STUDENT INFORMATION (continued)

#### AlertNow Notification System

*AlertNow* is the rapid notification system used by the school division to send important information quickly via phone, email and/or text to parents and legal guardians of VBCPS students. This system is used to send messages about emergency situations, health or safety updates, inclement weather notifications, school delays and more. The system also allows the school division and individual schools to remind families about upcoming events and activities, such as report card distribution, open houses and class field trips. All VBCPS students are automatically enrolled in the AlertNow notification system, however, to ensure families receive all intended messages, schools should immediately be notified of any changes or updates to a student's contact information.

More information on AlertNow can be found by visiting ww.vbschools.com/about/contact/AlertNow.
