

CCDSummer 2024

This summer, we are offering a variety of fun activities for your children led by experienced educators, coaches, staff, and camp partners. We look forward to working with our camp families to ensure an engaging and memorable experience for all.

Cincinnati Country Day School's beautiful 60-acre campus features expansive athletic fields, gymnasiums, a performing arts theater, an all-weather track, turf field, multi-age playgrounds, a dining facility, a 6-lane pool, 7-court tennis complex, amphitheater, hiking trails, playscape, and natural outdoor classrooms.

Day Camps are filled with creative and fun opportunities that promote growth, encourage discovery, and instill a strong sense of self for children ages 18 months through entering grade 8. Our campus boasts indoor and outdoor learning spaces that promote exploration, collaboration, and endless possibilities to boost children's growth and development.

The school's character virtues—**Respect**, **Courage**, **Integrity**, **Compassion**, and **Responsibility**—guide the development of our learning environment, allowing campers to build knowledge, foster friendships, develop independence, and take healthy risks, all while igniting curiosity and creativity.

Age 10 – 38 months

[Country Play](#) is a parent-child program for children ages 10 to 24 months and runs one day a week for six weeks. It will offer activities and guidance that parents can incorporate at home to support child development and learning during the formative years. Children will engage in sensory, fine-motor, gross-motor, social-emotional, and nature experiences with indoor and outdoor activities.

[CCDSparks Toddler Camp](#) is designed for our youngest campers ages 18 – 38 months to foster their first academic experiences and personal growth connections. The carefully designed environment offers endless possibilities for learning, creativity, and imagination and supports social-emotional development and self-help skills.

Age 3, 4, Kindergarten

[CCDSprouts Nature Camp](#) offers multi-sensory, immersive learning opportunities to develop children's understanding and appreciation of nature. Campers will become keen observers of the natural world and be empowered to try new and diverse activities that build confidence and independence.

Grades 1 – 4

[CCDSprouts Nature Camp](#) offers multi-sensory, immersive learning opportunities to develop children's understanding and appreciation of nature. Campers will become keen observers of the natural world and be empowered to try new and diverse activities that build confidence and independence.

[CCDSports Camp](#) introduces campers to different sports, to help them develop their physical skills and coordination and encourage a love of physical activity and healthy living. In addition to a weekly sports focus, yoga, group games, and swimming are also part of the camp's activities. Campers who enjoy playing sports will benefit from this active, engaging, and fun camp experience.

Grades 1 – 8

[CCDStudio Arts Camp](#) is designed for campers entering grades 1 – 8 who are interested in visual and performing arts. These programs allow campers to learn new techniques, develop their skills, and explore creativity in a supportive and encouraging environment. The camps will be a survey of the arts with new themes and topics each week.

[CCDSTEM Camp](#) provides campers with hands-on learning experiences in science, technology, engineering, and mathematics (STEM). The curriculum is both challenging and fun with activities that are educational and engaging. The goal is to introduce campers to different STEM concepts to help develop their critical thinking and problem-solving skills. In addition to STEM activities, campers will enjoy yoga, swimming, games, and other interactive experiences.

Grade 5 – 8

[CCDS Elite Athletic Camp](#) is facilitated by CCDS varsity coaches and designed for athletes entering grades 5 – 8 who are interested in learning or advancing their techniques and skills. These camps provide instruction in the fundamentals of each sport with a focus on positions, sports-specific skills, speed and agility training, and sportsmanship.

Age 18 months – grade 8

[Extended Camp Programs](#) provide after-care camps, pre- and post-camps.

Week	Themes
June 10 – June 14	Welcome to Country Day Investigation , the ultimate STEM camp - where young minds become forensic detectives! Join us for an immersive experience as we unravel campus mysteries using forensic techniques. Campers will don their detective hats and engage in hands-on activities, from analyzing fingerprints and decoding hidden messages to exploring the science behind crime scene investigations.
June 17 – June 21 (Four-Day Week)	Step into the world of Chemistry Conundrums , where a week of thrilling science experiments await young minds! From colorful chemical reactions to explosive demonstrations, campers will explore the fundamental principles of chemistry in a dynamic and interactive environment. Chemistry Conundrums is not just a camp; it's an adventure filled with bubbling beakers, mysterious reactions, and endless possibilities.
June 24 – June 28	Welcome to Build-A-Park , the ultimate STEM camp that puts the power of engineering in the hands of young visionaries! Join us for an exciting week where campers are transformed into budding architects and builders, turning their imagination into reality. Campers’ interests will guide in their design and construction of various parks - anything from a cutting-edge skate park to a canine-friendly dog park, and even a thrilling theme park are possibilities.
July 1 – July 5 (Four-Day Week)	Join us for an immersive experience where STEM meets the open water, where science and creativity set sail! Dive into a week of exploration as young engineers and sailors design and construct their very own cardboard boats. This camp revolves around the fascinating principles of buoyancy, challenging campers to create vessels that not only float but race with style in our annual Cardboard Regatta .

