2023-2024 BUDGET PARAMETERS

The budget parameters are consistent with priorities outlined in the District Effectiveness Plan.

The effectiveness plan priorities are as follows:

Priority #1 **Student Learning** – To support every student to achieve and grow to their fullest potential and to continue to ensure all students have access to opportunities that meet individual needs, by implementing equitable and rigorous instruction and grading systems, systemic and strategic use of intervention and focus on social, emotional and behavioral health.

Budget Parameters

- Maintain class sizes that are conducive to maximum learning and individual attention for students
- Fund professional development opportunities during the summer and throughout the school year
- Continue to provide resources and professional development for academic and behavior intervention
- Continue to provide additional enrichment and extended learning opportunities outside of the classroom
- Dedicate funds to continue focus on social emotional learning and restorative practices
- Continue to prioritize technology needs to meet the current educational needs of students
- Priority #2 **Operational Planning** Ensure the best learning environments and outcomes for students and staff through facilities planning, fiscal accountability, and human resource and technology management.

Budget Parameters

- Provide competitive salary schedules and fringe benefits
- Fund District construction projects relative to growth and need
- Develop long-range plan for improving and/or replacing aging facilities, including possibility of a new voter-approved mill levy override to sustain heavily impacted funds in the future
- Maintain and upgrade technology infrastructure and network to support needs of all district stakeholders
- Priority #3 **Community Engagement** Provide safe learning and working environments though effective safety and security protocols and practices, flexible communication systems, and the development of family, student, school, civic, business and community partnerships.

Budget Parameters

- Commit resources toward improving and maintaining physical and health safety, such as school-based nurses and dedicated mental health professionals
- Provide resources to support parent outreach and involvement
- Continue to fund SRO programs throughout the District to promote school safety
- Develop communication tools and opportunities that provide transparency and build relationships

COMPLIANCE STATEMENT

This budget's revenue projections were prepared using information provided by the Colorado Department of Education, the County Assessor, the Federal Government and other sources using methods recommended in the Financial Policies and Procedures Handbook. This budget's expenditure projections were prepared based on program needs, enrollment projections, mandated requirements, employee contracts, contracted services and anticipated changes in economic conditions using methods described in the Financial Policies and Procedures Handbook. Beginning fund balances and revenues equal or exceed budgeted expenditures and reserves.

This budget includes the actual audited revenues, expenditures and fund balances for the last completed fiscal year. The figures are contained in the District's annual audit available for review on the District website, or may be obtained through the Colorado Department of Education or the State Auditor's office.

The 2023-2024 Mid-Year Budget was prepared in compliance with the revenue, expenditure, tax limitation and reserve requirements of Section 20 of Article X of the Constitution.
