2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Tully C. Knoles K-8 School, also known as TCK, is named after the first president of the College of Pacific (currently known as University of the Pacific). Tully C. Knoles School was established in 1957. TCK provides a well-rounded education for its students. The TCK "Life Lab" houses growing beds, fruit trees, grape vines, butterfly and bird attracting plants in addition to a working greenhouse and pond that replicates the ecosystem of the San Joaquin Delta. The Life Lab has an outdoor classroom for Exponential Learning. Literacy is a priority at TCK. Students participate in Accelerated Reader by taking quizzes on books they read and achieve goals on number of words read. About 500 students have reached the million word goal since 2006.

"Our mission is to develop all children into life-long learners by creating an environment that supports high expectations for achievement and engages all students. We will work collaboratively with students, colleagues, parents, and community members to achieve our shared educational purpose, keeping the best interest of the Tully C. Knoles Scholar in mind."

Our goals for the 2022-23 school year are as follows:

Goal 1: The percentage of grade 3-8 students meeting or exceeding standards on the 2023/24 CAASPP assessments in ELA will increase by 5%

Goal 2: The percentage of 3rd - 8th students meeting or exceeding standards on the 2023/24 CAASPP assessments in Math will increase by 5%

Goal 3: The number of English Learners reclassified will increase by 4%.

Goal 4: Implement PBIS strategies through a grant from County Office of Education. Implement new SEL lessons for all students that promote a supportive school culture and positive learning environment. Purchase SEL books for teachers to check out from the library for use in their classroom.

Goal 5: Tully C. Knoles will increase family engagement as measured by increased positive responses in Engagement, Relationships, and Culture on the Youth Truth Survey by 5%.

Goal 6: Decrease absenteeism by 13%

Goal 7: School wide, students will improve their Science CAST scores by 10%

Our students' progress is monitored through Dibels for grades K-3 that is given three times a year. The i-Ready assessments will be administered three times a year to grades 4-8. Elevation is a database used to monitor English Learners for reclassification.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Following a public hearing the LUSD Board of Education has found that sufficient textbooks and instructional materials are available to each student in Reading/Language Arts, Mathematics, Science History/Social Science and Health. All students, including English Learners have textbooks or instructional materials, or both, to use in class or to take home.

School Facility Conditions and Planned Improvements

Tully C. Knoles has 36 classrooms spread across six main instructional wings. We have a multi-use room that serves as a cafeteria and auditorium with a performance stage. Our library wing contains the library, classrooms and a counseling center. There is a preschool section on the campus that has 3 classrooms. We also have an administration building. Currently, we have students in grades Kindergarten through 8th grade including two self-contained special day classrooms. Our campus was built in 1957 with permanent classroom spaces. We have two playgrounds: one for our 1st - 6th grade students and one for our Kindergarten age students. Our field has soccer fields and baseball/softball diamonds. There is a shade structure in the middle school quad area. The district's maintenance and grounds departments work in concert with the school site custodial team to ensure that school buildings, classrooms, and grounds are maintained at top levels to provide a safe and functional environment for all students. The district utilizes the latest electronic work order system enabling site administration and

custodians to communicate maintenance needs, urgent repairs, or necessary projects. Emergency repair needs are immediately resolved by either the school custodian or district maintenance staff. The school's custodians work as a team and with the principal to develop a daily cleaning process and schedule. Each morning the custodian inspects the school prior to students and staff entering school grounds. Restrooms are inspected throughout the day to ensure that they are adequately stocked, safe, and sanitary. Maintenance continues to keep the site upgraded.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

TCK is always looking for support from our parents, guardians and community. There are opportunities throughout the year to support the students and the school. We have a PTSA that organizes school events and fundraisers. Parents also can become involved as part of the School Site Council or the ELAC. There is an election for school site council members. A typical term is two years. ELAC meetings are conducted quarterly for all families of students that speak a language other than English. The meeting is open to all but the focus is English Language Learners. parents are invited to help work in the Life Lab, attend "Music in the Forest", attend movie nights and our spring festival, parent student opportunities after school in our library, and to volunteer on campus. To get more information on how to become involved call the front office at 209-953-8776.

2023-24 School Safety Plan

Emergency Response Procedures were developed in coordination with the California Safe Schools program and are revised and updated each year with the support of LUSD security and LUSD School Resource Officer. These are detailed in the School Safety Plan and support responses needed depending on the type of emergency. The staff is trained on procedures to follow during an emergency. The staff and students participate in regular drills to practice the procedures. The School Safety Plan was last reviewed and approved by the Lincoln Governing Board on February, 2023.

Professional Development

Lincoln Unified School District provides professional development days for staff annually as part of the contract, with site based follow up scheduled during the year. Early dismissal on Mondays also provides teachers with additional time each week to collaborate and articulate with other grade level or department teachers. Teachers work in teams to analyze data, determine essential standards and plan instruction. Professional learning is provided to support implementation of new curriculum, best practices and instructional strategies to support the achievement of all students. In addition, new teachers are provided with three days of professional learning before the start of school each year. Our goal is to continue to have a highly trained professional staff that supports success for all students in the classroom. Lincoln Unified School District is committed to supporting school district staff through quality professional development.
