& Lucie Ryals

5th Grade: Anayshia Harris, Carmen Magee,
& Braylen Bland

6th Grade: Ayden Boles, Chandler Luckey,
& Layla Nichols

Random Acts of Kindness:

Adalen Miller, 2nd Grade

Our Scholastic Book Fair is a reading event that brings the books kids want to read right to Puckett Elementary. It offers a wonderful selection of engaging and affordable books for every reading level. Please make plans to support our Scholastic Book Fair.

Students will have the chance to shop during their normal library time. Because we love our PES families, we will be hosting a Family Night and look forward to seeing families and friends at that time.

Our Book Fair will be a "quick set up," so that book stations can be safely distanced in our hallways and outdoors if weather permits for easy shopping.

We can't wait to share this week of reading fun with our students and celebrate Read Across America Day all week long in a BIG way!

Book Fair dates:

March 4th-8th

Shopping hours: Students will shop during their normally scheduled library day/time.

Family Night: Tuesday, March 5th

Please make plans to attend. Look for an informational letter coming home later this month with more exciting details!

Valentine's Parties

We are so excited to share lots of love at our class Valentine's Day parties on Tuesday, February 14th.

- If you signed up to attend your child's Valentine's parties, we are excited to see you! Your teacher will be sending out a reminder to you soon.
- You may send in Valentine's cards/candy for all students in your child's class if you wish to do so.
- Our hardworking, devoted teachers and room moms will be planning the parties, but they need your help. Each teacher will be asking for a certain donation of money or a party item donation to help with the cost of each party. Please help us by sending in the needed amount/item. We are thankful for teachers and parents being willing to go above and beyond to ensure our students have a fun, safe party day!

PES READING FAIR

We are excited to announce our 2023-24 Reading Fair date has been set! Our students are discussing the Reading Fair during library and are encouraged to discuss this optional at-home reading project with their families. We can't wait to see how many students choose to participate!

The Reading Fair is a great way to model a love for reading from home in that each child has an opportunity to read and bring a favorite book to life through their writing and artistic creations.

*Our PreK-5th grade students will create a storyboard with required story elements.

*Our 6th grade leaders on campus have the option to create a storyboard or a digital presentation.

A PES Google Classroom has been set up for participants which houses Reading Fair guidelines, example storyboards, example Google slide tutorials, and helpful tools to guide you along the way. Please feel free to join the Google Classroom for more information about this exciting reading opportunity.

Google Classroom Code: gcyf5ps

*All Reading Fair projects are due on
Friday, February 23rd.*

*Judging and announcements will take
place on Monday, February 26th.*