Week	Themes
July 8 – July 12	Airborne Discovery Camp promises to be a week of high-flying excitement, where the thrill of discovery meets the science of flight! Engage in hands-on experiments and activities designed to unravel the mysteries of aerodynamics, lift, and propulsion. From crafting and launching paper airplanes to constructing model gliders, campers will gain a deeper understanding of the science behind flight. This camp is the perfect launchpad for future pilots, engineers, or scientists.
July 15 – July 19	Lego Lab: Build, Code, Create – the ultimate STEM camp for young innovators and builders! This week is filled with creativity, engineering, and technology as campers explore the limitless possibilities of LEGO bricks. Campers will embark on exciting challenges, combining hands-on construction with coding to bring their creations to life. From building intricate structures to programming robotic movements, campers will learn fundamental engineering concepts and coding skills in a playful and engaging environment.
July 22 – July 26	Innovative Inventors – a dynamic program where young minds become inventive trailblazers! In this hands-on camp, campers will immerse themselves in a makerspace environment, where campers will unleash their creativity and build prototypes of their own inventions. The process of reverse engineering will challenge them to dissect and understand existing technologies, inspiring innovative improvements. Guided by experienced mentors, campers will engage in collaborative projects, learning the intricacies of product design, engineering, and problem-solving. Whether they're crafting a new gadget or improving an existing one, Innovative Inventors STEM Camp empowers participants to think critically and creatively.
July 29 – Aug 2	Welcome to STEM Challenge Expedition – an extraordinary camp where every day brings a fresh and thrilling STEM challenge across the diverse landscapes of sports, environmental science, space exploration, and neuroscience! This week-long adventure promises to ignite curiosity, foster collaboration, and spark a passion for STEM in a variety of fascinating fields. This week promises to inspire, engage, and leave lasting impressions on young minds!

Registration

Programming

Camps run from June 3 through August 9, 2024.

- Pre-camp offerings (June 3 – June 7) include CCDSports Camp and Cooking and Food Exploration Camp.
- Post-camp offerings (August 5 – August 9) include Creative Playtime, CCDSurvival Skills Camp, and Cooking and Food Exploration Camp.

Cincinnati Country Day School does not discriminate based on race, color, creed, sex, gender identity, sexual orientation, disability, age (40 or over), national origin, ancestry, or military service/veteran status in the administration of its educational programs and policies, admission decisions, tuition aid programs, employment practices and benefits, athletics, or other school-administered programs.

Registration Policy

- A separate online form must be submitted for each registrant on the Veracross [My CCDS Portal](#).
- Camp placement is based on **entering** grade/program for the upcoming school year or age by June 1.
- Camp and class sizes are limited, and registration is on a first-come, first-served basis. Early registration is encouraged.
- Payment in full by credit card or e-check is due at the time of registration.
- We accept MasterCard, Visa, Discover, American Express, and e-checks (ACH).

Fees, Changes, Cancellations, Refunds, and Deadline Policy

All camps have a minimum enrollment is required to run the program. Please note that after the May 1 deadline, we've committed funds to our faculty and staff, as well as purchased materials for the camps. This means that we must follow the policies outlined below. All requests for cancellation, changes, or refunds **MUST** be submitted in writing. Our policy is as follows:

Fees:

There are no pro-rated fees for campers who arrive after the start of the week/session, leave before its completion, or are absent.

Changes:

Change requests will be honored if space is available. Any difference in course fees will be due upon confirmation of the change.

Cancellation:

May 1 is the cancellation deadline. There is no refund for cancellations made after May 1.

Refunds:

- A 10% penalty will be charged for any changes or cancellations made before May 1, and 90% of the course fees will be refunded.
- A child who is removed due to disciplinary reasons will not be given a refund.
- A child enrolled in camps that require independent toileting must meet this requirement to participate. Those who do not meet the independent toileting requirement upon the start of camp will not be permitted to attend until this requirement is fulfilled. Additionally, there will be no credit or refund issued for missed days due to non-compliance with this toileting requirement. This policy is in place to ensure the appropriate participation of all campers and upholds the standards set by the camp.

Exceptions to this policy will only be considered for medical reasons, and proper documentation from a child's doctor is required. Medical refunds will be granted up to two weeks before the camp starts and will be subject to the refund guidelines.

Enrollment is evaluated two weeks before the start date (30 days for courses for credit) to determine if registration is sufficient. CCDSummer reserves the right to cancel due to insufficient enrollment. We'll do everything we can to place campers into another available program. An email notification will be sent with alternative options, or the option to receive a full refund.

Photo and Video Usage Policy

Cincinnati Country Day School (CCDS) uses, publishes, and reproduces images and videos of its students for recognition, marketing, community building, publicity, and other school- and camp-related purposes. Usage could be included, but is not limited to, promotion on the school website, digital newsletters, brochures, newsmagazines, and social media. It may not be possible to avoid photographing or filming my child at widely attended events; therefore, in these situations, CCDS cannot prevent the use of photos and footage that unintentionally include my child. Additionally, restrictions will not apply to photos/videos of groups of 10 or more students in which no particular student is featured. I understand that if I wish to restrict the usage of photos and/or videos that include my child, I must email Josephine McKenrick, director of strategic marketing & communications, at mckenricj@countryday.net. I understand that Do Not Publish requests must be submitted by June 1, and the request is valid for one summer only.
