Telephone: _____

Address: _____

Email: _____

Please verify that you have read the material in its entirety. Yes No

1. As parents/guardians identified as the party to the challenge have read and reviewed the entirety of the library material being challenged, as opposed to exclusively relying upon a third-party summary of the contents of the challenged library material. The following is the detailed explanation outlining the specifics regarding why the library material is being challenged. (Please be specific, cite pages, etc.) (Please use additional space as needed.)

2. Explain why you believe the inclusion of the challenged library material was not selected in compliance with the selection criteria outlined in the policy or its related administrative regulations.

3. Provide any other information you believe is relevant to support your position that the challenged library materials should be removed from the school library.
