

Centennial Middle School
6th Grade Elective Interest Sheet 2023-24 School Year

Student First Name: _____ Student Last Name: _____
 Grade: _____ Kyrene Student ID #: _____
 Elementary School: _____ 5th Grade teacher: _____
 Student Signature: _____ Date: _____
 Parent/Guardian Signature: _____ Date: _____

The elective interest sheet must be completed prior to entering information online. The online interest form will be completed at school in February. After the online interest form is complete, your teacher will collect the paper copy of the elective interest sheet.

Each sixth grade student will be scheduled in four core courses (Language Arts, Mathematics, Science, and Social Studies) based upon data and need. Preliminary placement guidance for core courses is attached. Students who are new to the Kyrene School District are given placement tests upon registration or placed based upon prior school records.

Students also have two elective class periods. Students may have 2 one year-long elective classes, 1 one year-long and 2 semester-long elective classes, or 4 semester-long elective classes.

This paper version of the form along with course descriptions will support families in expressing their elective interests. The form will be kept on file by the middle schools.

Priority is given for placement in year-long elective offerings. Rankings of semester-long elective options is an indication of a student's interests. Every effort will be made to honor the interests, however due to class size and teacher availability there can be no guarantee that every course will be offered or that the student will be placed in their classes of interest.

Primary Course Interest Options

Complete ONLY ONE box depending upon the length of your primary courses of interest.

Students who wish to take a semester course for a full year may write that course for two of their semester course options (not guaranteed).

For Band and Orchestra
 Instrument: _____ Years: _____

ELECTIVE COURSE DESCRIPTIONS – YEAR-LONG COURSES**BAND**

Band is designed for students interested in learning the fundamentals of music and to play a band instrument: flute, oboe, clarinet, saxophone, trumpet, trombone, baritone, tuba, and percussion. This course addresses basic instrumental skills, reading music, and elements of music in an ensemble setting. Students are required to practice regularly and participate in concerts through the school year. No prior knowledge or experience is required. Students will need to rent or purchase an instrument from an outside vendor, with some exceptions.

Prerequisites: none

CHORUS

Chorus is an entry-level course for students interested in learning how to sing. Basic fundamentals of music including sight-reading and vocabulary are introduced. Students sing music written in two parts and will learn elements of music theory and solfege. Students will focus on the technical aspects of singing in a choir and explore a variety of genres and cultures. Students are required to perform in concerts throughout the year.

Prerequisites: none

ORCHESTRA

Orchestra provides students with an opportunity to learn to play the violin, viola, cello or bass. This class teaches basic string instrument skills, reading music, and elements of music. Students are required to participate in concerts through the school year. No prior knowledge or experience is required. Students will need to rent or purchase an instrument from an outside vendor, with some exceptions.

Prerequisites: none

ELECTIVE COURSE DESCRIPTIONS – SEMESTER COURSES**ART**

In Art, students explore various art forms from many cultures and periods. The focus is on art making with art history and analysis integrated into each unit. Students gain foundational knowledge of art vocabulary, techniques, history and art criticism. Students use a variety of media and create a variety of art forms including drawing, painting, and sculpture.

Prerequisites: none

AVID ELECTIVE 6

AVID Elective 6 is a semester elective course designed to prepare self-determined students for the middle school transition in addition to college and career. AVID incorporates school-wide instructional strategies focused on writing, inquiry, collaboration, organization and reading to support academic growth of all students. The 6th grade AVID Elective course builds students' study skills, such as note-taking, organizational skills, and goal-setting strategies and also targets building self-confidence and self-efficacy skills. Students focus on public speaking and presentation skills and engage in teambuilding activities. Students also experience different field trips, guest speakers and research to increase their knowledge of college and career options.

Prerequisites: none

FAMILY AND CONSUMER SCIENCE

In Family and Consumer Science, students will explore culinary arts, nutrition, practical sewing skills, and workplace skills in careers using technology. Using sewing machines, students will complete projects they will bring home to enjoy. Students will work in groups using workplace skills in the kitchens or independently and will engage in problem-solving and critical thinking while investigating careers and finance. This course is for students who enjoy cooking, are interested in sewing to make useful and fun projects and have a desire to focus on practical skills related to high school and beyond.

Prerequisites: none

MULTIMEDIA DIGITAL ARTS

In Multimedia/Digital Arts, students explore and learn about production techniques that support the creation of graphic arts, web design, digital photography, animation, audio recording/mixing, and videography. A wide range of the latest hardware and software are utilized, including the Adobe Creative Cloud collection. Students collaborate in a project-based environment to develop understanding of the media used and creative techniques for future applications.

Prerequisites: none

PHYSICAL EDUCATION

Physical Education is an introduction to physical fitness, physical skill development, and wellness concepts with an emphasis on preparation for a lifetime of physical activity. Students are required to dress out and a locker with a lock will be issued. Information on PE uniforms is available at the beginning of the year through the physical education teachers and school office.

Prerequisites: none

SPANISH EXPLORATION

Spanish Exploration is a course that introduces students to the Spanish language and culture. Students start developing interpersonal listening and speaking skills at the Novice Low proficiency level by exploring the benefits of learning a second language and exploring topics such as greetings, family, friends, school and celebrations. In addition, students explore the culture of Spanish speaking countries.

Prerequisites: none

STEM

The STEM course inspires student interest and passion for Science, Technology, Engineering, and Mathematics (STEM) career paths. Students foster creativity, engage in critical thinking, and collaborate in a project-based environment. Students utilize the engineering design process to identify the effectiveness, efficiency, and durability of designs under different conditions through hands-on and technology-rich activities.

Prerequisites: none

THEATRE

In Theatre, students experience the beginning foundations of acting technique including exercises and improvisations exploring awareness, relaxation, observation, pantomime, voice, and theatrical vocabulary. A focus on becoming comfortable on stage, character work, and collaboration is emphasized. Students are involved in performances as an application of learning. Students also learn audience etiquette and constructive criticism. Prerequisites: none
