Federal and state laws require that school districts maintain a Child Find system for identifying, location, and evaluating individuals with disabilities (birth through 21 years of age) within its jurisdiction who are in need of special education or related services. Children 0-3 are referred to Early Childhood Intervention. Children ages 3-21 who reside within the boundaries of Godley ISD, are referred to the Johnson County Shared Services Arrangement (JCSSA). If your child attends public, private, or a home school in Godley ISD or if you know of a child residing in a foster home or other residential facility within Godley ISD and you believe the child has or may have a disability, please contact one of our campuses. You may also contact the JCSSA at 817-866-3950. Godley ISD and JCSSA will work with you to ensure that every child receives an appropriate evaluation and determine which children have a disability that qualifies for services.

A representative from JCSSA will be available at the elementary campus for Child Find purposes during PK Kindergarten Round up April 12th from 9am-3pm
