The Freeport Area School District Foundation... Establishing a Tradition of Sharing and Opportunity

Who We Are...

The Freeport Area School District Foundation (FASDF) is a foundation that will further expand excellence and innovation in the Freeport Area School District. FASDF will facilitate the financing of educational and extracurricular projects, program expansion, innovative educational projects and activities, student academic support programs and student scholarships.

FASDF will achieve this by seeking donations from individuals and businesses, along with conducting fundraising events in the community. FASDF is governed by a Board of Directors of past graduates and ex-officio members consisting of representatives of all stakeholders of Freeport Area School District, including, parents, business leaders, community leaders, District administration, and Board members.

Our Goals...

FASDF will focus on assisting the children in our community by supporting educational projects and events that are not paid for

with tax dollars. Tax monies are typically more restrictive. The hope is that private dollars can help support programs and services that are typically not funded with tax dollars. FASDF will also seek to solicit and manage student scholarship funds to provide post-secondary financial assistance for the graduates of Freeport High School.

Giving to FASDF...

There are many different reasons for giving:

- To help local young people with educational programs
- To support & strengthen the community
- To honor or memorialize a loved one
- To address estate & tax issues

Establishing a Named Scholarship...

Named Scholarships are created by working with the FASDF to complete/approve the Scholarship Agreement Form. Scholarships can be any amount of money and are designed by you when selecting the criteria you wish the scholarship to include.

How You Can Help...

Anyone can contribute to FASDF. Donations from individuals, civic groups, corporations and other nonprofits are welcome. As an IRS approved 501(c)(3) non-profit corporation, all donations to FASDF are tax deductible and help to support the growth and development of our students across all grade levels. All donations are managed and distributed at the discretion of the FASDF Board of Directors in accordance with yearly educational goals and objectives.

Get involved, and together we can help make a difference! See the back page of this brochure for levels and options for giving.

Our Mission...

The mission of the Freeport Area School District Foundation is to put ideas for enhanced education into action by funding innovative programs, broadening teaching and learning opportunities, and encouraging community involvement.
