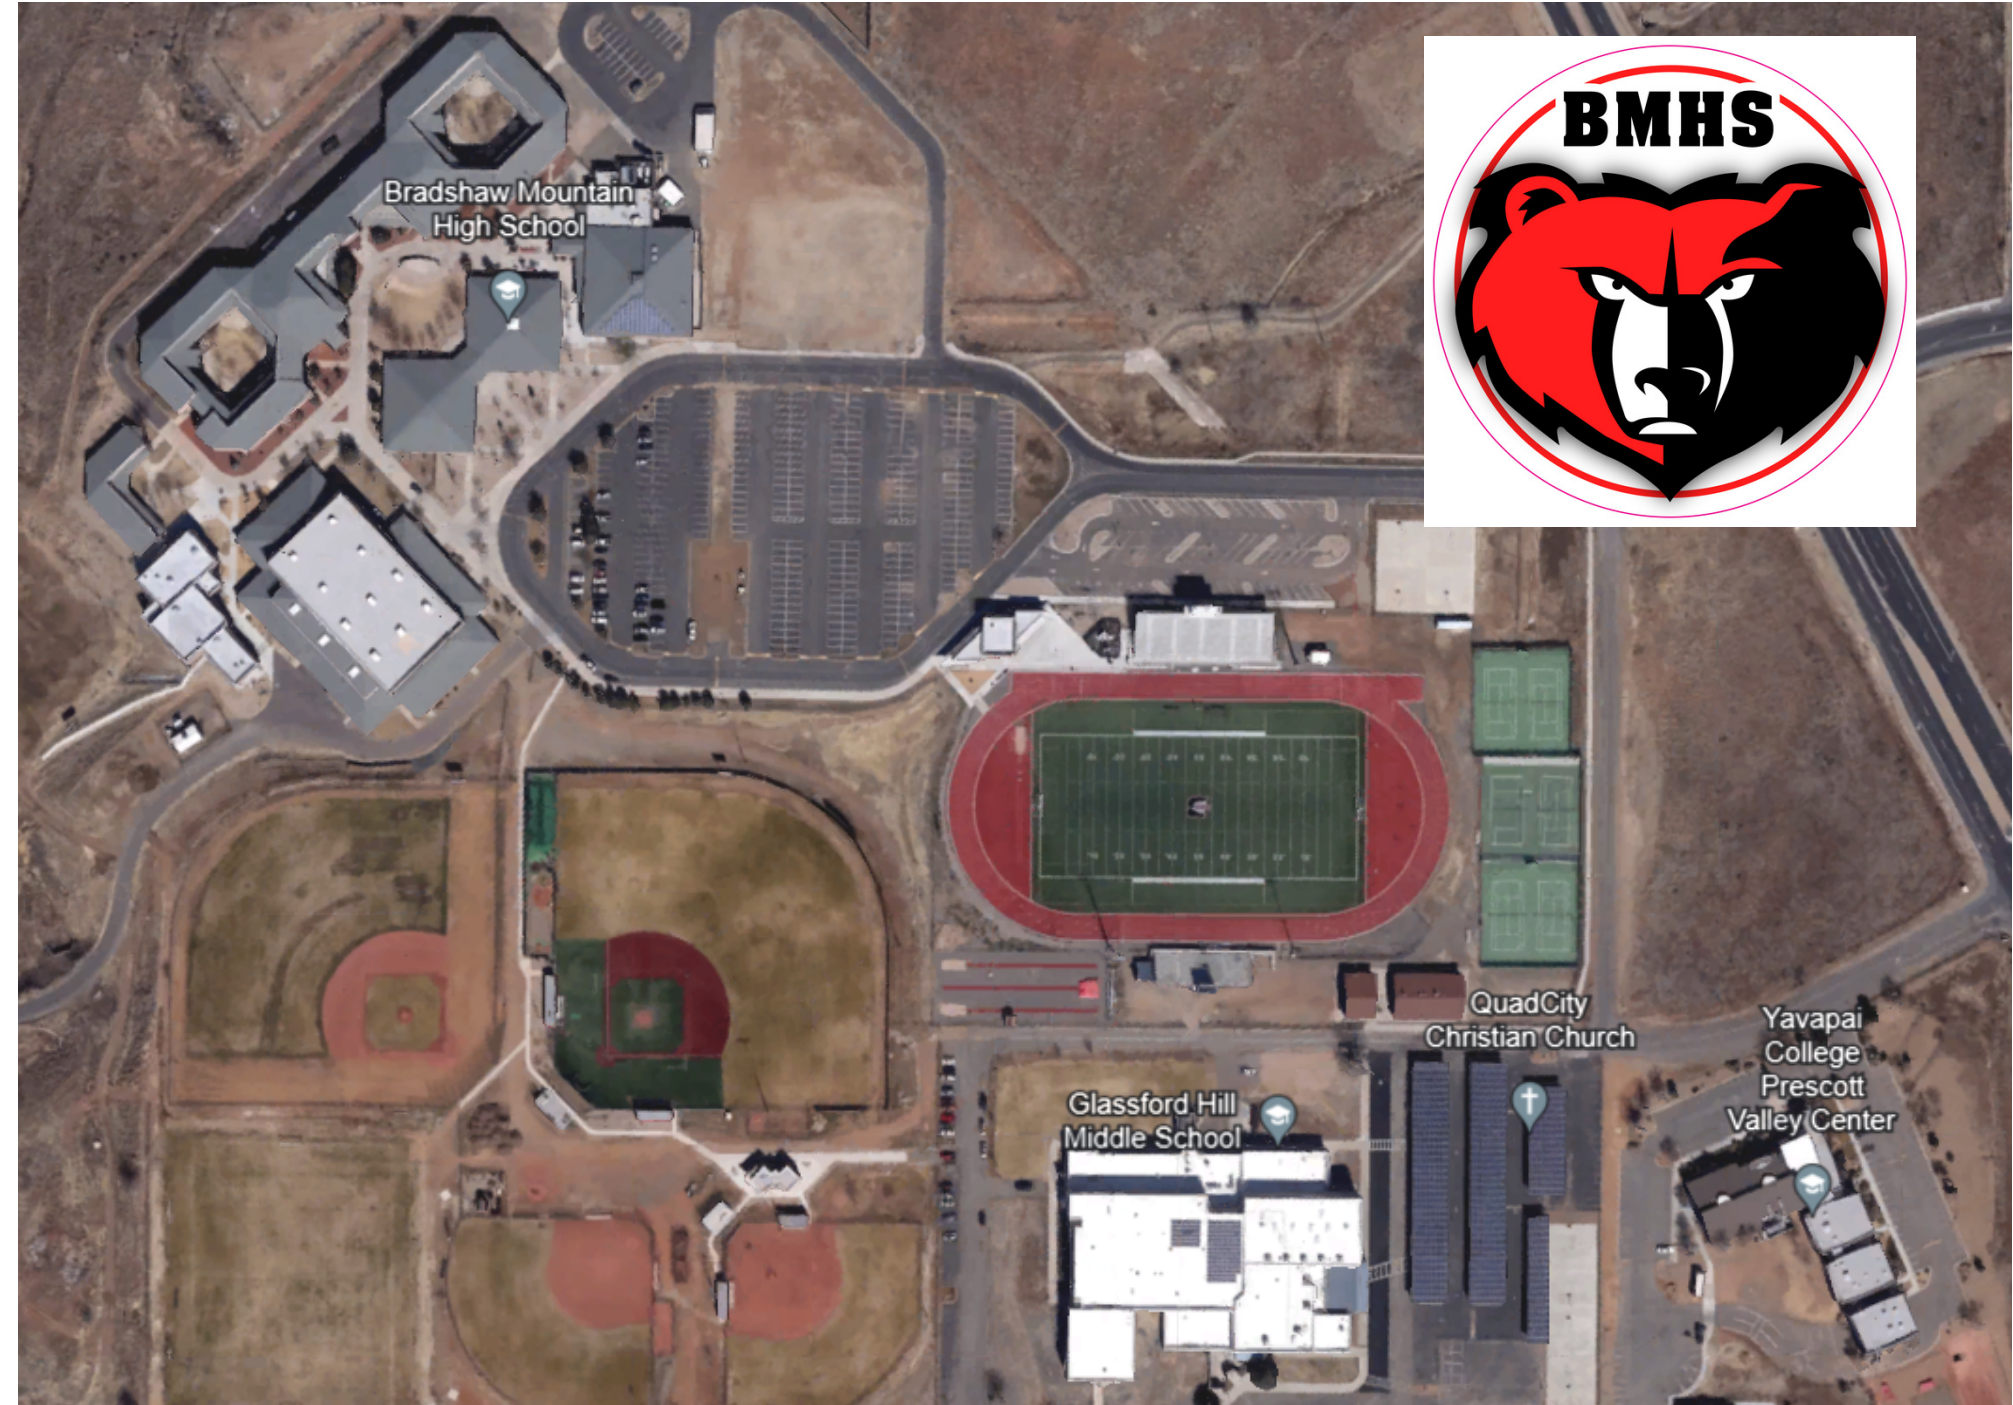

PLAN A: 6TH GRADE TO MIDDLE SCHOOLS

Without altering the current boundaries and locations, relocate the sixth-grade students from elementary schools to their designated middle schools.

- **Adds approximately 155 students to each Middle School**
- **Capacity is approx 600 at BMMS and 884 at GHMS**
- **Creates space at elementary schools**
- **Allows for Pre-K growth**
- **Opportunity to improve culture at the middle schools**
- **Ability to offer advanced classes and additional opportunities to 6th and 8th grade**
- **High School space stays the same, and no ability for growth**
- **Cohorts continue to be split up at GES, CSES and LVES due to Middle School boundaries**
- **Short term solution to a long term issue**

PLAN B: MEGA MIDDLE SCHOOL (6th-8th)

