Return times are approximate as some games last longer than others. Parents and guardians, we look forward to your support during games. If you cannot make it to away games, having a way to communicate with your athlete will provide the most accurate time for our return to school.

Board policy 6620 allows for the Grapeview School District to provide the transportation of students to-and-from a school-sponsored activity. It is permissible for the legal parent or guardian to transport their **own** child from an event in their personal vehicle if they first identify themselves to the teacher/coach of the activity **and** sign the release form which absolves the Grapeview School District of all responsibility. Students may **only** go home with their **own** parent or legal guardian and **may not** take "friends" home or go home with another family. Please contact our principal, Mrs. Hannah Nelsen, if you wish to transport students for whom you are not the legal guardian.

Middle schoolers can stay with a note to the office or an email sent to transportation@gsd54.org by 12:25 pm on game days
