Principal's Den

Dear LES families,

The second semester is moving right along even with the snow-cation we had last month! February is a short month, but it is packed full of events.

We will be loving on our incredible staff on February 14th! Valentine's Day is a great day to show our teachers and staff how much we appreciate all they do for our children. Thank you for helping us celebrate!

Deputy Degati and I want to remind Liberty visitors of the importance of our office screening procedures. All visitors must pick up the phone to speak to a staff member before being given access to the office. The door to the office should not be held open for visitors that have not been screened. There are signs posted on both exterior doors as a reminder.

The Spring semester brings TCAP to our 3rd and 4th graders. The schedule for our testing days has been finalized by the district. This year, students will test from April 16th through April 23rd. Please be sure your child eats a good breakfast either at home or at school and is on time each day. If possible, schedule appointments during the testing window for after school. Thank you for helping us ensure our students do well on the test!

Sincerely,

Mrs. Patton

Lion's Dash

The 2nd annual Lion's Dash Glow Run fundraiser is about to kick off! The PTO is working hard to make sure this year's glow run is as successful and fun-filled as last years! The glow run will take place on Friday, March 1st. More information will be coming home with your child from the PTO in the coming weeks.
