

# Bellevue Elementary

Bellevue City School District, Bellevue Ohio

February 2024

Hello families!

Our school has a new vending machine! This addition provides books to students who are their BEST during the school day.

Thank you to the Sandusky County Communities Foundation for funding the vending machine and initial book order! Students can not buy the gold coins used in the machine. Our PBIS word of the month is CARING. This month, students who display a caring attitude will be nominated by staff for a chance to use the machine. We look forward to using the machine for many years to come!

Student artwork of picture books decorate the machine. Click [this link](#) to watch the ribbon cutting ceremony which included our BES students with artwork on the machine. BMS and BHS students also submitted artwork.

Thank you to Mrs. Reineck, Mrs. Barr, Mrs. Young and the entire PBIS committee for their commitment to this project! Undertakings like this are only possible because of our amazing staff members!

With Children at Heart,  
*Mrs. Turnet*, Principal
