MES Families,

Below are some updates and informational items for the upcoming week.

1. Reminder ... The Intermediate School Morning Drop Off Program ends on January 31st. Starting February 1st both the Elementary and Intermediate Schools doors open to all students at 8:20 a.m. Information on an alternative morning drop off program was previously shared. If you need that information, please contact the school office.
2. MES held the first Family Book Club Night on Wednesday, January 24th. We had a great response to this and a tremendous turnout for in-person follow-up event. A HUGE shout-out to Mrs. Blough, Mrs. Hosterman and the tremendous team of Teachers and volunteers from the "The Wildcat Way" and Future Teachers of America for their time, support, and assistance.
3. MES will be celebrating the 100th Day of School on January 31st.
4. Student report cards were sent home on January 24th. If you did not receive a copy and would like one, please contact Miss Goss in the front office.
5. The Mobile Dentist will be visiting Mifflinburg Elementary School on 3/11/24 and 3/12/24. Forms will be sent home soon with more information and instruction on how to register your child. Registration must be completed online, or on a paper form and returned to school by 2/19/24. Please contact Mrs. Cresswell, School Nurse, at 570-966-8327 or via email at ccresswell@mifflinburg.org if you have any questions.
6. If your child is demonstrating signs of illness, please refer to the document emailed out last week from Mrs. Cresswell regarding when to send your child to school and when to keep your child home. If you have specific questions, please reach out to Mrs. Cresswell at 570-966-8327 or via email at ccresswell@mifflinburg.org.
7. As the weather continue to change, we will continue with outside recess on days in which the weather allows. Please be sure to send in a jacket or other appropriate outside attire for your child. Please remind your child to keep their jackets on and zipped while at recess.

We hope you had a great weekend.

Sincerely,

James Case
Building Principal

Mifflinburg Elementary, where early learning becomes life-long learning.

*Life-long learning happens through: collaboration, inspiration, acceptance, and understanding of **all** students as individuals.*