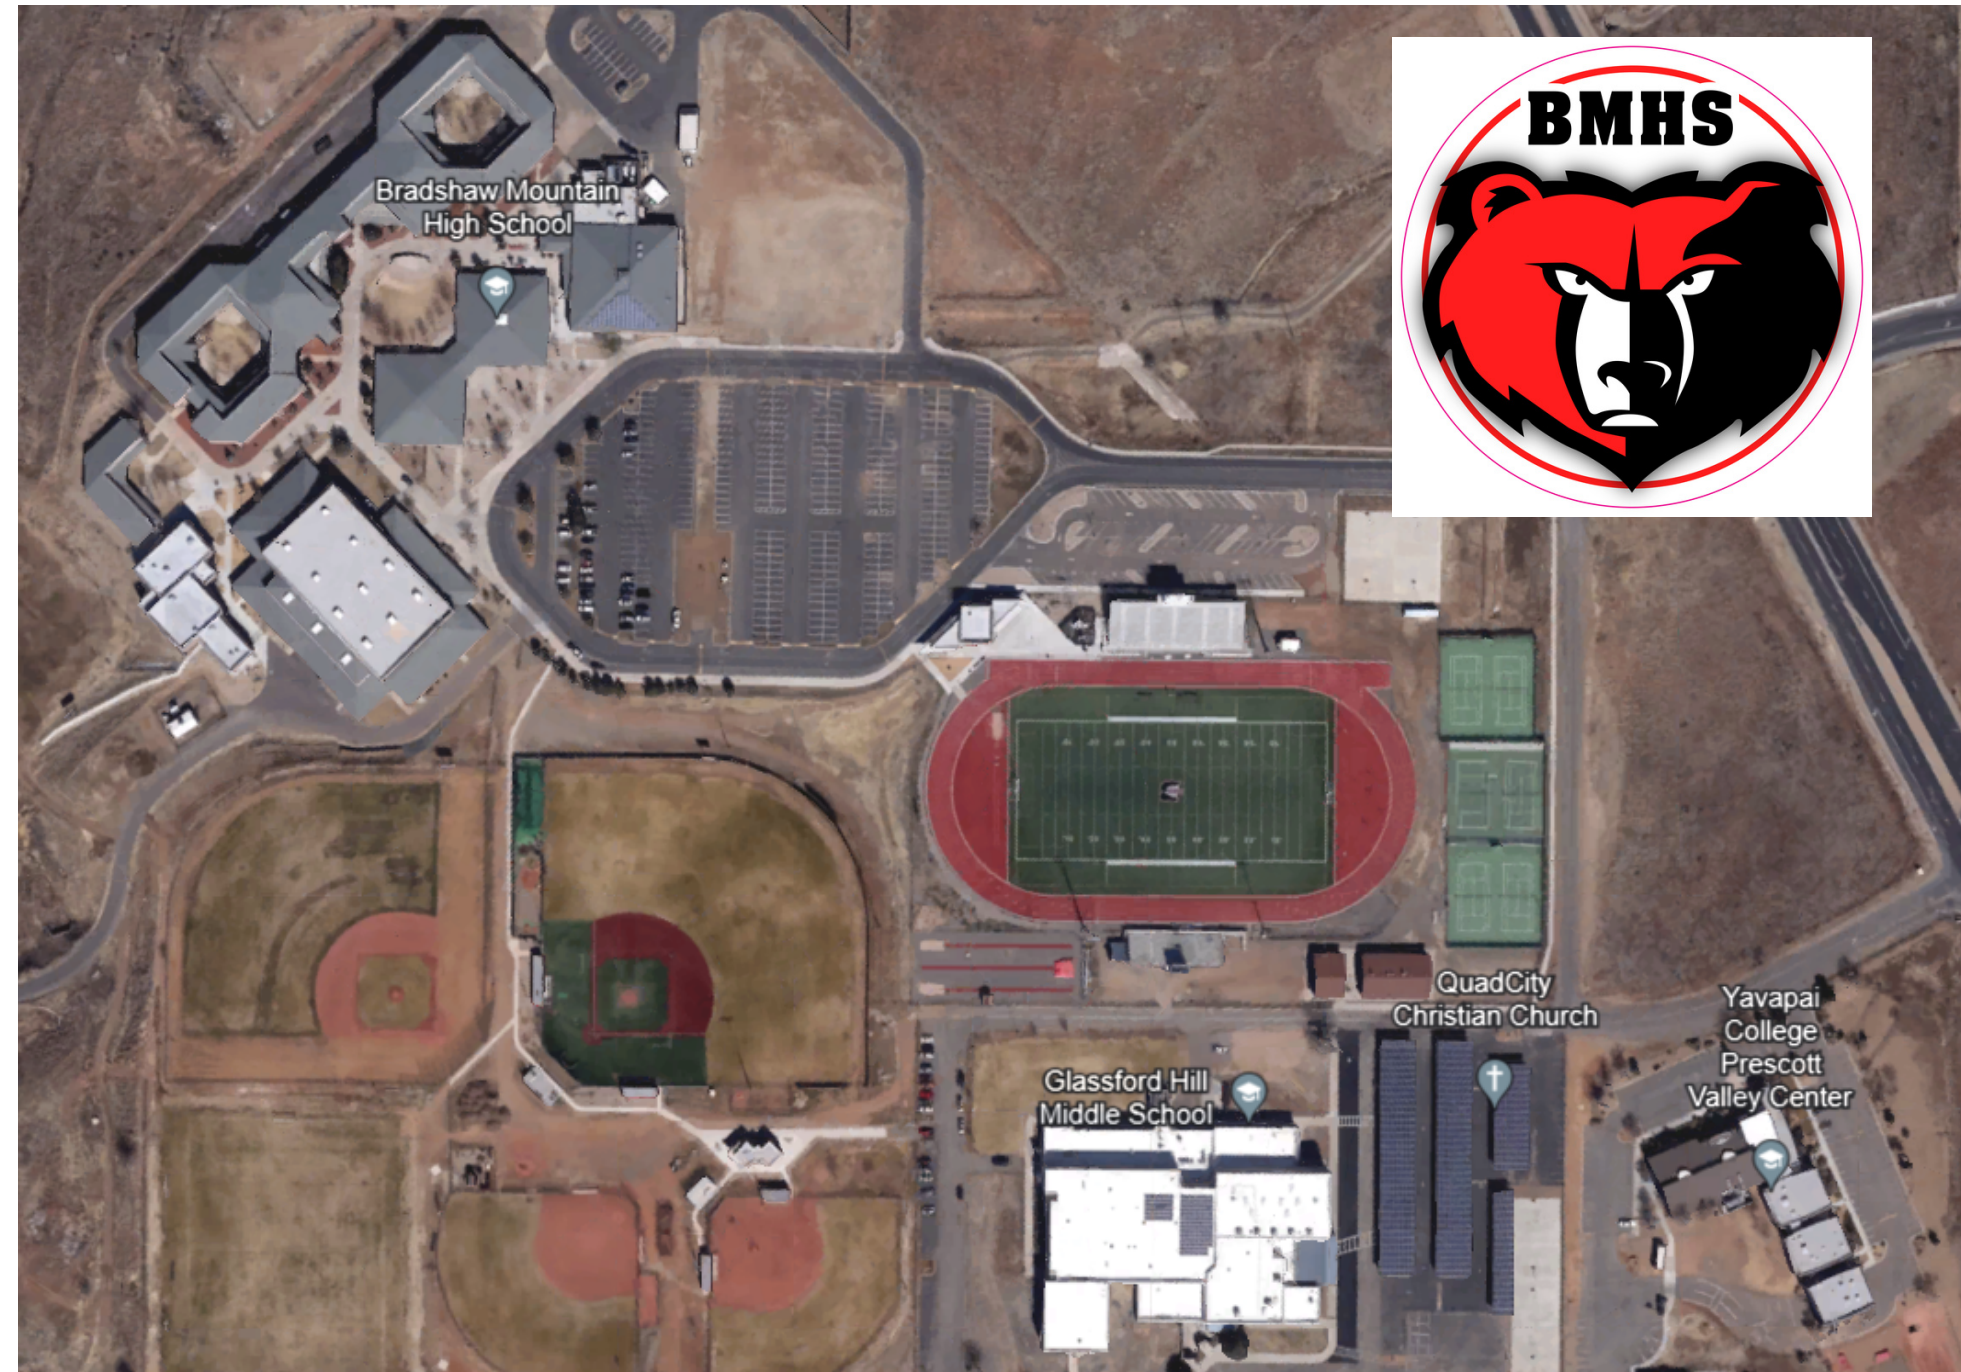

The Pronghorn Ridge name and logo is for discussion purposes only, if the board votes to move forward with moving Glassford Hill to the DO a committee will be formed to develop and decide on the name and mascot.

PLAN B: MEGA MIDDLE SCHOOL (6th-8th)

Merge the current middle schools into a single institution while also incorporating sixth-grade students.

- **Consider mega campus to be on existing BMMS property or at the current District Office property**
- **Existing GHMS building would be used for High School, CTE classes, Dual Enrollment, and district admin offices**
- **Middle school population would be around 1,000 students**
- **Location-neither one is big enough and portables would need to be purchased**
- **Preschools move to Elementary schools**
- **School Safety resources would need to increase**
- **Only one option for families**
- **Discipline concerns due to the number of students**

