General specifications and Guidelines

Vendors will submit two copies of their proposal.

Each section of this proposal may be funded through the E-Rate program; however, there is no assurance that such funding will take place. If the E-Rate and non E-Rate pricing are not the same, the vendor needs to specify that on the proposal and provide two copies of each applicable pricing sheet, one for E-Rate pricing and one for non E-rate pricing. Price sheets should be clearly labeled as E-Rate Pricing and Non E-Rate Pricing.

Award of this RFP by the Board of Trustees is not a guarantee of purchase. Decision to purchase E-Rate eligible items and services depends upon E-Rate funding and the needs of the District. All District purchases will be in the form of a Purchase Order issued by Roma ISD to the vendor.
