Subject: San Rafael City Schools Proposal for Trustee Area Elections and Alternate Method of Election

Background

The California Voting Rights Act of 2001 (CVRA) was signed into law in 2002. The CVRA prohibits the use of “at large” elections where their use impairs the ability of a protected class to elect candidates of its choice, or its ability to influence the outcome of elections. San Rafael City Schools seeks to change its method of election from at large to trustee areas.

San Rafael City Schools

San Rafael City Schools includes the San Rafael Elementary School District and the San Rafael High School District, with a total student population of approximately 7,200. The Elementary District is composed of nine schools and the High School District provides secondary education to students residing in two elementary districts: Miller Creek School District and San Rafael Elementary District. The High School District has two comprehensive high schools and a continuation high school. The two districts are governed by one Board of Education and one district office administration.

In 2019, the district formed a committee charged with advising the San Rafael City Schools to seek approval of a change to trustee area elections, beginning with the November 2020 election.

Role of the County Committee

Education Code 5019 empowers the County Committee to establish trustee areas as part of its duties.

Education Code 5030 states “whenever trustee areas are established in a district, provision shall be made for one of the alternative methods of electing governing board members”. San Rafael City Schools Resolution # 1920-3 proposes one member residing in each trustee area be elected by the registered voters of that particular trustee area.

Education Code 5020 states the resolution of the County Committee approving a proposal to establish trustee areas, to adopt one of the alternative methods of electing governing board members shall constitute an order of election.

Education Code 33050 allows a governing board of a school district to request the State Board of Education waive all or part of any section of the Education Code. San Rafael City Schools is seeking such a waiver of the election process from the State Board of Education for Education Code sections 5019, 5020, 5021, and 5030.

County Committee Next Steps

Staff has therefore prepared a DRAFT resolution for the County Committee (Resolution #001-2019) for consideration, which details the specific elements of the proposal from the San Rafael City Schools. There are two components to the San Rafael City Schools proposal, which are outlined in two separate District Resolutions.

- Resolution # 1920-3; Proposal to select Alternate Method of Election: change from at large to trustee areas
- Resolution # 1920-1; State Board of Education Waiver of election to avoid the cost, expense, uncertainty, and potential liability inherent in conducting a districtwide vote on the issue.

Re: San Rafael City Schools' Proposal For By-Trustee Area Elections

Dear Ms. Mares:

I write to you in your capacity as staff to the Marin County Committee on School District Organization ("County Committee") on behalf of San Rafael City Schools ("District"). The District hereby submits its proposal pursuant to Education Code section 5019 to establish trustee areas and by-trustee area elections for the District's Board of Education ("Board").

At its August 26, 2019 meeting, the Board adopted Resolution 1920-3. (Attached.) Adoption of the Resolution followed a series of six public hearings held in compliance with Elections Code section 10010. These hearings were held on April 30, May 13, June 24, July 15, August 14, and August 26. Additionally, the District hosted three community forums on June 18 (Bahia Vista Elementary), July 17 (Venetia Valley Library), and July 29 (Davidson Middle School). The draft boundary maps considered by the Board and information about the process was also posted on the District's website (<http://www.srcs.org/trustee-elections>).

Resolution 1920-3 adopted the trustee area boundary map for the District attached to the Resolution. Through the Resolution, the Board "request[ed] that the County Committee approve the establishment of trustee areas boundaries ... pursuant to Education Code section 5019 and establish by-trustee area elections for election of members of the Board pursuant to Education Code section 5030, subdivision (b)." The Resolution also directed "the superintendent and/or his designee ... to take all necessary steps to: ... submit this resolution to the County Committee pursuant to Education Code section 5019."

Accordingly, pursuant to subdivisions (a) and (c)(1) of Education Code section 5019, I submit Resolution 1920-3 to the County Committee as the Board's formal proposal for establishment of by-trustee area elections and the specifically identified trustee area boundaries.

Welcome and Overview

San Rafael City Schools has changed the way that Board of Education members are elected. Previously, Board members were elected "at-large," where each member is elected by voters throughout the District's territory. Under the new system, the Board members will be elected by-trustee-area; they will be required to live in the area they represent and will be elected only by the registered voters of that area. The new system will be in effect for the next SRCS Board of Education election in November 2020. Please review this webpage - and check out the left sidebar for links to important pages - for background and information.

FINAL MAP

At its meeting on 8/26/20, the Board selected and adopted "Map 110," which identifies the trustee area boundaries and the associated election sequence. The action followed a public mapping process that included a series of public hearings and community sessions.