PLAN C: ADD 6TH GRADE TO MIDDLE SCHOOLS AND RELOCATE GHMS TO DO CAMPUS

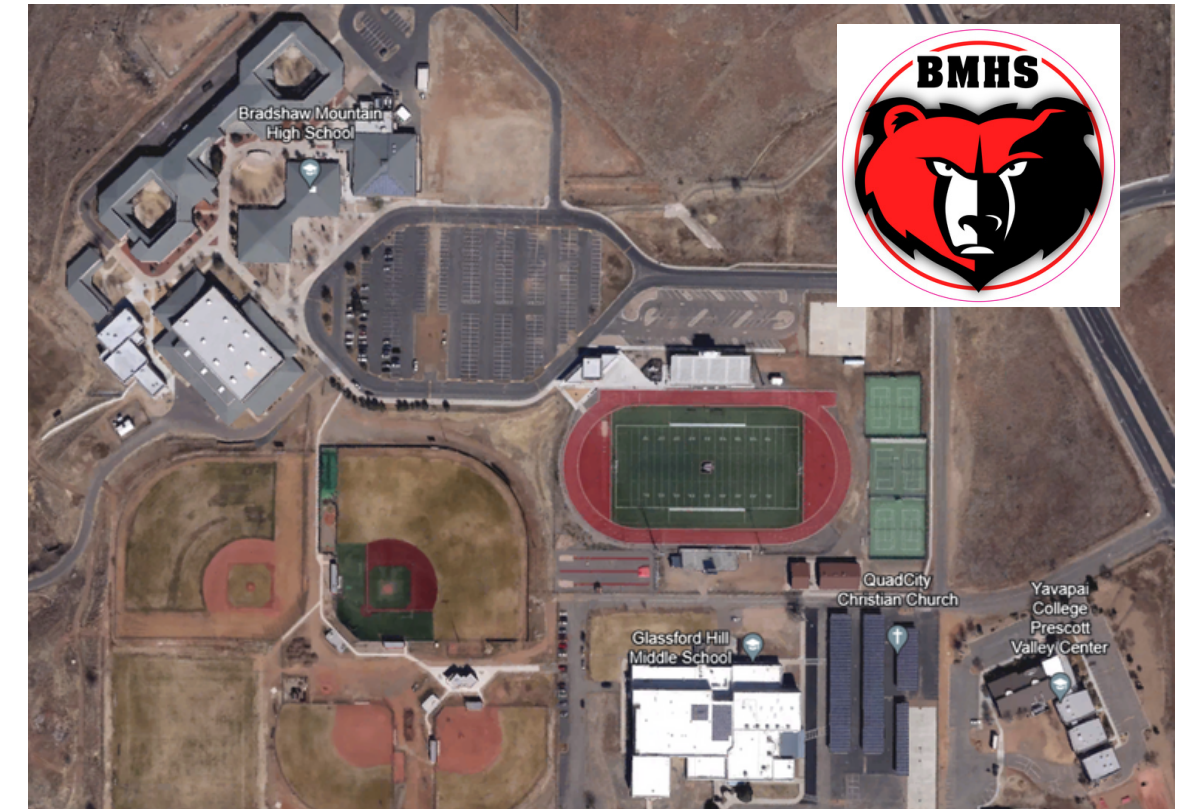

The Pronghorn Ridge name and logo is for discussion purposes only, if the board votes to move forward with moving Glassford Hill to the DO a committee will be formed to develop and decide on the name and mascot.

PLAN C: ADD 6TH GRADE TO MIDDLE SCHOOLS AND RELOCATE GHMS TO DO CAMPUS

Provide new opportunities for all students at every site

- **Adjust middle school boundaries to coincide with elementary boundaries**
- **Existing GHMS building would be used for High School, CTE classes, Dual Enrollment, and some admin offices**
- **Each middle school population would be around 500 students**
- **Preschools move to elementary schools (starting with 3)**
- **Allow for growth and additional services at each school**
- **Improves ability to provide engaging and innovative classes 6-12**
- **Good stewards of current properties**
- **Concerns about attracting and retaining staffing**
- **Moving and new programming expenses**
- **Logistical issues: traffic flow on Robert, Preschool playground, and licensing**

PLAN D: RESTRUCTURE ALL ELEMENTARY & MIDDLE SCHOOLS TO PreK-8s

The Pronghorn Ridge name and logo is for discussion purposes only, if the board votes to move forward with moving Glassford Hill to the DO a committee will be formed to develop and decide on the name and mascot.

PLAN D: RESTRUCTURE ALL ELEMENTARY & MIDDLE SCHOOLS TO PreK-8s

Review all boundaries and adjust the model to accommodate for Pre-K through 8th grade at each site.

- **Adjust ALL school boundaries**
- **LTS stays as is**
- **Existing GHMS building would be used for High School, CTE classes and district admin offices**
- **Each school population would be adjusted to accommodate 3-year-olds through 14-year-olds**
- **Facilities not equipped**
- **Number of classes per grade level**
- **Lack of opportunities for older students**
- **Transition to High School more difficult**
