**Intent to Participate in Interscholastic Activities**

Dear Superintendent:

I am writing to notify you of the intent to participate in interscholastic activities by a home school, Governor's School, or charter school student. I hereby attest that this student resides within the attendance boundaries of the school for which the student will participate. I understand this student must meet all school district eligibility requirements with the exception of the school district's school or class attendance requirements, or the class and enrollment requirements of the associations administering the interscholastic activities.

As required by law, I am also submitting along with this intent for my child's transcript and most recent report card from his/her association. In order for the transcript to be acceptable, I understand it must be on the official letterhead of the association and signed by a records official.

**FOR HOME SCHOOL ONLY:** I hereby attest that this student was a home school student for a full academic year prior to participation in the activity.
